## From the **Joint Director's Desk**

I am happy to share the details of various programs organized by CIET during the quarter from July to September.

Pursuant to the announcement of 200 DTH TV channels under PM eVidya, we signed formal agreements with most states/union territories/autonomous bodies for its implementation. We began the test run of PM eVidya 200 DTH TV channels allocated to various states/union territories, autonomous bodies in July. In order to ensure multi-modal dissemination of e-content, we also created a separate YouTube channel for each of the 200 DTH TV channel for simulcast of educational content over YouTube.

We organized many live interactive sessions under National Student Outreach Program, Listening to Learn (Science & Technology) to address queries of students across the country. Besides, live sessions for mental wellbeing of students were also conducted under Sahyog in this quarter. Live interactive sessions under PM eVidya were also held for classes 1-12 on diverse range of topics.

The DIKSHA portal was regularly updated with e-content in this quarter. Many energized textbooks of Classes 1 and Class 2 based on NEP-2020 and NCF-FS- 2022 were uploaded on DIKSHA. Besides, energized textbooks developed by states and union territories were also published on DIKSHA. We also organized an online training programme on

"Developing eContent for Teaching and Learning of Mathematics" from 21-25 August 2023. 11 students from colleges across the country completed their internship under the aegis of Planning and Research Division of CIET.

Regular meetings of the Academic Advisory Committee were held in this quarter in order to procure quality educational content. CIET also moderated visits by professionals and students from other organisations in its virtual labs and Experiential Learning Centre.

NCERT also celebrated its 63rd Foundation day on 1st September 2023 wherein it was announced to acquire the status of a Deemed University.

We will continue to keep our stakeholders updated about the diverse activities for educational technology that are being undertaken by our organization.

## Other Activities

CIET participated in the technology and Bhartiya Bhasha Summit held on 30<sup>th</sup> September-1<sup>st</sup> October 2023 at Dr Ambedkar International Centre. The summit was jointly organized by the Ministry of Education (MOE), Ministry of Skill Development and Entrepreneurship (MSDE), and their constituent institutions, such as the Central Institute of Indian Languages (CIIL), University Grants Commission (UGC), National Educational Technology Forum (NETF), All India Council for Technical Education (AICTE), National Centre for Vocational & Technical Education (NCVTE), National Council for Teachers Education (NCTE), Bharatiya Bhasha Samiti (BBS), and others. The stakeholders deliberated on ways to achieve the goals of NEP 2020 by using technology.

A new comic book 'Lets Move Forward' was launched on 29<sup>th</sup> August 2023 by Honorable Minister for Education Shri Dharmendra Pradhan at Kaushal Bhawan, New Delhi. Officials in attendance included those from Ministry of education and UNESCO. The book focused on holistic well-being of students.DTH Live Telecast (Cumulative Record as on 30 June 2023)
