DUMMY SLIDE

How to make a Quiz (Sample Quiz)

- **Quiz Instructions**
- Each question in the quiz is of multiple-choice or "true or false" format. Read each question carefully, and click on the button next to your response that is based on the information covered on the topic in the module. Each correct or incorrect response will result in appropriate feedback immediately at the bottom of the screen.
- After responding to a question, click on the "Next Question" button at the bottom to go to the next question. After responding to the 8th question, click on "Close" on the top of the window to exit the quiz.
