The screenshot shows the Exam.net website interface. At the top left is the Exam.net logo and a language selector set to "English". At the top right are navigation links: "REMOTE EXAMINATIONS, PRICING AND MORE INFO", "ABOUT US", "PRESS", and "SUPPORT". A search dropdown menu is open, displaying a list of schools: "the sanskarvalley school (BHOPAL)", "Tooryanaad -Maulana Azad National Institute of Technology (Bhopal City)", "Tooryanaad Aahvan (Bhopal City)", "tts (bhopal)", "Tulsan Education Hub (Bhopal)", "Vibrant india (Bhopal)", and "YBRANT (BHOPAL)". Below the list is a dark blue button with the text "Click here to add a new school", which is highlighted by a red arrow. At the bottom left of the dropdown is a link "Back to sign in" and at the bottom right is a "REGISTER" button. A cookie consent banner is visible at the very bottom of the page, stating "This website uses cookies to improve the user experience. Read more here. By continuing to use Exam.net, you agree to this." with an "OK" button.

# स्टेप 8: आपको एक फॉर्म मिलेगा। इसे भरें और Exam.net के लिए अपना पासवर्ड बनाएं और रजिस्टर पर क्लिक करें

The image shows a screenshot of the Exam.net website's registration page for teachers. The page has a dark blue header with the Exam.net logo on the left, a language selector set to 'English', and navigation links for 'Register teacher', 'Remote Examinations, Pricing and More Info', 'About Us', 'Press', and 'Support'. The main content area is white and contains a registration form with the following fields: a dropdown menu for 'Country' (set to 'India'), a dropdown menu for 'City' (set to 'Bhopal'), a dropdown menu for 'School' (set to 'THE ICONIC SCHOOL (BHOPAL)'), two text input fields for 'First name' and 'Last name', a text input field for 'Email', a text input field for 'Password', and a text input field for 'Confirm your password'. Below the form is a checkbox labeled 'Accept our user terms and our privacy policy.' At the bottom of the page, there is a cookie consent banner that reads: 'This website uses cookies to improve the user experience. Read more here. By continuing to use Exam.net, you agree to this.' with an 'OK' button. The Windows taskbar is visible at the bottom of the screen.

# अब, आप कक्षा और परीक्षा बनाने के लिए तैयार हैं

The screenshot displays the Exam.net 'My Exams' dashboard. At the top, there is a navigation bar with the Exam.net logo and several menu items: 'New exam', 'Exam list', 'Surveillance / Results', 'My school', 'Profile', 'Sign out', and 'Support'. The user's email address 'principal@conicschool.in' is visible in the top right corner. Below the navigation bar, there is a search icon and a 'My Exams' section. This section contains a table with the following data:

Exam name	Exam key	Created	Status	Open/closed	
Physics 12 PA-1	fu5RP4	2020-06-24		<input type="checkbox"/>	

Below the table, there is a 'New Exam' button and a 'Create New Group' button. The Windows taskbar is visible at the bottom of the screen.

### Anonymize exam

Students' identities are replaced by unique codes, and you may reveal the identities after grading the exams.

[How does this work?](#)

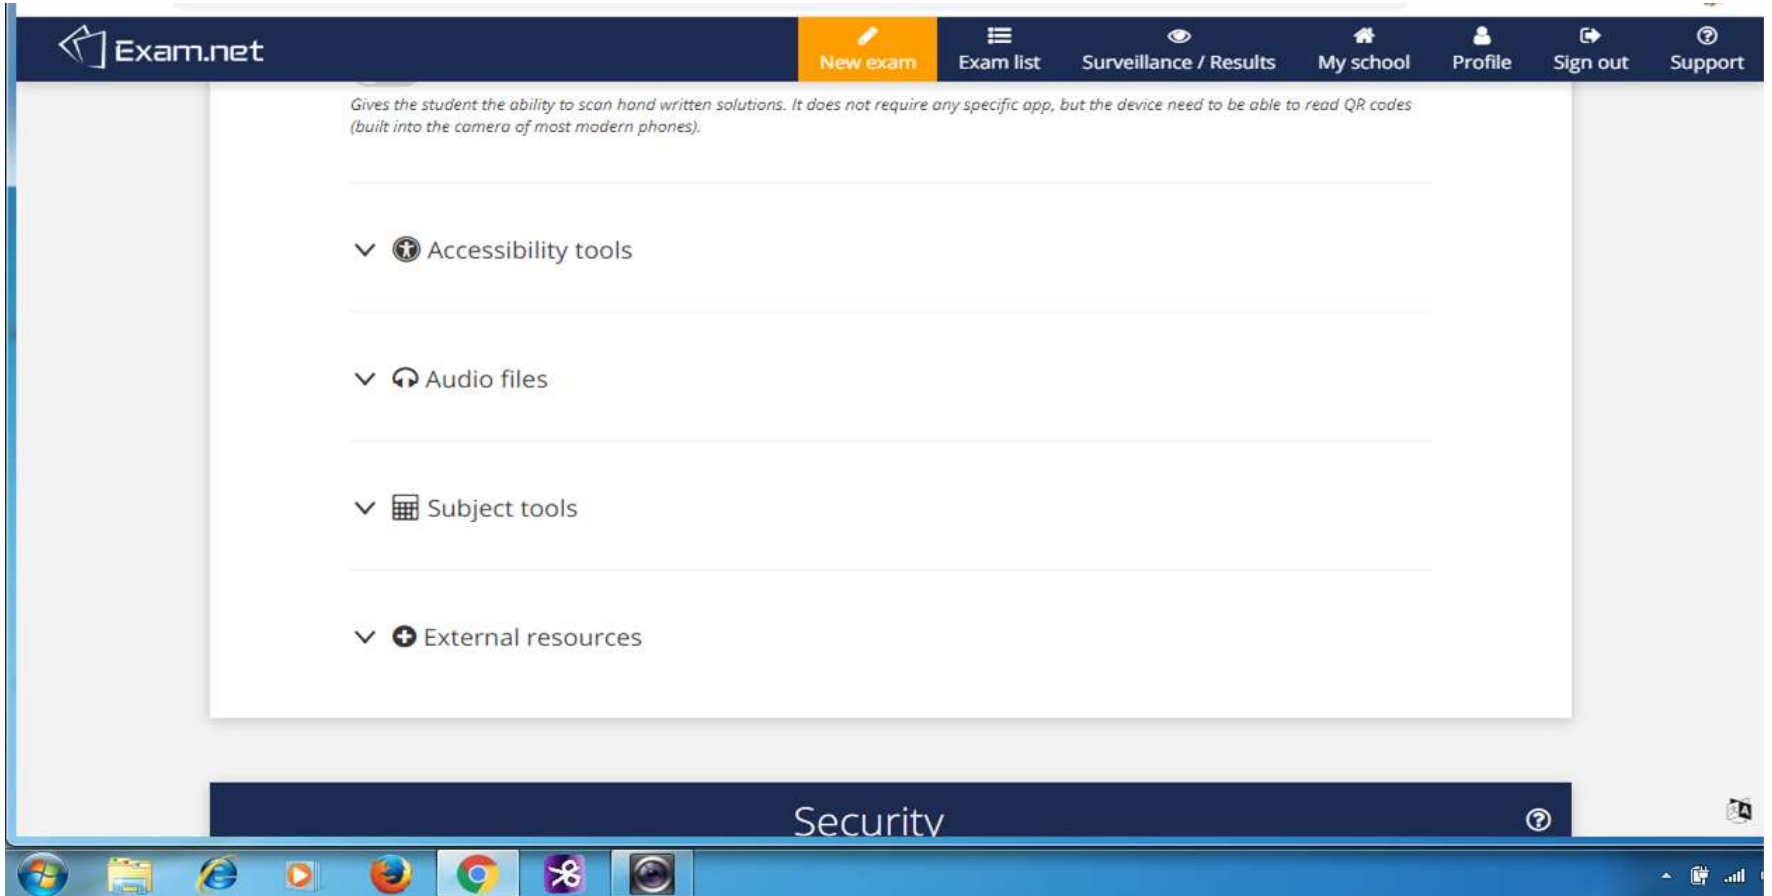

# छात्रों के कार्यक्षेत्र के लिए विकल्प

The screenshot shows the Exam.net Student Workspace settings page. The top navigation bar includes the Exam.net logo and several menu items: 'New exam' (highlighted in orange), 'Exam list', 'Surveillance / Results', 'My school', 'Profile', 'Sign out', and 'Support'. The main content area is titled 'Student Workspace' and contains three settings sections:

- Writing area:** A green toggle switch is turned on. Below it, the text reads 'The student is given an area to write answers in.' To the right, there is a link that says 'Limit the number of words'.
- Spell check:** A dropdown menu is set to 'No'. Below it, the text reads 'Checks the spelling and gives suggestions to misspelled words.'
- Scan hand written solutions with a mobile phone:** A grey toggle switch is turned off. Below it, the text reads 'Gives the student the ability to scan hand written solutions. It does not require any specific app, but the device need to be able to read QR codes (built into the camera of most modern phones).'

The Windows taskbar at the bottom shows icons for the Start menu, File Explorer, Microsoft Edge, VLC media player, Google Chrome, a purple application icon, and a camera icon. System tray icons for network, volume, and power are visible on the right.

# परीक्षा के दौरान छात्रों को दिए जाने वाले उपकरणों का चयन करें

The screenshot displays the Exam.net web interface. At the top, a dark blue navigation bar contains the Exam.net logo on the left and several menu items on the right: 'New exam' (highlighted in orange), 'Exam list', 'Surveillance / Results', 'My school', 'Profile', 'Sign out', and 'Support'. Below the navigation bar, a white content area features a descriptive text: 'Gives the student the ability to scan hand written solutions. It does not require any specific app, but the device need to be able to read QR codes (built into the camera of most modern phones)'. Underneath this text is a list of four expandable tool categories, each with a downward arrow and a small icon: 'Accessibility tools' (with a person icon), 'Audio files' (with a speaker icon), 'Subject tools' (with a grid icon), and 'External resources' (with a plus icon). At the bottom of the interface, a dark blue bar labeled 'Security' is visible, along with a Windows taskbar at the very bottom showing various application icons and system tray icons.

Security

# Accessibility tools

## Accessibility tools

### Allow translation help

*Gives the student access to translation help for sentences or single words, in many languages.*

### English synonyms

*Enables the student to get synonyms for English words.*

### Speech synthesis

*Gives option to read aloud text which is part of the exam or text that the student produces. Note that images and PDF-files can't be read but only material which is provided as text.*

*This activates the function for all students. You may also activate it individually during exam surveillance.*

# Audio tools

New examExam listSurveillance / ResultsMy schoolProfileSign outSupport

---

## Audio files

*Using a USB-stick during the exam*

Using this options you will be able to put a USB-stick into the student's computer and add the audio file during the exam. This of course requires a USB-port on the student's device.

---

## Add audio files

*Add audio files in advance*

[New audio file](#)

---

## Activate audio files for all students

*If you keep this deactivated, you may still activate it on an individual basis for selected students when monitoring the exam.*

## Subject tools

## Drawing tool

[Add background image](#)

Gives the student a tool to draw pictures which may be attached to their solution.

## Calculator

Gives the student access to a calculator.

## GeoGebra

GeoGebra is a mathematics tool with both graphing- and algebra capabilities.

## Desmos

Desmos is a tool for constructing and studying mathematical graphs.

## Mathematics formulas

You can add custom documents under Accessibility tools.

## &lt;/&gt; Programming

Gives the student programming tools in JavaScript and Python

## External resources

# छात्र के लिए: शिक्षक द्वारा साझा की जाने वाली परीक्षा कुंजी (KEY) दर्ज करें

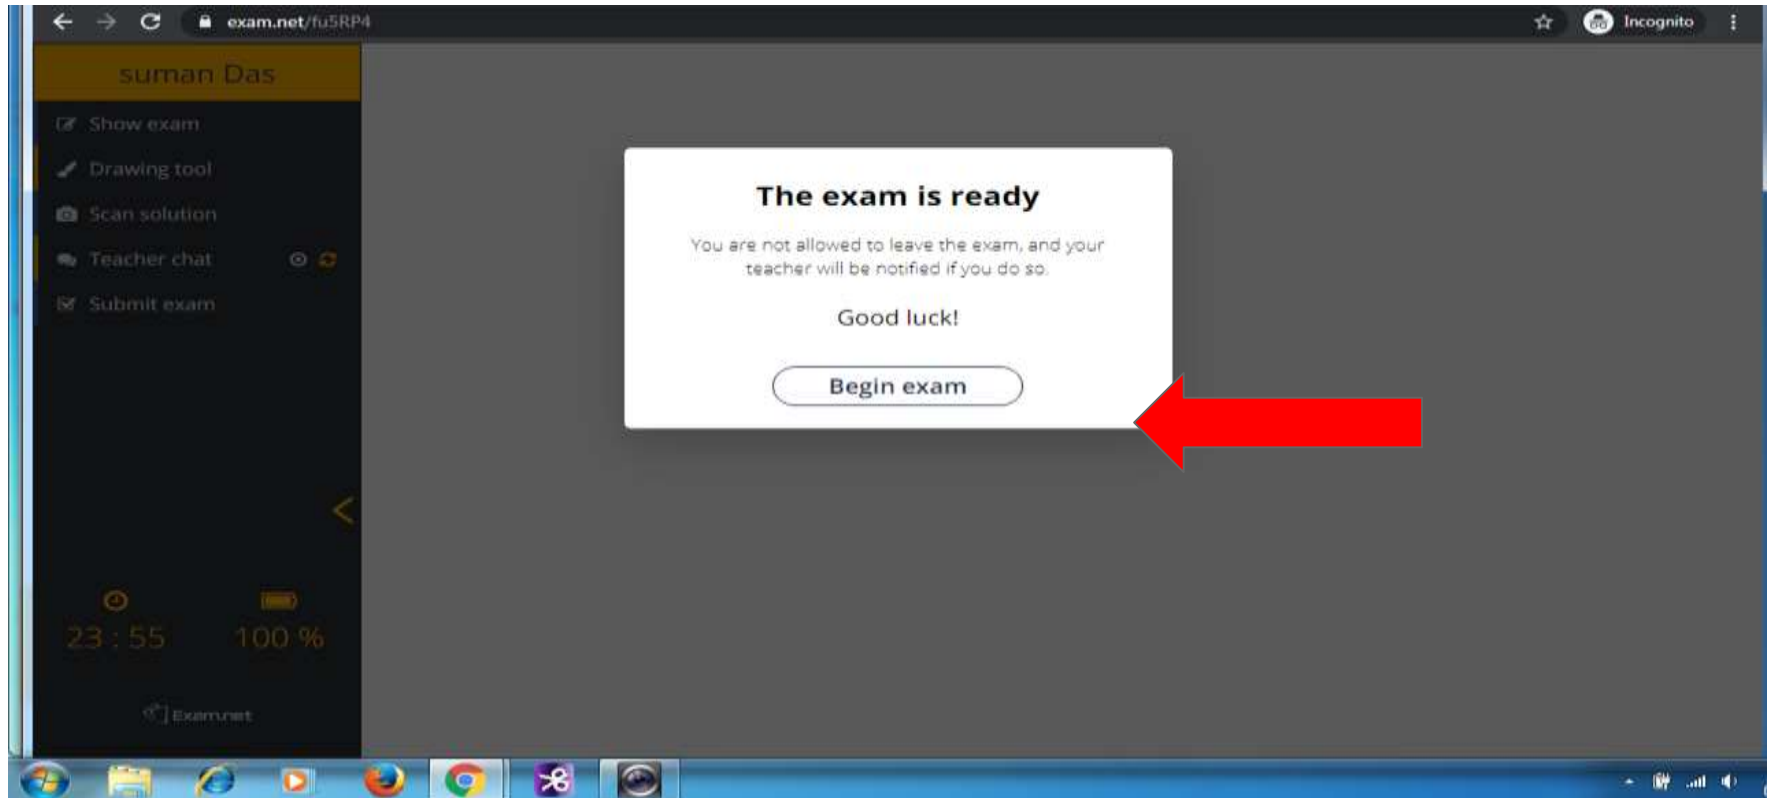

The screenshot shows the Exam.net website interface. At the top left, the logo "Exam.net" is displayed next to a language selector set to "English". On the top right, there are navigation links: "REMOTE EXAMINATIONS, PRICING AND MORE INFO", "ABOUT US", "PRESS", and "SUPPORT". The main content area features a login form with two tabs: "Student" (selected) and "Teacher". Below the "Student" tab, there is a graduation cap icon followed by the text "Student". A text input field contains the placeholder "Enter exam key". To the right of the input field is a dark blue button labeled "NEXT". A large red arrow points from the right side of the screen towards the "NEXT" button. At the bottom of the page, there is a cookie consent message: "This website uses cookies to improve the user experience. [Read more here.](#) By continuing to use Exam.net, you agree to this." Below the message is an "OK" button. The browser's address bar shows "https://exam.net/#press". The Windows taskbar is visible at the very bottom of the image.

छात्र के लिए: विवरण भरें और परीक्षा लाने पर क्लिक करें

The image shows a screenshot of the Exam.net website in a web browser. The browser's address bar shows 'exam.net'. The website header includes the Exam.net logo, a language selector set to 'English', and navigation links for 'REMOTE EXAMINATIONS, PRICING AND MORE INFO', 'ABOUT US', 'PRESS', and 'SUPPORT'. The main content area has two tabs: 'Student' and 'Teacher', with 'Teacher' currently selected. Below the tabs, there is a 'Student' section with a graduation cap icon. A text input field contains 'fu5RP4' and a 'CHANGE' button with a checkmark. Below this are three more text input fields labeled 'First name', 'Last name', and 'Class'. At the bottom of the form is a large blue button labeled 'FETCH THE EXAM'. A red arrow points to this button from the right side of the screen. At the very bottom of the page, there is a small disclaimer: 'Please enter some information about yourself. To read more about why we need your personal data, click here. This website uses cookies to improve the user experience. Read cookie policy. By continuing to use Exam.net, you agree to this.' and an 'OK' button. The Windows taskbar is visible at the bottom of the browser window, showing the time as 23:54 on 02-09-2020.

# छात्र के लिए: परीक्षा तैयार है

The screenshot shows a web browser window with the URL `exam.net/fu5RP4`. The user is identified as **suman Das**. A central white notification box displays the following text:

**The exam is ready**  
You are not allowed to leave the exam, and your teacher will be notified if you do so.  
Good luck!  
[Begin exam](#)

A large red arrow points to the **Begin exam** button. The left sidebar contains navigation options: Show exam, Drawing tool, Scan solution, Teacher chat, and Submit exam. At the bottom left, a timer shows `23:55` and a progress indicator shows `100%`. The Windows taskbar is visible at the bottom of the screen.

छात्र के लिए: अब लिख सकते हैं और स्कैन कर सकते हैं

The screenshot shows a mobile application interface for an exam. At the top, the user's name 'suman Das' is displayed in a yellow header. Below this is a dark sidebar menu with several options: 'Show exam' (checked), 'Drawing tool', 'Scan solution', 'Teacher chat', and 'Submit exam'. The main content area displays two questions: '1. What is a circuit?' and '2. Draw ohm's law circuit.'. Below the questions is a horizontal toolbar with various icons for text formatting and drawing. At the bottom of the screen, there is a status bar showing a timer at '23:56' and a battery level at '100%'. A large red arrow points to the right side of the main content area, indicating the space for writing answers.
