F. No. 3-114/2020-21/DICT/CIET
Date: 10th November, 2020

Prof. Amarendra Prasad Behera
Joint Director

Subject: State/UT/Organization Level Evaluation of ICT Award Applications – reg.

Madam/Sir,

As you are aware that the NCERT on behalf of Ministry of Education, Govt of India is organizing the National ICT Award for School Teachers for the years 2018 and 2019. Online applications have been received from teachers directly through the portal (<http://ictaward.ncert.gov.in/>) during 15 Sept – 31 Oct 2020.

Each State/UT and autonomous organization is required to evaluate the applications of their respective State/UT/Org. For this, a committee is to be formed as per the guideline attached. The committee has to evaluate each application for demonstrating ICT competencies and their integration in teaching-learning-assessment process. Marks are to be assigned for different parameters as per the evaluation matrix given. Next, the committee has to forward to NCERT the applications twice the number of awards reserved for their respective State/UT/Organization. This has to be done separately for both the years 2018 and 2019.

Please note that the complete process of evaluation and forwarding to NCERT is to be done online, directly on the portal. Thus, there is no need to download anything or to send any hard copies. Each State/UT/Org has a unique user id and password which are to be used to access the portal. These credentials are to be shared separately either with the chairman of the selection committee or a nodal officer appointed by the State/UT/Organization.

You are therefore requested to kindly identify a nodal officer and share his/her contact details at the email ictaward@ncert.nic.in. The evaluation activity is to be completed latest by 25 November 2020. For further details, you may go through the detailed information available on the award portal.

We look forward to your kind cooperation to carry out this prestigious award ceremony in a time bound manner.

With warm regards,

(Amarendra P. Behera)
