ZIPPY SPRITES

'To create is to inspire. To inspire is to believe'

When the creative meets the technical, when innovation meets common sense, you get what is called the perfect recipe for a motion picture. Put your heads together to re-imagine and re-create the past events and achievements of the human race.

Digital Storytelling using Scratch Programming Language
(Create a story in Scratch) (Scratch (v1.4 for windows) is a free programming language and online community where you can create your own interactive stories, games and animations.)

CRITERIA

1. Represent the data (story content) through the movement of sprites the characters in Scratch.
2. The source of sprites for the selected topic can be taken from the pictures provided in the folder.
3. Logical and algorithmic thinking in creating blocks of code to make sprites move and communicate.
4. Creativity in the design of background settings.

INSTRUCTIONS:

1. No. of participants : 2
2. Animated Movie : 2-3 minutes
3. Preparation Time : 3 hours
4. Topic : Create a story in Scratch for a young audience (Fairy tale, Historical event, Scientific event / Discovery).
5. The topic will be decided at the venue through lot-picking.
6. Requirements : The students should bring a formatted pen-drive.
7. **Materials provided** : Images and write up related to the topic.

WORKSHEET 1
INFORMATICS PRACTICES - INTRODUCTION TO JAVA
CLASS : XII C
Max Marks: 20
Time : 1 hr.

1. Variables are memory locations who values can be manipulated during program run.
True
False

2. Comments are non executable statements that are ignored by language compiler
True
False

3. Name the types of comments.
a) Single line comments
b) Multi line comments

4. Variables declared inside a for loop are limited in scope to the loop
True
False

5. Data types are used to means to identify the type of data and associated operations of handling data
True
False

6. Declarations must appear at the start of the body of a Java method
True
False

7. Java does not follow the operator precedence(BEDMAS RULE) and the expressions are not evaluated from left to right
True
False

8. The == operator can be used to compare two String objects. The result is always true if the two strings are identical
True
False

9. Final is the keyword used to declare constants
True
False

10. The logical operator used to return true when one of the conditions is true is AND

True
False

11. Explicit conversion from one data type to another is done by java automatically.
True
False

12. Selection statements offered by java are if and switch.
True
False

13. Exit control loops will iterate a minimum of once.
True
False

14. Fall through arise in the case of absence of break statement
True
False

15. Break statement is used to come out of only switch statement.
True
False

16. We can initialize only a single variable inside the for loop
True
False

17. The body of an empty for loop contains only a semicolon
True
False

18. While loop is an example for pre tested loop
True
False

19. Switch statement performs only equality comparisons
True
False

20. For loop should have atleast two semicolons inside its braces
True
False

LESSON PLAN

UNIT : SELECTION STATEMENT
STD : XI D
TIME : 40

DATE :16-11-2017
SUBJECT : INFORMATICS PRACTICES

LEARNING OUTCOMES	TEACHING AIDS	TOPIC AND RECORD OF WORK	REMARK
UNDERSTAND THE MULTIPLE BRANCH SELECTION STATEMENT OFFERED BY JAVA	PPT ROLE PLAY	BY CITING THE EXAMPLE OF COUNTING VOWELS IN A LINE OF TEXT THE CONCEPT OF SWITCH IS INTRODUCED TO THE STUDENTS A STUDENT DONS THE ROLE OF A VOWEL COUNTER EACH TIME A VOWEL IS ENCOUNTERED IN THE LINE HE INCREMENTS HIS COUNTER LOUDLY	
DEFINE SWITCH STATEMENT	PPT	A STUDENT IS MADE TO READ OUT THE DEFINITION LOUDLY	
RECOGNIZE THE SYNTAX OF SWITCH STATEMENT	PPT	SYNTAX POPS UP ON THE SMART BOARD	
GATHER KNOWLEDGE ABOUT THE MERITS AND DEMERITS OF SWITCH AND IF	PPT DEBATE	DEBATE IS CARRIED OUT FOR AND AGAINST IF STATEMENT AS WELL AS FOR AND AGAINST SELECTION STATEMENT	
COMPARE SWITCH AND IF SELECTION STATEMENTS	PPT GROUP WORK	STUDENTS ARE DIVIDED INTO 3 GROUPS OF 4, 4 AND 3 MEMBERS RESPECTIVELY AND MADE TO NOTE DOWN THE POINTS AND GROUP LEADER WILL COME AND READ OUT THE POINTS TO THE ENTIRE CLASS	
REINFORCE THE SELECTION STATEMENTS	PPT ROLE PLAY	TWO STUDENTS DON THE ROLE OF IF AND SWITCH AND READ OUT LOUDLY WHAT THEY CAN PERFORM	
RECAP	PPT	ELICIT ALL THE MAIN POINTS DISCUSSED IN THE CLASS

Hello Suma

Many thanks for sharing your work with me-I enjoyed reading it.

You are clearly a highly enthusiastic and committed teacher of IT and this comes through your work. I think a real strength of yours is the evidence you gathered from colleagues and students.

Could you give more thought to sharing your findings with your Partner schools?

Very best of luck in the future!

AROUND THE CITY

GTA for Rajagiri Teacher

Suma Paul

Kochi: Rajagiri Public School teacher Suma Paul has been awarded the Global Teacher Accreditation (GTA), with a Grade 'C' or commendation. She had selected the topic, 'The metamorphosis of the nightmare towards computer programming in a novice programmer into delightful learning.' She submitted a 3000-word Action Research paper, supported by evidence and a plan to the Cambridge Education Foundation (CEF)on May 31. Her grade indicates that she exceeded expectations; all criteria have been fully addressed at a consistently high standard. The GTAwas initiated by CEF under the Global School Partnerships programme of the British Council.

NEWSPAPER REPORTS

Nat'l award for Rajagiri teacher

DC CORRESPONDENT
KOCHI, NOV 19

Suma Paul

Suma Paul, Post Graduate Teacher, Computer Science, Rajagiri Public School, Kalamassery, who recently won the CBSE Teachers Award 2017, has now been awarded National Award for Teachers for use of ICT in Education. She is among three CBSE teachers who have won the award nationally. The award is given every year to motivate the teachers and teacher educators for innovative use of ICT in teaching-learning.

Out of the 116 participants nominated for the award by 39 States, Union Territories and Autonomous Bodies, 103 attended a workshop for selection. As per the guidelines, the meeting of the awards committee for identifying the awardee teachers was held at CIET-NCERT from 23rd to 27th April, 2018.

Suma Paul was shortlisted as one of the six candidates from CBSE by Director (Academics, Research, Training and Innovation) Central Board of Secondary Education (CBSE), New Delhi. She did her presentation before the jury on 19th April this year. The jury comprised Prof. Brijnikish Sengupta, Director NCERT, Dr. Anurendra Behera, Joint Director, NCERT, Mr. Balbir Singh, under secretary, MHRD, Dr. Amaresh Kumar DDG (NIC), MHRD, Prof. Nagarjuna, G., Homi Bhabha for Science Education, Tata Institute of Fundamental Research (TIFR), Prof. M.U. Regional Institute of Education, Mysore (RIE). A total of

awardee teachers were selected by the jury from different state boards, CBSE, KVs and other boards. The result of National ICT award for school teachers was declared in November 2018.

The winning teachers would be awarded a) A laptop b) A silver medal c) EXPEYES Kit of IUAC (an autonomous organization under UGC), d)A set of 10 DVDs from CIET (containing multimedia, school QS and FOSS software) e) and a commendation certificate. The Union HRD Minister will give away the award in a ceremony organized by NCERT.

parts Director NCERT, Dr. Anurendra Behera, Joint Director, NCERT, Mr. Balbir Singh, under secretary, MHRD, Dr. Amaresh Kumar DDG (NIC), MHRD, Prof. Nagarjuna, G., Homi Bhabha for Science Education, Tata Institute of Fundamental Research (TIFR), Prof. M.U. Regional Institute of Education, Mysore (RIE). A total of

and Diving Schools, was organised during the visit, to make the school children aware of various equipment used by the Navy. The exhibits included dummy bombs, rocket launchers, safety equipment, diving equipment, models of ships, robots and models depicting seamanship procedures. They were also provided a guided tour of the Naval Air Station, INS Garuda. They were also treated to a flying display by the naval aircraft.

The high point of the visit, however, was a "continuity drill" performed by the sailors of INS Dronacharya. In this drill, the squad is required to execute a series of precise drill movements in unison, without a single word of
