SWAYAM

(Study Webs of Active – learning for Young Aspiring Minds)

SWAYAM is an initiative launched by the Ministry of Education, Government of India under Digital India Programme on 9th July, 2017 by Hon'ble President of India. It is designed to achieve the three cardinal principles of Education Policy viz., access, equity and quality. The objective of this effort is to take the best teaching learning to all, including the most disadvantaged. SWAYAM seeks to bridge the digital divide for students who have hitherto remained untouched by the digital revolution and have not been able to join the mainstream of the knowledge economy. SWAYAM is also a Learning Management System (LMS) through which online courses are offered by various national coordinators. All the courses are interactive, prepared by the best teachers in the country and are available, free of cost to any learner.

It possess the following features:

One-stop web and mobile based interactive e-content for all courses from High School to University level.

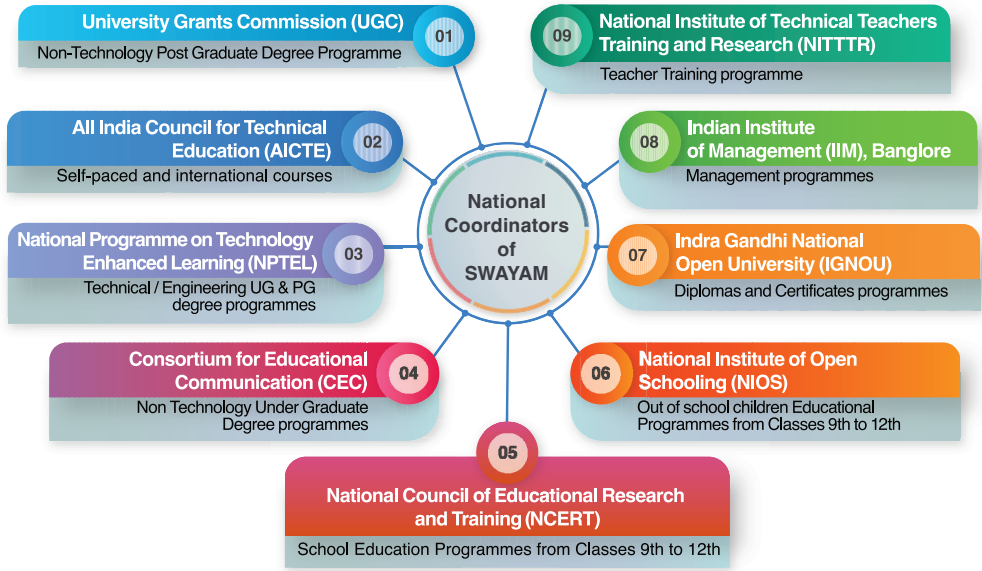

High quality learning experience using multimedia on anytime, anywhere basis.

State of the art system that allows easy access, monitoring and certification.

Peer group interaction and discussion forum to clarify doubts

Hybrid model of delivery that adds to the quality of classroom teaching.

National Coordinators of SWAYAM

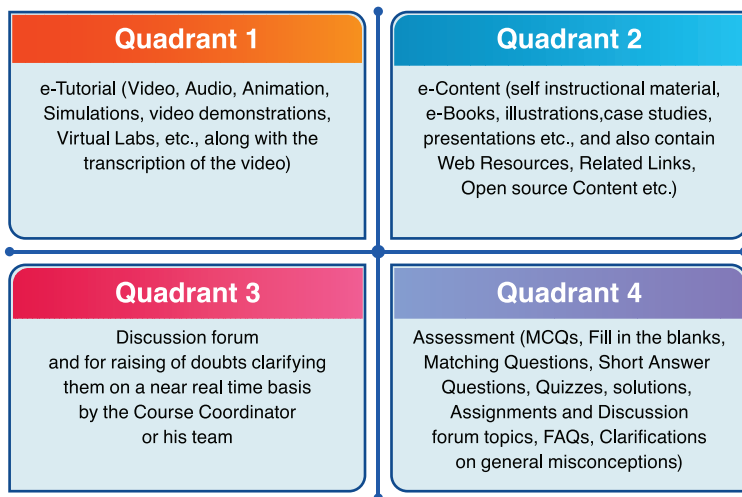

National Council of Educational Research and Training (NCERT) as the national coordinator is responsible for developing online courses for classes IX - XII on SWAYAM.

NCERT has been offering 28 courses for classes XI and XII across 11 subjects. These courses are offered in two batches every year. Cycle 1 is from **April to September**, Cycle 2 is from **October to March**. Around **4.1 lakh learners** have been benefited till September 2023.

The Four Quadrant approach for Online Course on SWAYAM

The courses developed specifically for SWAYAM follow the Four Quadrant approach that has the following components:
