Keyterms

- Study Set :- The set of terms and definition that you are inputting, like a virtual flash card
- Set Page :- The main page of a set where access to editing features and learning modes live.
- Create Set Page :- Where you create and/or edit your set. Look for “CREATE” button in header.

A person is shown from the side, sitting at a desk and using a laptop. The laptop screen displays a sign-up form with various input fields and buttons. The background is a blurred office setting with a wooden desk and some papers.
