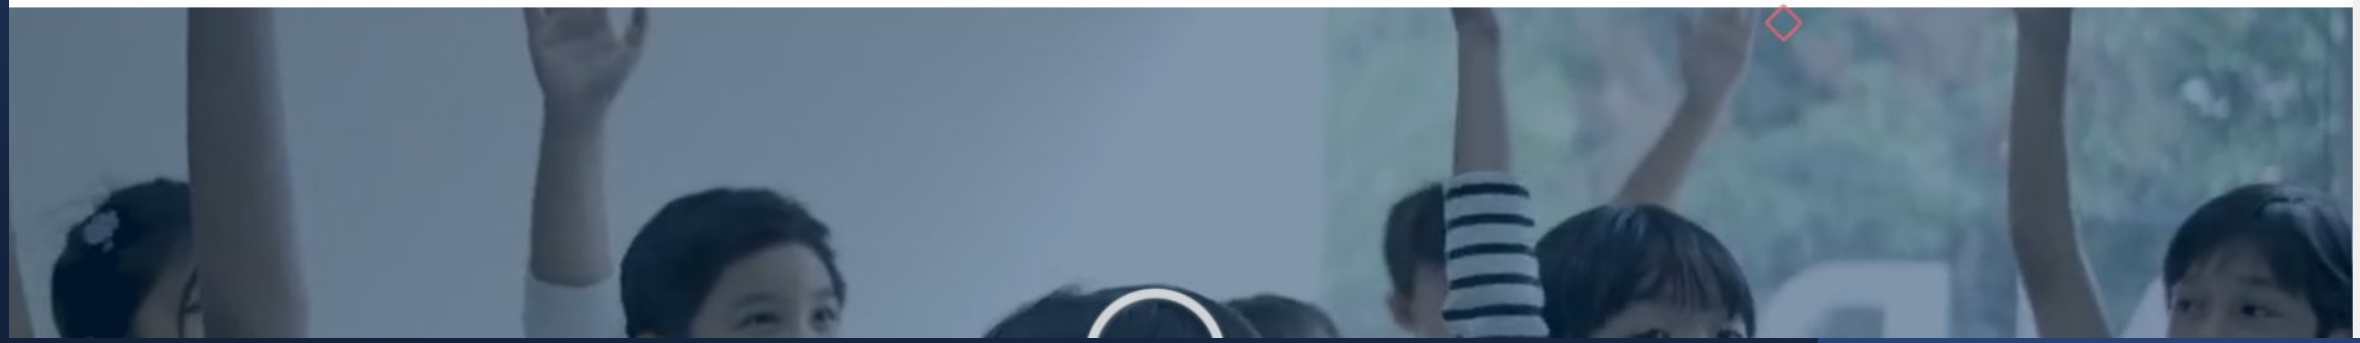
Interactive quiz in PowerPoint

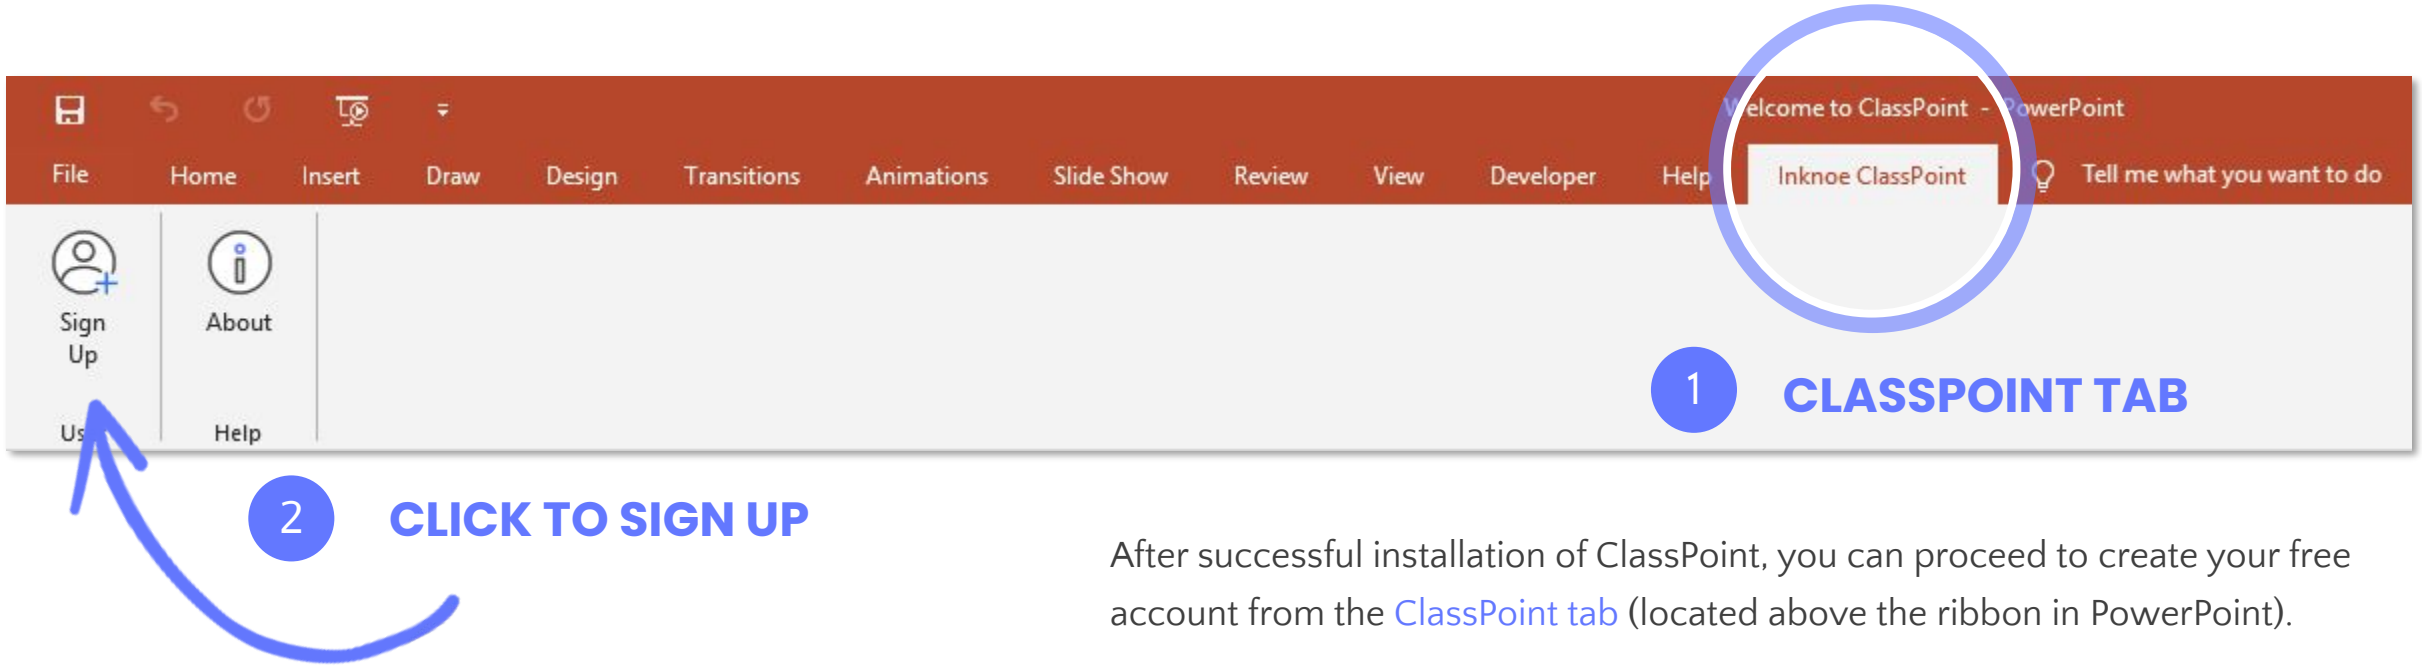
Go interactive today with your PowerPoint and become a superhero.
Designed for every teacher.

FREE DOWNLOAD

Compatible with Windows 7/8/10 & Office 2013/2016/2019/365

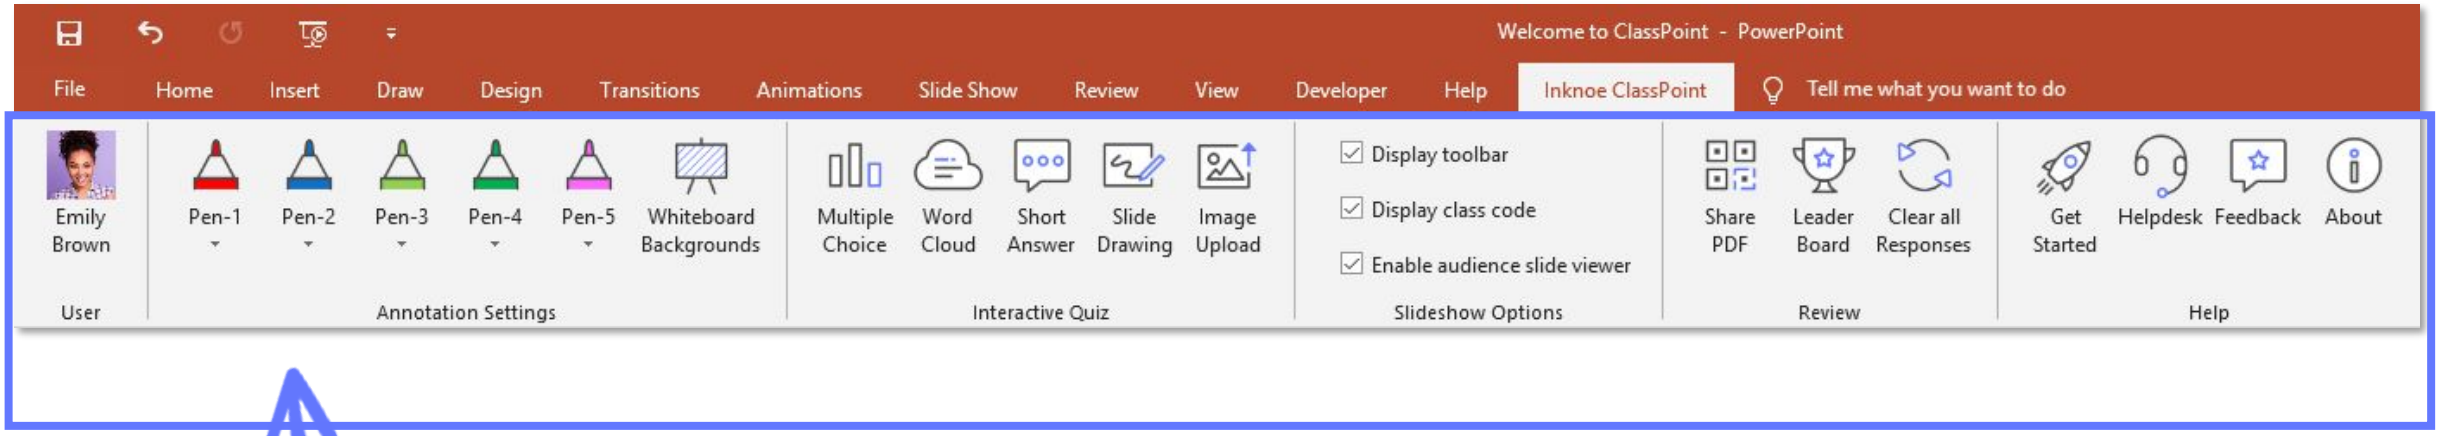


Sign Up For Your Free Account



After successful installation of ClassPoint, you can proceed to create your free account from the ClassPoint tab (located above the ribbon in PowerPoint).

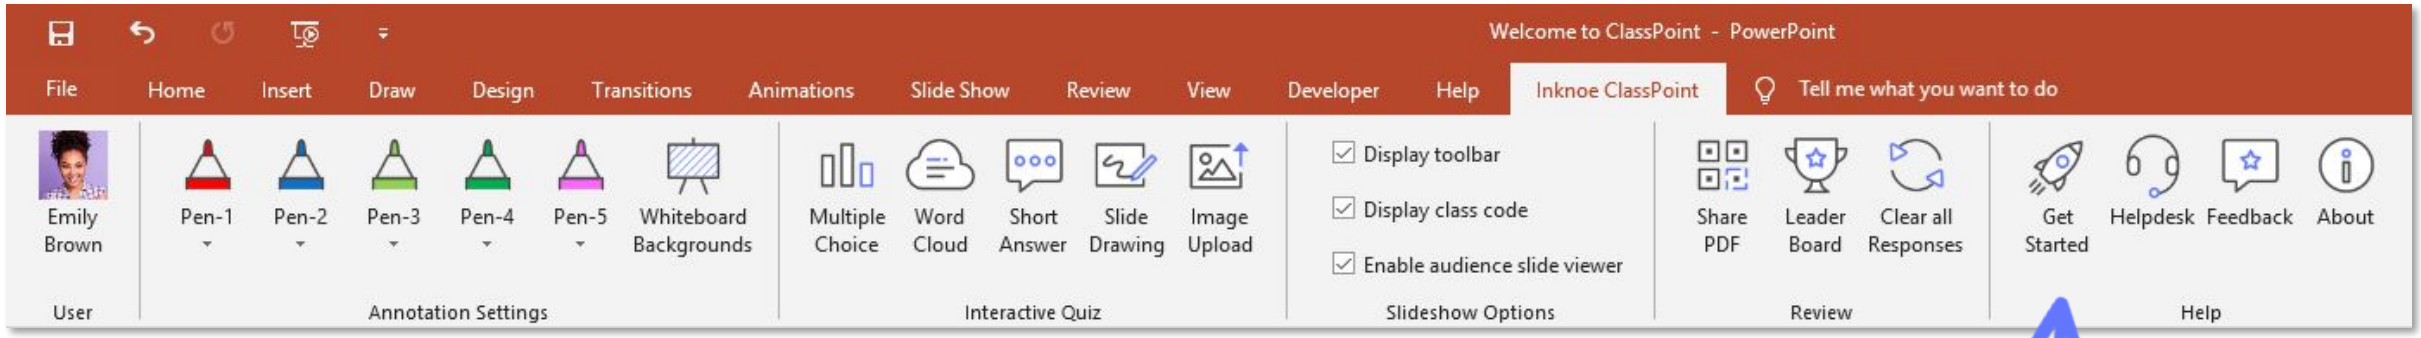
Sign In



SETTINGS & TOOLS

Once signed in, you will see various ClassPoint tools and settings: profile, pen and whiteboard customization, add interactive quizzes to slides, etc.

Get Started with ClassPoint



To get started with ClassPoint, simply click the Get Started icon. We've prepared some easy to follow video tutorials and FAQs for you.

GET STARTED

The Workflow

1. Design a slide with the question you want to ask
2. **Add a question button** and set its properties
3. During slide show, **click the question button** and students will be able to submit their answers
4. **View student responses live** or review them anytime after class, right inside PowerPoint
