

About PM eVidya Mobile App

The PM eVidya Mobile App, developed by NCERT in collaboration with BISAG-N, is a unified national digital platform that brings together diverse learning resources to promote equitable, inclusive, and quality education across India. In alignment with the National Education Policy (NEP) 2020, the app serves students, teachers, teacher educators, parents, and the general public engaged in school and teacher education.

Freely available on Android and iOS, the app integrates key platforms such as DIKSHA, SWAYAM, SWAYAM Prabha, SATHEE, 200 PM eVidya DTH TV Channels (including Indian Sign Language content), Community Radio, i-Radio, and Podcasts. It also includes dedicated content for Children with Special Needs (CWSN).

By bridging the digital divide, the PM eVidya Mobile App plays a pivotal role in building a resilient, coherent, and future-ready education ecosystem, ensuring that no learner is left behind, regardless of location or socio-economic background.

This app can be downloaded freely from:

Google Play Store:

<https://play.google.com/store/apps/details?id=gov.in>

Apple App Store:

<https://apps.apple.com/in/app/pm-evidya/id6746432378>

Integrated Vertical Components

The app consolidates multiple platforms under PM eVidya:

DIKSHA: Interactive learning for students and teachers.

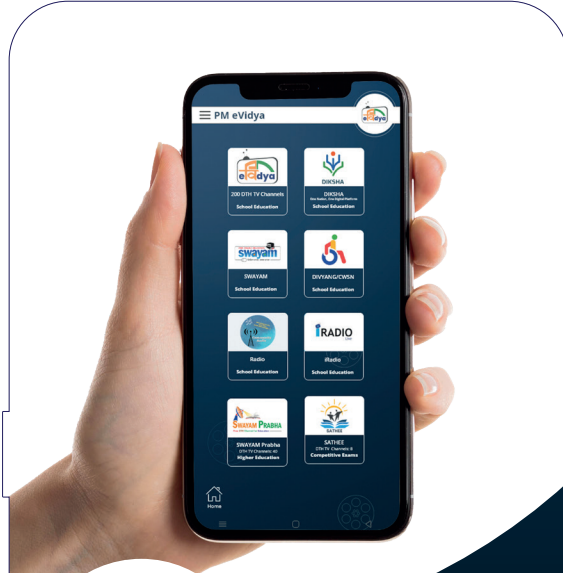

200 DTH TV Channels: Class-wise live TV with schedules, ratings, and sharing options.

SWAYAM & SWAYAM Prabha: Online courses and 40+ DTH educational channels.

SATHEE: Personalized exam preparation.

Community Radio, iRadio & Podcasts: Audio-based learning for remote areas.

e-Content for Divyang (CWSN): Accessible content for learners with special needs.

Key Features of the Mobile Application

User Experience: Smart search, multilingual content, and filters.

Feedback Tools: Star ratings, feedback forms, and email support.

Offline Access: Downloadable video content and audio resources.

Communication Support: IVRS for learner help and mental health (Manodarpan).

Sharing & Social Integration: Shareable content and updates via social media.
