Genesis:

PM eVidya is a comprehensive initiative under the Department of School Education and Literacy, Ministry of Education, Government of India (GoI). It was introduced as part of *Atma Nirbhar Bharat Abhiyaan* on 17th May 2020, to unify all digital/online/on-air education efforts. PM eVIDYA enables multi-modal access to education with the aim to benefit more than 26 crore school-going children across the country.

PM eVidya 200 DTH TV Channels

On 1 February 2022, in the budget speech, the Government of India announced 200 PM eVidya DTH TV Channels for school and teacher education that were formally launched on 9th March 2024 by the Hon'ble Minister of Education, GoI. These channels aim to cater to the educational needs of learners in various Indian languages and based on the curriculum of States/Union Territories (UTs)/Autonomous Bodies (ABs).

PM eVIDYA DTH TV Channels for school education are designed to achieve the five cardinal principles of National Education Policy 2020 viz., access, equity, quality affordability and accountability in education.

Access

PM eVidya DTH TV Channels enable learners from every corner of the country to access quality eContent.

Equity

PM eVidya DTH TV Channels telecast videos in Hindi, English, Indian Sign Language and other Indian Language keeping in mind the diversity of learners of the country.

Quality

PM eVidya DTH TV Channels telecast quality educational video programs with an appropriate integration of content pedagogy and technology

Affordability

PM eVidya DTH TV Channels are free to access through the DD Free Dish/Dish TV platform on TV. Also available through PM eVidya Mobile App, Waves OTT and Jio TV app.

Accountability

PM eVidya DTH TV Channels ensure authentic and standard learning resources for the learners of the country.
