Page Setup

The screenshot shows the Google Slides interface. At the top, there is a navigation bar with several colored tabs: Size (blue), Creativity (purple), Video (light blue), Links (green), Import (teal), Interactive (orange), and Add-ons (red). Below the navigation bar is the main workspace. On the left side, there is a slide thumbnail labeled '1' with the text 'Page Setup' and 'File---->Page Setup'. The main slide area displays the text 'Page Setup' in a large font, with 'File---->Page Setup' below it. The top of the slide area shows the menu bar with options: File, Edit, View, Insert, Format, Slide, Arrange, Tools, Add-ons, and Help. The status bar at the bottom indicates 'Click to add speaker notes'.

CHROME TIPS & TRICKS

Follow @tcea @diben

<http://tcea.org/blog>

- 1 SAVE WEBPAGES AS PDFS**
Open any web page, press Ctrl+P on Windows (or Cmd+P on your Mac) and choose "Save as PDF" from the list of available printers.
- 2 MAKE FAVICONS YOUR BOOKMARKS**
Right click on a bookmark in your bookmarks bar and delete the text in the name box, leaving only the favicon.
- 3 PIN TABS**
Minimize a tab to display only the icon. To pin a tab, right click on the tab, and select "Pin tab." This is helpful when you have a lot of tabs open.
- 4 OPEN RECENT TABS**
Open any recent tab that has been closed by right clicking on the title bar and selecting "Reopen closed tab."
- 5 GO INTO INCOGNITO MODE**
Browse privately in Chrome by clicking on "Settings" and selecting "New incognito Window". Your history will not be saved.
- 6 NAVIGATE BETWEEN TABS QUICKLY**
Navigate quickly between tabs by pressing Ctrl+1 to go to 1st Tab, Ctrl-2 to go to 2nd Tab, and so on. Go to the last Tab by pressing Ctrl-9.
- 7 OPEN MULTIPLE PAGES ON START UP**
Set your start up pages by going to "Settings," scrolling to "Settings," and selecting "Set pages" under the On Startup section. Next enter the URL's.
- 8 SOLVE MATHEMATICAL PROBLEMS AND MORE**
Solve mathematical calculations and more from the omnibox (address bar). Try typing 60 x 90 without pressing enter and see what appears.
- 9 PLAY MEDIA FILES IN GOOGLE CHROME**
Play a wide variety of movie and music files by simply dragging your file into the search bar and enjoy listening or watching it play.
- 10 BOOKMARK ALL TABS**
Bookmark all of your open tabs at once by right clicking on one of the tabs and scrolling to "Bookmark all tabs."

Video Format options

The screenshot displays the Google Slides interface. At the top, there is a title bar with the text "Do More with Slides" and a star icon. Below the title bar is a menu bar with options: File, Edit, View, Insert, Format, Slide, Arrange, Tools, Add-ons, and Help. A status bar indicates "All changes saved in Drive". The main toolbar contains various icons for editing, including a plus sign, undo, redo, print, copy, paste, zoom, and selection tools. The main workspace shows a slide with a video element. The "Format options" panel is open on the right side, displaying the text "Select an object to see format options". The bottom of the interface includes a "Click to add speaker notes" area and a small icon in the bottom right corner.

Link the Slides

The screenshot shows the Google Slides interface. The title bar reads "More with Slides" and the menu bar includes "File", "Edit", "View", "Insert", "Format", "Slide", "Arrange", "Tools", "Add-ons", and "Help". The status bar indicates "All changes saved in Drive". The toolbar contains various editing tools. The slide thumbnail pane on the left shows five slides: Slide 1 (Student Slide), Slide 2 (KARTIK), Slide 3 (MEENAL), Slide 4 (SARANSH), and Slide 5 (MEENAL). The main slide area displays Slide 1, which has a dark blue header "Student Slide" and a grid of six names: Kartik (red), Mehak (yellow), Shikha (green), Meenal (blue), Saransh (dark green), and Avi (orange). A red hand icon points to the text: "Students click on your name to open the linked slide. Work only on your slide ; respect work of your friends !".

Import Slide

The screenshot displays the Google Slides interface. At the top, the title bar reads "More with Slides" with a star icon and a folder icon. Below it is a menu bar with "File", "Edit", "View", "Insert", "Format", "Slide", "Arrange", "Tools", "Add-ons", and "Help". A status bar indicates "All changes saved in Drive". To the right of the menu bar are icons for "Present" and "Share". Below the menu bar is a toolbar with various editing tools. The main workspace shows a slide with a title box containing "Click to add title" and a text box containing "Click to add text". A mouse cursor is positioned over the text box. On the left side, a slide sorter shows four slides with colored headers: green, purple, green, and orange. The current slide is highlighted in yellow. At the bottom of the slide, there is a text box labeled "Click to add speaker notes".

Create Interactive Tasks

Time Line

Place the event where you think it appears on the timeline.

The timeline features a central horizontal axis with tick marks for the years 1994, 1995, 1996, 1998, 2001, 2007, and 2010. Above the axis, a box for '1994' is positioned above the 'NETFLIX' logo, and a box for '2001' is positioned above a 'Windows XP' software box. Below the axis, a box for '1995' is positioned above a smartphone icon, a box for '1998' is positioned above an iPod icon, and a box for '2007' is positioned above an iPad icon. To the right of the axis, the Google 'G' logo and the Amazon logo are placed. A mouse cursor is visible near the 1996 tick mark.

Edit Master

The screenshot shows the 'Edit Master' view of a Google Slides presentation. The interface includes a menu bar at the top with options: File, Edit, View, Insert, Format, Slide, Arrange, Tools, Add-ons, and Help. Below the menu is a toolbar with various editing tools. The main workspace displays a slide layout with a dark teal header bar containing the text 'Student Slide'. Below the header is a 2x3 grid of colored boxes, each containing a name: Kartik (red), Mehak (yellow), Shikha (green) in the top row; and Meenal (blue), Saransh (dark green), Avi (orange) in the bottom row. On the left side, a vertical sidebar shows a list of five slide thumbnails, with the first one selected and highlighted in orange. The thumbnails are labeled 1 through 5, corresponding to the slide layout being edited.

Get Add-ons

The screenshot displays the Google Slides interface for a presentation titled "More with Slides". The top menu bar includes "File", "Edit", "View", "Insert", "Format", "Slide", "Arrange", "Tools", "Add-ons", and "Help". A notification states "Last edit was made yesterday at 12:39 PM by Sangeeta Gulati". The right side of the top bar features "Present" and "Share" buttons. Below the menu is a toolbar with icons for undo, redo, copy, paste, search, and various drawing tools. The main workspace shows a slide with a dark teal header "Student Slide" and a grid of six colored boxes containing names: Kartik (red), Mehak (yellow), Shikha (green), Meenal (blue), Saransh (dark green), and Avi (orange). A red hand icon points to the text: "Students click on your name to open the linked slide. Work only on your slide ; respect work of your friends !". On the left, a slide thumbnail pane shows five slides, with the first slide matching the main slide's content. The bottom of the interface has a "Click to add speaker notes" area.
