

***My Journey to
National ICT Award 2019***

***M. S. Kumar Swamy
TGT(Maths)
KV Gachibowli, Hyderabad***

I started my teaching career in **School of Studies in Electronics, Pt. Ravishanker Shukla University, Raipur** as Adhoc Lecturer from July 2000 to July 2003.

After that I joined Central College of IT, Raipur as **Assistant Professor in Physics** from August 2003 to July 2004

Along with Central College of IT, I worked in **Padmavati Vidya Mandir, Fafadih Raipur** teaching Maths and Science till 19th February.

After that, I joined **St. Xavier's High School** as a **Maths teacher** from 21st Feb 2005 to 30th June 2006 teaching Classes IX to XII Mathematics.

After that I joined **Shri Kailashpat Singania Hr. Sec. School** as TGT(Maths) from 6th July 2006 to 11th November 2008.

- On November 2006, I purchased my first PC (Desktop) with Pentium-4 and 256 MB RAM.
- I started preparing Sample Papers for Class X and Class XII which is to be conducted on Every Sunday.
- I started preparing Chapter wise Important Questions for Class X and Class XII Maths Board Exam.
- **I got very good response from the Students and parents.**

Finally, I got selected in **Kendriya Vidyalaya Sangathan** as **TGT(Maths)** on 12th November 2008 and posted in **KV Jayant Colliery** at the age of 31 year.

In **KV Jayant**, I was taking regularly **classes** using **PowerPoint presentations** especially in **Geometry**.

After the implementation of CCE, I started preparing **MCQ worksheets** in the form of PowerPoint presentation for the revision purpose.

I was also prepared some sets of **Important questions** and **Sample Papers** for Class X Board Exam which was appreciated by Education Officer (now, Assistant Commissioner) during the Panel Inspection.

Joined **KV Donimalai** (Hard Station)
on 11th October 2010 on request transfer

In **KV Donimalai**, I started preparing Practice questions as well as **MCO Worksheets sets for all classes VI to X** for which my Principal and Chairman appreciated my work.

Later in 2011, I started preparing **Maths Question bank for all classes VI to X** and **Sample papers for SA1 and SA2** so that the students can practice and develop their study habits.

I learned from this that the students develop their interest automatically if their own teachers prepare study materials for them.

In the session 2012-13, I started preparing **Physics Reference materials for Class IX and X** along with revised Maths Questions bank for all classes VI to X.

I started circulating to all the KVS Regional office through mail.

I have received an **appreciation letter from the then DC, KVS RO Bangalore on Teacher's day 05/09/2013.**

Dear Shri M.S.Kumarswamy,

It has been brought to my notice the good work done by you with regard to making question bank and worksheets for classes VI to X in Mathematics. I am pleased to look at your good work. Mathematics is one discipline which unfortunately and wrongly perceived as a phobia. May be lack of motivation from teachers and inadequate study habits of students is responsible for this state of affairs. Your work in this regard assumes a great significance. I hope your own students as well as students of other Vidyalayas will benefit by your venture. You may mail the material to all the Kendriya Vidyalayas of the region for their benefit. Keep up the good work.

May God bless!

Yours sincerely,

**Subject : "All India Competition on Innovative Practices and Experiments in
Education for Schools and Teacher Education Institutions"-Certificate and
award money-regarding.**

Dear Sir/Madam,

This is in continuation to our earlier letter of even no. dated 10th July,2012 regarding selection of the project for award undertaken by your School/Institution for participation in the "All India Competition on Innovative Practices and Experiments in Education for Schools and Teacher Education Institutions" 2011-12.

In this regard please find enclosed herewith a certificate and cheque bearing no. 922527...dated 14/9/2012 for Rs. 20,000/- drawn on SBI, NCERT, New Delhi as award money.

You are requested to follow the criteria suggested below for utilisation of the award money Rs. 20,000/- (Twenty Thousand only). The award money may be spent for organising the following activities and for enriching infrastructure facilities of the school/institute such as :

- Meeting of members of the school community, teacher, Heads of School/Institutions to share the findings of the innovative programme and to devise action plan for implementing and sustaining the programme in Schools/Institutions.
- Purchase of books audio-video cassettes, Science Kit, Mathematics – Kit and development of teaching – learning materials.

However, a committee under the chairmanship of the Head of the Schools/Institute with the Project Coordinator as one of the members can take a final decision as per the requirements of the School/Institute.

Dr. B.P.Bhardwaj, Associate Professor & Programme Coordinator may be consulted for any further guidance. I once again thank you and members of the project team for participation in the competition.

With regards,

Encls: As above

Yours Sincerely

(S.K.Yadav)

Dear Mr. M.S. Kumarswamy,

I offer you my heartiest congratulations on the stellar performance of your students in this Secondary School Examination of the Central Board of Secondary Education (CBSE). This is a moment of pride and joy not only for you but the entire nation.

It is teachers like you who play the most critical role in influencing the minds and personalities of your students, enabling them to discover their talents, preparing them to succeed in any challenge they undertake.

I earnestly thank you for your commitment and dedication, and salute your great efforts in preparing the next generation which will take our nation to great heights. The excellence and innovation that you exemplify is the mainstay of education in India.

With Regards,

Yours sincerely,

MY YOUTUBE CHANNEL

MY YOUTUBE CHANNEL

On the request of many children (including my students) who are using my website blog, I started preparing my video lesson. **I was sharing the video lessons through WhatsApp to my children which was boon to my students for doing revision.**

In order to share the video lessons with other students, I have prepared my YouTube Channel "**Kumar Online Channel**" in which I have uploaded more than 700 video lessons for Class IX and X students including all Chapters and Revision series.

Many students and teachers are using my video lessons from different regions of India and in 27 other countries.

The link of my YouTube Channel:

https://www.youtube.com/channel/UC6gmIMI6_QKW0KptOg2AZ7w/featured

This was my **temporary arrangements** for **recording my video lessons from mobile**. Every time I have to arrange to record the video lesson. I was enjoying the same at that time.

CITATION

Kendriya Vidyalaya Sangathan is a trend setter in every aspect of education, which is a well-known fact. KVS has taken up more than usual share of Projects and workshops in the past one year for enhancing the Critical and Creative Thinking (CCT) Skills to prepare the students for PISA.

Mr. M. S. Kumar Swamy, TGT(Maths), KV Gachibowli has excelled himself in all the workshops as a participants and Resource Person in the following duties allotted from KVS RO Hyderabad:

- 1) 2 days Master Trainer for B2B KV IIT Powai from 01-02 April 2019
- 2) 5 days Master Trainer Program for PISA in IIT Gandhinagar from 24-28th June 2019
- 3) Prepared PISA Handouts for the submission to ZIET Mumbai in July 2019.
- 4) As a Resource person, Conducted Regional level Capacity Building Workshop on PISA Mathematics Literacy Workshop in two Batches in KV Gachibowli and KV No.1 NSB Visakhapatnam in the month of September 2019.
- 5) As a Resource person, assisted in One-day Regional Level workshop for HMs for training them in Critical and Creative Thinking (CCT) based questions in Primary on 18th Nov 2019.
- 6) Prepared Practice Items for Class IX Mathematics for the submission to KVS HQ in Jan 2020.
- 7) Prepared Practice Items for Class X Mathematics for the submission to KVS HQ in Jan 2020.
- 8) Prepared Radio Podcast lessons for PM e-Vidya Project of Class VIII (one chapters) and IX (Two Chapters).
- 9) 5 days Master Trainer Program for Competency Based Learning in Maths at ZIET Mumbai from 03-07 Nov 2020.
- 10) Sample items Prepared of Mathematics for Competency Based Program of CBSE for Item Writers for the submission to KVS HQ on 09 Nov 2020.

We would like to extend our appreciation for the amazing work done by him on the said projects and Workshops. The endless hours that he has spent working on this project and the professionalism that he shown has impressed the entire team immensely. His contribution as a Resource Person is highly appreciable.

Apart from all the above, he is very popular teacher through his video lessons in YouTube channel and Question bank for Classes VI-X, Sample papers for all the classes and Minimum Level Learning study materials for Class X & XII. Many students and teachers from other countries are also utilizing his blog and YouTube Channel.

His voluntary services, diligence, self-motivation as well as dedication have been a source of inspiration for the rest of the team. He is a real asset for KVS.

Hoping for equally enthusiastic cooperation in our future endeavour.

This citation is issued for ICT Award purpose.

Prime Minister e-Vidya Project

What is PM eVidya Programme?

“To provide enhanced learning opportunities to **3.7 crore students** in higher education and expand e-learning by liberalizing open, distance, and online education regulatory framework, **top 100 universities** will start online courses. Online components in conventional Universities and ODL programmes will also be raised from 20% to 40%. ”

#AatmaNirbharApnaBharat

Radio Podcast lessons of Class VIII(one chapter) and Class IX (two chapters) prepared for Prime Minister e-Vidya Project and submitted to KVS Headquarter New Delhi through KVS RO Hyderabad.

BricsMath Online Platform for Class IX and X

I have registered my whole class and motivated all my students to participate in BricsMath online platform in 2019 as well as in 2020 for which I have received the appreciation certificate from the BricsMath team.

Building as Learning Aid (BaLA) - as ICT Tools

School buildings have traditionally been conceived and treated merely as brick and mortar structures to house education activity. The interface between the building design and the design of the teaching and learning programme has received scant attention, and the possibility of using the physical space as a learning resource only sporadically explored. Building as Learning Aid, or BaLA as it is popularly known, is about developing school spaces — the classrooms, the floors, walls, doors, windows, pillars, corridors, the outdoor spaces and the natural environment — as learning resources.
