

NVSK

National Digital Education
Architecture (NDEAR) - Vidya
Samiksha Kendra

The “Force Multiplier” for the
education ecosystem in India

The National Education Policy (NEP) 2020 lays emphasis on the need to invest in creation of open, interoperable, evolvable, public digital infrastructure in the education sector that can be used by multiple platforms and point solutions, to solve for India’s scale, diversity, complexity, and device penetration.

National Digital Education Architecture (NDEAR) Vidya Samiksha Kendra (VSK) helps in integrating various data sets and breaking through the barrier of operating in silos and help to effectively leverage different entities towards a common goal.

The benefits of the NDEAR
compliant VSK are:

Visualisation

Processing

Analysis

Action

Vidya Samiksha Kendra provides a single window of opportunity to enable the policy makers at various administrative levels to drive data-actuated interventions.
