DIGITAL INTERACTIVE WORKSHEETS

TOPWORKSHEETS

Convert your exercises into interactive worksheets. Easy and free

Advantages of using TopWorksheets

- ✔ You don't need advanced digital skills: edit your worksheets in a quick and easy way.

- ✔ Your worksheets are always available everywhere.

- ✔ Send worksheets to your students simply with a link.

- ✔ Access thousands of worksheets created by our community.

- ✔ Save time with autograding. Customize each question score.

- ✔ Students get instant feedback when they finish the worksheet.

HOW IT WORKS ?

STEP 1

Create your account.

It's free!

Sign up to create autograded interactive worksheets. Fast and easy.
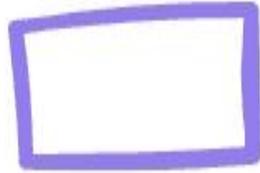

STEP 2

Create your worksheets

Upload a PDF or an image with your worksheet or create it from scratch.

HOW IT WORKS ?

STEP 3

Or use existing worksheets

Browse thousands of worksheets created by our community and use them in your classes.

STEP 4

Share the worksheets with your students

Create custom links to share the worksheets with your students and receive autograded answers.

HOW IT WORKS ?

STEP 5

Manage worksheets and answers

You can manage your groups, customize your scoring systems, review and analyze answers,....

Signup as a teacher

By signing up, you will be able to create interactive worksheets and share them with your students

To sign up, fill your data and click the Signup button.

Multiple choice

Drag&drop

Text

Link

Options for selector

Add as many options as you want for this question, but remember to mark the correct one

Option 1:

56   ● Correct answer

Option 2:

57   ◉ Correct answer

Option 3:

55   ● Correct answer

MULTIPLE CHOICE FIELD

Information on multiple-choice questions

Question identifier

The different choices belonging to one question must have the same identifier

Multiple choice1 ⌄

Choose whether the student should check this option

When answering the worksheet all options of a question will have to be correct to count the question as correct

☐ Checked option

——————— Score ———————

You can set a custom score for each question. By default, the score of each question is 1, but you can change the score in questions that have more value

Score: 1
