1. INTRODUCTION

1.1 Background of PM eVidya Initiative

The 'PM evidya' initiative was announced by the Hon'ble Finance Minister, Government of India (GoI) on 17th May, 2020 as part of *Atma Nirbhar Bharat Abhiyaan* or Self-Reliant India Movement announced by the Hon'ble Prime Minister on 12th May 2020. This initiative is aimed at unifying all efforts related to digital/online/on-air education to enable multi-mode access to education as well as coherent access with DIKSHA platform to ensure quality education accessible to all the learners of the country in various languages of India. Building on the success of the 12 PM eVIDYA DTH TV Channels, the Government of India decided to expand the PM eVIDYA programme of 'One Class, One Channel' from 12 to 200 TV channels during the Union Budget 2022-23 announcement on 1st February 2022. The primary objectives were to bridge the digital divide and provide quality and engaging video contents to the learners in their mother tongues through multiple platforms, enabling children to overcome the digital barriers. The initiative was formally launched by Shri Dharmendra Pradhan, Hon'ble Union Minister of Education, GoI on 9th March, 2024.

The PM eVidya initiative closely aligns with the National Education Policy (NEP) 2020 vision for education in India by leveraging technology to enhance accessibility and quality of education. It aims to bridge the digital divide by overcoming digital barriers and enhancing learning opportunities for all thus providing equitable and quality education across India. Among key recommendations of NEP 2020, it advocates for the widespread use of technology in online and digital education to address equity concerns (para. 24.2). It also suggests leveraging existing mass media, including television and radio, to bridge the digital divide and reach populations with limited digital access (para. 24.4). The policy specifically recommends using satellite-based TV channels for adult education (para. 21.10) and Direct-to-Home (DTH) channels for telecasting programs to support early childhood education workers (para. 1.7).

The 200 PM eVidya DTH TV Channels provide a variety of educational contents to the learners with themes ranging from curricular content based on textbooks of States and NCERT to dance, drama, music, origami, yoga, storytelling, general awareness, and vocational education. It also provides scope to Autonomous Organisations such as NCERT (including PSSCIVE), CBSE, NVS, KVS, NIOS, MSDE, CICT and MoTA to telecast video contents developed by them and cater to their target learners. The curricular video contents are also available simultaneously on DIKSHA portal/app as part of the resilient, coherent and multi-modal strategy suggested by the National Education Policy (NEP) 2020. These channels are also being made available as simulcast on YouTube platform.

This groundbreaking program represents a significant shift in the country's approach to education, leveraging technology to bridge the digital divide and ensure continuity of learning across diverse socio-economic backgrounds. The initiative's inception was catalyzed by the unprecedented challenges posed by the COVID-19 pandemic, which led to widespread school closures and disrupted traditional educational paradigms. Recognizing the urgent need for an accessible, scalable solution, the Indian government introduced these 200 Direct-to-Home (DTH) television channels as a means to deliver quality education to millions of students, particularly those in remote and underserved areas where internet connectivity remains a challenge.

1.2 Objectives of PM eVidya 200 DTH TV Channels

- To bridge the digital divide and reach populations with limited digital access.
- To provide quality and engaging video contents to the learners in their mother tongues.
- To provide multimodal access and coherent access to learning resources.

1.3 Major Landmarks in the Development of PM eVidya Initiative

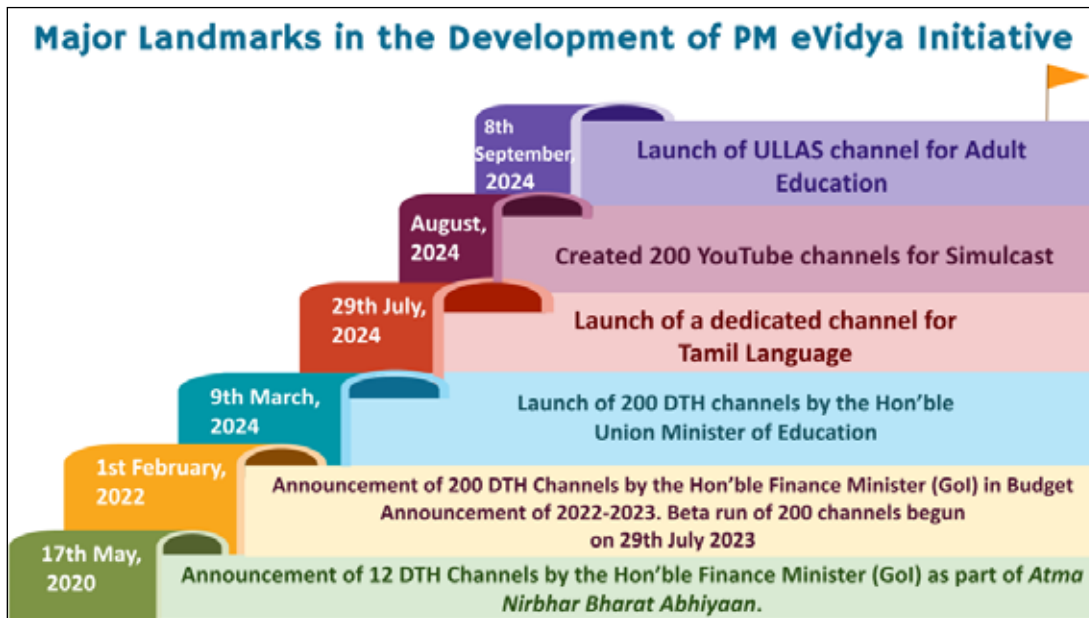

Image 1: Major Landmarks in the Development of PM eVidya Initiative

1.4 Major Achievements of PM eVidya DTH Initiative

- Developed Standard Operating Procedure (SOP) for DTH TV Channels for School Education and as per the recommendations of the Department of School Education and Literacy (DoSE&L), Ministry of Education, Government of India, Guidelines for the Development of Engaging eContent for Educational TV and shared with the stakeholders from States/UTs/Organisations.
- Out of 200, 186 DTH TV Channels have been allocated to 28 States, 7 UTs and 8 ABs.
- Memorandum of Understanding (MOU) between the 40 participating States/UTs/ABs and NCERT out of the 42 entities has been signed. The coordination with Tamil Nadu is under process.
- As a part of this initiative, a dedicated DTH TV channel (Channel no. 34) learning Tamil language has been launched on 29th July, 2024 by Dr. Sukanta Majumdar, Hon'ble Minister of State for Education and Development of North Eastern Region, Government of India and Shri Jayant Chaudhary, Hon'ble Minister of State (Independent Charge) for Skill Development & Entrepreneurship and Minister of State for Education, Government of India.
- Under PM eVIDYA initiative, CIET-NCERT has produced as well as processed more than 7,100 video content in its in-house production, including NIE, PSSCIVE and RIEs. CIET has produced more than 7,100 video programs, 4,247 ISL programmes and 4,770 audiobook chapters have been developed. In addition

to the in-house production, CIET-NCERT has also procured, vetted and managed more than 15,979 video contents for transmission from other organizations e.g., RILM, NIOS, CBSE, KVS etc. Over 9,848 live shows have been broadcast under the PM eVIDYA initiative. Beginning with a limited number of eContents available for the telecast, PM eVIDYA 12 DTH Channels' telecast has increased to 2.5 to 3 hours (for classes 1-9 and 10-12, respectively) telecast of fresh eContents. This also includes the inclusion of eContents for DIVYANG in Indian Sign Language.

- Under PM eVidya 200 DTH TV Channels initiative, 27 States, 07 UTs, and 08 ABs are contributing with 43,685, 6,185 and 24,019 number of eContent respectively. A total of 73,889 Video Contents equals 23,518 hours of telecast received by States/UTs/ABs in 29 languages till date.
- Simultaneous live streaming of the DTH Channels on 200 dedicated YouTube channels is being carried out and its expansion is under process.
- As part of coherence, the content coverage of PM eVIDYA on DIKSHA has now been made as 100% both in Hindi as well as English mediums.
- In addition, NCERT broadcasts its audio eContent through 400 radio stations (11 GyanVani FM Radio Stations, 257 Community Radio Stations and 132 All India Radio Stations) including Podcasts on iRadio and JioSaavn Mobile apps. More than 4,476 pieces of curriculum-based radio programmes (Classes 1-12) have been disseminated for broadcast and more than 5,737 Live Programs have been broadcast through iRadio and JioSaavn apps.
- PM eVIDYA DTH TV Channels initiative has also developed and deployed a feedback mechanism by offering 14 channel wise email IDs for the learners to address their queries and also an IVRS system for receiving their feedback and queries. The total number of calls received and responded are 76,214 and the total number of emails received and responded are 1286 till 31st August, 2024.
- Comprehensive monitoring based on parameters for quality and engaging eContent for all allocated channels has been completed and monitoring reports have been shared with stakeholders. In addition, a regular monitoring mechanism is carried out for all the 200 DTH TV Channels and regular Review meetings with stakeholders are being held.
- A web page for PM eVIDYA has also been developed and maintained on CIET website (<https://ciet.ncert.gov.in/dth>). This webpage offers access to the month wise transmission schedules, including the day-wise timetable of the 12 channels. The transmission schedule is also shared with all states/UTs as part of dissemination.
- 200 PM eVIDYA DTH TV Channels are accessible on DD Free Dish and also available to access through the Jio TV app (12 channels) and similarly the audio eContent broadcast is available through JioSaavn App, Podcast/iRadio.
- CIET has developed a new series of programs in Social Sciences based on AR-VR and developing in Life Sciences, such as eContents on awareness & management of wetlands. A series of discussion-based experimental programmes have also been developed.
- Segregation of STEM content to facilitate coaching for Competitive Exams has been completed and shared with BISAG -N.
- eContent of other organizations such as National Science Centre are also being telecast on a regular basis and as part of coherence, are uploaded on DIKSHA as well.
- A dipstick survey has been conducted by CIET, NCERT to assess the efficacy of educational TV in India.

- Two phases of orientation programs at BISAG-N, Gandhinagar and subsequently 7 phases of Training Programs for Subject Matter Experts and Channel Coordinators and 6 phases of Capacity Building programmes for quality eContent development have been organised .
- Multi modal advocacy over print media and social media is being carried out.
- Development of PM eVidya Mobile app and Web portal for content management is under development.

2. PURPOSE OF THE STUDY

The Department of School Education and Literacy (DoSE&L), Ministry of Education, GoI, recommended to critically analyze the utilization of PM eVidya DTH TV Channels by States, UTs and ABs. This was in continuance with the monitoring process undertaken during the period between March- May 2024, for which detailed reports were already shared with the stakeholders (https://ciet.ncert.gov.in/storage/app/public/files/19/Transmission_Schedule/Monitoring_Report_2024.pdf). In response, a detailed analysis of the utilization of PM eVidya DTH TV Channels has been done from the period between April to July 2024. Thus, the purpose of this study was to conduct a detailed analysis of the usage of PM eVidya 200 DTH channels allocated to States, Union Territories, and Autonomous Bodies in India. By examining key parameters such as scope of the Content telecast, classes catered, medium of instruction, econtent sources, eContent contribution, Simulcast on YouTube, VIS updating, preparation of transmission schedule, and advocacy efforts, the study aims to provide a holistic understanding of the initiative's effectiveness. This analysis will identify strengths, weaknesses, and opportunities for improvement in the program's implementation, offering valuable insights for policymakers, educators, and stakeholders to enhance the impact of this digital learning platform. Thus, the study seeks to contribute to the advancement of education in India through technology-enabled learning, ensuring that the PM eVidya DTH channels are optimally utilized to meet the diverse educational needs across the country

3. OBJECTIVES OF THE STUDY

1. To analyze the usage of 200 PM eVidya DTH channels.
2. To gauge the actions taken by stakeholders to maintain the quality parameters of 200 PM eVidya DTH TV channels.
3. To identify the issues and challenges faced by the stakeholders in utilizing these channels.
4. To study the relationship between eContent development and availability of resources.
5. To suggest improvements for better utilization of the channels.

4. METHODOLOGY

The study employs a mixed-methods approach, combining quantitative and qualitative research techniques to ensure a comprehensive evaluation of the PM eVidya 200 DTH TV channels initiative. The data has been collected from the stakeholders through questionnaires, monthly reports of e Content uploaded by States, UTs, and ABs on the Media Gathering Server (MGS) portal provided by BISAG-N, the Video Information Sheet (VIS) of channels allocated to states, UTs and ABs and observations during comprehensive monitoring of 200 DTH TV channels. The data was triangulated using the above-mentioned

sources- State, UT, AB, and BISAG-N. It is to be noted that the addition of Channel no.- 32 allocated to MoTA is a recent development, thus the data gathered on utilization does not represent data from the newly allocated channel/s. In addition, NCERT has been telecasting content related to teacher & adult education on Channel 14 till the month of September, the Channel was allocated to adult education (launch of Channel 14 as ULLAS) and is now showing eContent fully dedicated to adult education.

The subsequent section provides status of channel allocation, MoU and YouTube Channels for simulcast to provide a background for the analysis of the collected data from the stakeholders.

5. CHANNEL ALLOCATION, STATUS OF MEMORANDUM OF UNDER-STANDING (MOU), AND SIMULCAST ON YOUTUBE

5.1 Overview of Channel Allocation and Status of MoU

Under the 200 DTH TV Channel initiative, a total of 186 DTH channels have been allocated across 28 States, 7 Union Territories (UTs), and 8 Autonomous bodies by DoSEL, Ministry of Education, GoI. The distribution reflects a widespread effort to provide educational content across India. Table 1(a) represents an overview of PM eVidya DTH Channel allocation to ABs, UTs and States including the status of MoU signed between NCERT and the stakeholder (AB/UT/State).

According to the Table 1(a), among ABs, NCERT has 14 DTH channels, in which it covers school education in 12 DTH channels under ‘One Class One Channel’ digital initiative and two other DTH channels are dedicated to vocational education (DD PM eVIDYA NCERT 13) and adult education (DD PM eVIDYA ULLAS 14). Other seven ABs include- CBSE(Central Board of School Education), KVS (Kendriya Vidyalaya Samiti), NIOS(National Institute of Open School), NVS(Navodaya Vidyalaya Samiti), CICT (Centre Institute of Classical Tamil), MoSDE (Ministry of Skill Development and Entrepreneurship) & MoTA (Ministry of Tribal Affairs). Among them, CBSE, KVS and NVS have one channel each, while NIOS is given four PM eVidya DTH channels while MoSDE has six PM eVidya DTH channels. Recently, one channel was allocated to CICT and one channel to the MoTA. The autonomous bodies have been allocated a varied number of channels to cater to the specific educational needs of the learners. Further, NCERT being the nodal agency, MoU is signed between NCERT and six ABs till date to ensure the implementation of the PM eVidya digital initiative across the nation.

Table 1 (a): sStatus of Channel Allocation and MOUs across States, UTs, and Autonomous Bodies

S.No.	States/UTs/Institutions/ Autonomous Bodies	No. of DTH channels allotted	Channel Name	MoU Signed (Yes/ No)
1.	NCERT	14	DD PM eVIDYA NCERT 1-14	N.A.

Total allocated channels				186
Spare Channels				14
Grand Total				200

According to the above Table 1(a), among 7 UTs, except Jammu & Kashmir and Ladakh, one channel is allocated to each UT. Jammu & Kashmir and Ladakh are given five PM eVidya DTH channels each. The distribution shows a strategic focus on reaching diverse regions, including remote areas like Andaman and Nicobar Islands, Ladakh, and Lakshadweep, ensuring inclusive access to quality education. Among States, all, except Manipur and Mizoram, are given five channels each. Manipur, as the state requested, ten (10) channels are allocated while Mizoram has surrendered 3 channels out of five, thus having two (2) PM eVidya DTH channels.

Regarding the status of Memorandum of Understanding (MoU) signed by the stakeholders (42) with NCERT, among 41 entities (excluding NCERT, being the Central Nodal Organisation), 40 entities have signed MOU. The state of Tamil Nadu and MoTA are yet to sign the MoU.

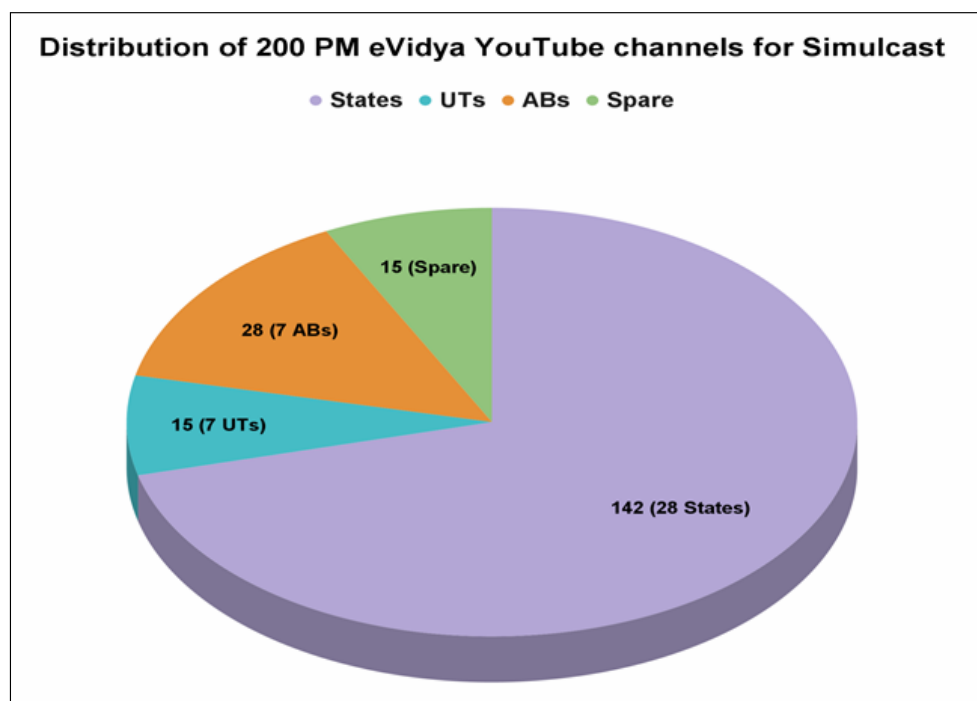

Table 1 (b): Distribution of PM eVidya DTH TV Channels among stakeholders

Distribution of PM eVidya DTH TV channels among Stakeholders		
Stakeholders	No. of allocated Channels	No. of Stakeholders
States	142	28
UTs	15	7
ABs	29	8
Total Allocated Channels	186	43
Spare	14	-
Grand Total	200	43

So far, out of 186 allocated channels, 142 channels have been allocated to 28 states, 15 channels have been allocated to 7 UTs and 29 channels have been allocated to 8 autonomous bodies, out of which 01 channel is dedicated for learning Tamil Language. Additionally, two (02) channels i.e. channel no. 199 and 200 among the spare channels are being used to telecast digital timetables for greater outreach of PM eVidya channels and easing the channel discovery. However, the remaining 14 channels are reserved for future use or expansion

5.2 Simulcast on YouTube

All 200 DTH channels under the PM eVidya initiative are now being simulcast on YouTube, significantly expanding their accessibility. The educational content broadcast on DTH TV channels allocated to 28 States, 7 Union Territories, and 8 Autonomous Bodies is also available on YouTube, with 142 channels dedicated to States, 15 to UTs, and 29 to Autonomous Bodies. This multi-platform approach ensures that the eContent reaches a broader audience, enhancing the initiative's impact on educational access for learners across the country.

**Fig. 1 : Distribution of YouTube Channels for Simulcast**

6. ANALYSIS

In order to understand the status of the progress made by the stakeholders in the management of the allocated PM eVidya DTH channels, the data received from different sources is triangulated and is being analyzed in the light of the objectives of the monitoring mechanism.

6.1 Objective 1: To analyze the usage of 200 PM eVidya DTH channels

The usage of PM eVidya 200 DTH channels here refers to the scope of the channel, stakeholders' contribution in - developing and procuring eContent from other organizations, telecasting eContent in the Indian languages, sources of eContent, maintenance of Video Information Sheet (VIS), maintenance of the telecast schedule and a weekly time table.

6.1.1 On the basis of the scope of the DTH TV channels

The scope of PM eVidya 200 DTH Channels is to supplement school education, vocational education, adult education and teacher education with quality eContent that is accessible to learners living in remote areas. The scope of PM eVidya 200 DTH Channels widens as television networks penetrate learners' homes, i.e., easily accessible in terms of cost, time and space. Table 2 projects the scope of PM eVidya DTH channels covered by all the stakeholders to increase the outreach of quality education provided under school education, adult education, teacher education, competitive examination focused, language education, Indian Sign Language (ISL) and vocational education to name a few.

Table 2: Scope of PM eVidya DTH Channels

Scope/ Category	Stakeholders			No. of Stakeholders
	ABs	UTs	States	
School Education	NCERT, KVS, NIOS, NVS(4)	Andaman and Nicobar Islands, Chandigarh, Dadra and Nagar Haveli and Daman and Diu, Jammu and Kashmir, Ladakh, Lakshadweep, Puducherry(7)	Andhra Pradesh, Arunachal Pradesh, Assam, Bihar, Chhattisgarh, Goa, Gujarat, Haryana, Himachal Pradesh, Jharkhand, Karnataka, Kerala, Madhya Pradesh, Maharashtra, Manipur, Meghalaya, Mizoram, Nagaland, Punjab, Rajasthan, Sikkim, Telangana, Tripura, Uttar Pradesh, Uttarakhand, West Bengal (26)	37

6.1.2 On the basis of the eContent Contribution

This subsection provides a description of the new eContent contributed by stakeholders for PM eVidya 200 DTH Channels. Data represents consistent efforts in developing new eContent in four months - April, May, June and July 2024. The increase in eContent developed/procured by stakeholders is assessed by taking the total number of videos/eContent developed till March 2024 and comparing it with the total number of developed/procured developed by the end of July 2024. Subsequent subsections represent the contribution by Autonomous bodies, followed by Union Territories (UTs) and then States in the same duration.

Table 3: Overview of eContent Contributed by Stakeholders across 200 PM eVidya DTH Channels

Sr. No.	Stakeholder	Month Wise eContent Contributed by States, UTs and ABs						
			Till March,2024	April, 2024	May, 2024	June, 2024	July, 2024	Total
1.	Autonomous Bodies	No. of Videos	16830	242	1066	718	983	19839
		Duration (in hrs)	3891:52:16	43:47:59	40:57:53	41:19:49	87:51:58	4105:49:55
2.	Union Territories	No. of Videos	5461	171	200	162	45	6039
		Duration (in hrs)	3751:00:50	25:13:19	19:02:02	6:38:39	11:28:19	3813:23:09
3.	States	No. of Videos	35432	596	1144	1225	1791	40188
		Duration (in hrs)	12836:36:06	262:06:28	222:51:29	371:02:46	605:10:11	14297:47:00
Grand Total		No. of Videos	57723	1009	2410	2105	2819	66066
		Duration (in hrs)	20479:29:12	331:07:46	282:51:24	419:01:14	704:30:28	22217:00:04

According to Table 3, among ABs, the total contribution to PM eVidya DTH Channels in the last four months- April, May, June and July 2024 has been tremendous, i.e., 3009 videos were added. The total number of videos developed by Autonomous Bodies increased from 16830 videos in the month of March to 19839 video programmes for PM eVidya DTH channels by the end of July 2024. However, organizations like NIOS need to pay attention to the development of eContent, as no video was produced by the organization during the mentioned time period.

According to the data, among UTs, the overall improvement is also praiseworthy, as 578 videos were added to the existing list of eContent in the last four months. So, the total number of videos increased from 5461 in the month of March to 6039 videos by the end of July 2024. It was also observed that UTs like Ladakh, Lakshadweep, Puducherry and Dadra Nagar Haveli and Daman & Diu could not contribute at all. It may be due to the existing issues and challenges being faced by the stakeholder (UTs) in eContent development, as shared during the review meeting held on 31st July 2024.

Further, among states, 4756 videos were added to the existing list of 35432 videos developed last till the month of March 2024. The contribution to the PM eVidya DTH channels by states now stands at 40188. The overall eContent contributed by 28 states, 7 UTs and 7 ABs is 66066 video programmes by the end of July 2024. In other words, PM eVIDYA DTH Channels have eContent of duration 22,217 hrs and 4 seconds, which is being telecast 24 * 7.

Subsequent subsection presents the status of econtent in the duration of four months (April-July 2024)

6.1.2.1 Autonomous body-wise Contribution of eContent

1. National Council of Educational Research and Training (NCERT)

NCERT has been proactively working to produce eContent to cater not only school education, but also vocational and teacher education. In this direction, the council is gradually yet consistently contributing via producing and procuring eContent for school education, vocational education and teacher education. In this section, each graph represents the channel's progress in contributing to the PM eVidya DTH channels in the last four months (till July 2024).

Sr. No.	Stake-holder	Channel Name	Month Wise eContent Contribution							
				Till March'24	April, 2024	May, 2024	June, 2024	July, 2024	Total Videos

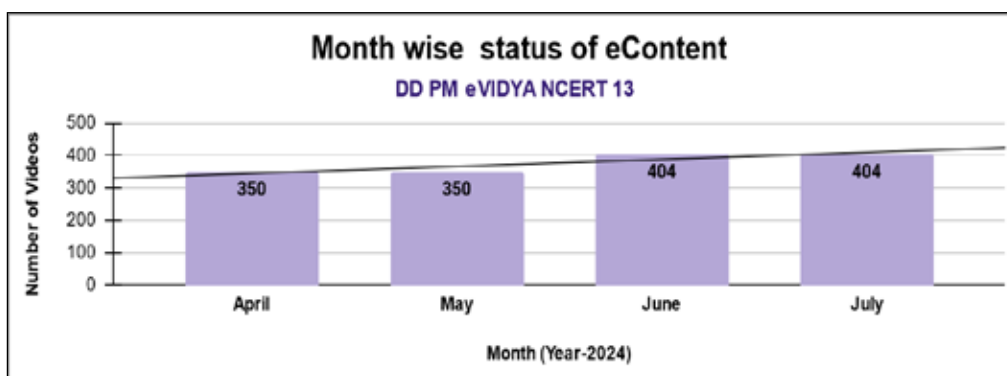

Fig.14 : Month wise Status of eContent for Channel- DD PM eVIDYA NCERT 13

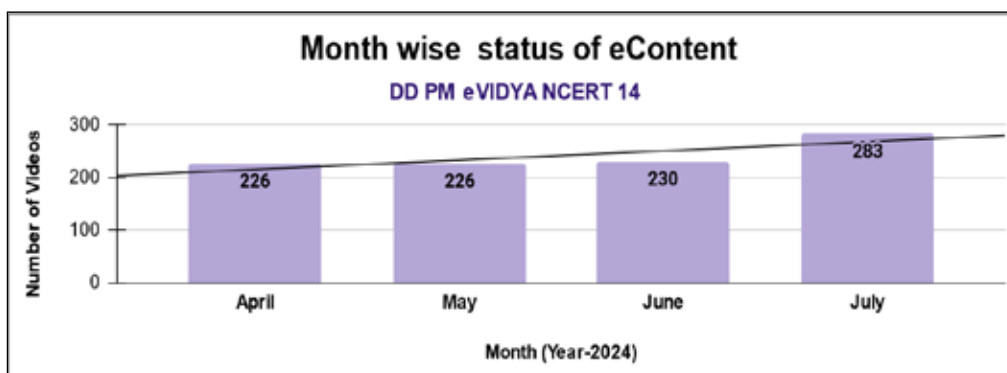

Fig.15 : Month wise Status of eContent for Channel- DD PM eVIDYA NCERT 14

From the above figures, it can be stated that NCERT has contributed immensely to the PM eVidya DTH Channels, in terms of the number of eContent for school education, vocational education and teacher/adult education. As the total eContent in the month of march, 2024 was 13,798 which later increased to 14,855, i.e., increase of 1057 new video programmes. In terms of duration, NCERT has eContent of 3056 hrs 23 minutes and 48 seconds.

2. Central Board of Secondary Education (CBSE)

Central Board of Secondary Education (CBSE) has been engaged in telecasting eContent on teacher education for DD PM eVIDYA CBSE 15 channel. It was observed that the stakeholder has contributed 77 new eContent to the existing 808 eContent at the end of March 2024 and making it to 885 by the end of July 2024. The organization has eContent of duration 76 hrs 6 minutes and 36 seconds.

Table 5: eContent Contributed by CBSE

Sr. No.	Stakeholder	Channel Name	Month Wise eContent Contribution						Total Videos
				Till March'24	April, 2024	May, 2024	June, 2024	July, 2024

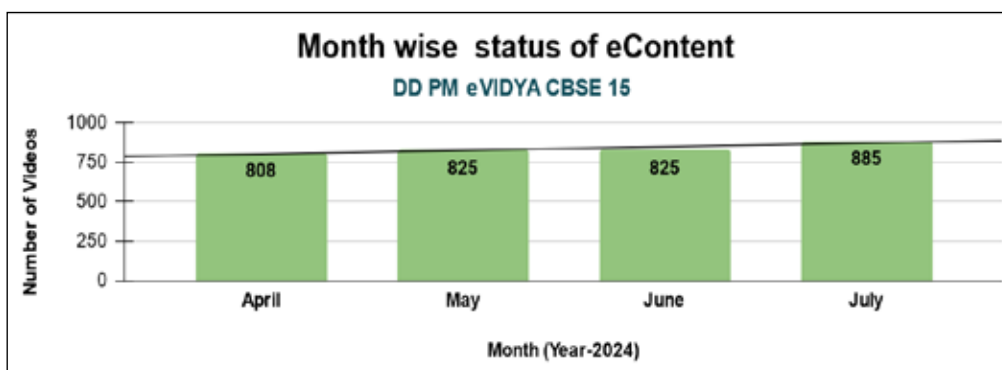

Fig.16 : Month wise Status of eContent for Channel- DD PM eVIDYA CBSE 15

3. Kendriya Vidyalaya Sangathan (KVS)

Kendriya Vidyalaya Sangathan has been proactively contributing eContent for the telecast on the allocated PM eVidya DTH channel. As observed from data (Fig. 17) the autonomous body has contributed 77 educational videos to the existing list of 808 eContent at the end of March 2024 and constituting it to 885 videos by the end of July 2024. The duration of the total eContent is of 49 hours 49 minutes and 32 seconds till the end of July 2024. It is expected that NIOS will proactively engage in developing new eContent for the allocated PM eVIDYA DTH Channels.

Table 6: eContent Contributed by KVS

4. National Institute of Open Schooling (NIOS)

The autonomous body has received four PM eVidya DTH channels- DD PM eVIDYA NIOS 17 to DDPM eVIDYA NIOS 20. It is observed that the status of eContent has remained unchanged during the four months period starting from April 2024 till the end of July 2024. Thus, the stakeholder has eContent of 613 hours 4 minutes and 46 seconds till

the end of July 2024. It is expected that NIOS will proactively engage in developing new eContent for the allocated PM eVIDYA DTH Channels.

5. Navodaya Vidyalaya Samiti (NVS)

According to Table 8, Navodaya Vidyalaya Samiti has contributed 57 videos to the existing list of 117 eContent available till the end of March 2024. The total eContent by the end of July 2024 with the organization is 174 videos for telecast on the allocated PM eVidya Channel- DDPM eVIDYA NVS 21. Thus, the organization has eContent of 46 hours 38 minutes and 45 seconds.

Table 8: eContent Contributed by NVS

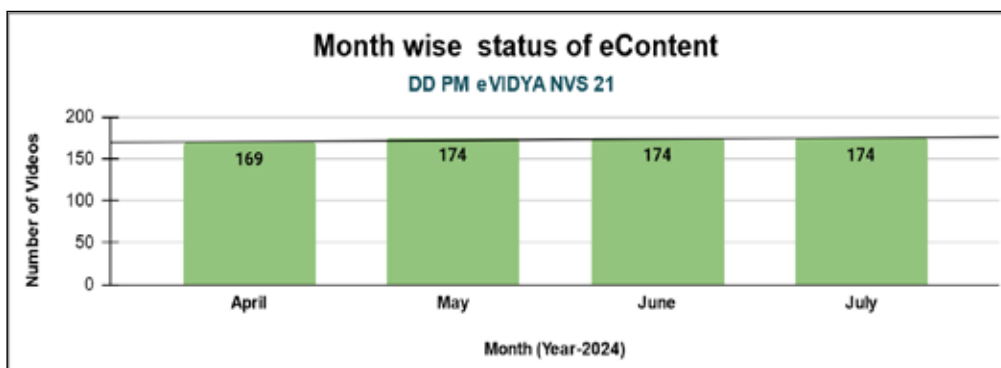

Fig.22 : Month wise Status of eContent for Channel- DD PM eVIDYA NVS 21

6. Ministry of Skill Development and Entrepreneurship

The autonomous body was given six PM eVidya DTH channels (DD PM eVIDYA MoSDE 22- DD PM eVIDYA MoSDE 27) but the organization has been utilizing only two PM eVidya DTH Channels. According to Table 9, the figure- only DDPM eVIDYA MoSDE 22 and DD PM eVIDYA MoSDE25 channels are being used with huge contributions made to both the channels. In DDPM eVIDYA MoSDE 22, there has been addition of 1367 videos for telecast, by increasing the number of eContent from 582 (towards the end of March 2024) to 1949 educational eContent by the end of July 2024. Similarly, in DD PM eVIDYA MoSDE 25, there has been addition of 388 eContent to the existing 529 eContent, at the end March 2024, and making it 917 educational eContent by the end of July 2024. In total, the organization has eContent of 244 hours 30 minutes and 44 seconds.

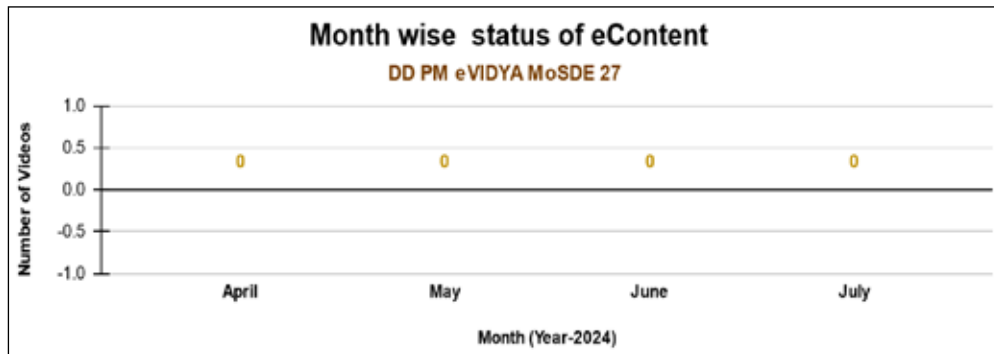

Fig.28 : Month wise Status of eContent for Channel- DD PM eVIDYA MoSDE 27

7. Central Institute for Classical Tamil (CICT)

CICT has recently signed a MoU with NCERT in the month of July, 2024. The organization had 18 educational videos, ready for telecast on PM eVIDYA channel- DD PM eVIDYA CICT 34. CICT is in the process of new eContent development. CICT had eContent with duration 19 hrs 15 minutes and 44 seconds, which is being telecast on the allocated channel.

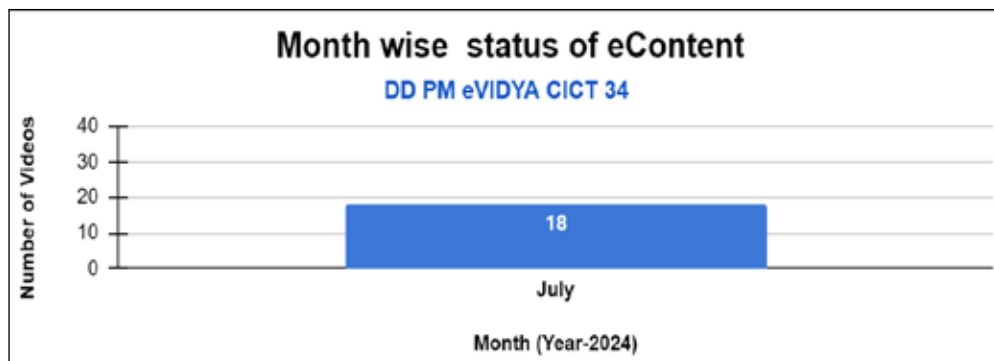

Fig.29 : Month wise Status of eContent for Channel- DD PM eVIDYA CICT 34

Table 10: eContent Contributed by CICT

Sr. No.	Stakeholder	Channel Name	Month Wise eContent Contribution						Total Videos
				Till March'24	April, 2024	May, 2024	June, 2024	July, 2024	
1.	Central Institute for Classical Tamil (CICT)	DD PM eVIDYA CICT 34	No. of Videos	-	-	-	-	18	18
			Duration (in hrs)	-	-	-	-	19:15:44	19:15:44

Overall, Data shows that there has been a significant increase in the number of videos contributed in the four months by all Autonomous Bodies (ABs) except NIOS and MoSDE. However, CBSE too needs to make more efforts in developing new content for learners. Organizations like KVS, MoSDE, NCERT and NVS have contributed intensively as shown in the figures above.

6.1.2.2 Union territory-wise Contribution of eContent

There are 15 PM eVIDYA DTH channels allocated to all Union Territories, except Delhi. It has been observed that mainly three UTs- Andaman & Nicobar Islands, Chandigarh and J&K have contributed to the existing eContent for PM eVidya DTH channels.

1. Andaman and Nicobar Islands

As shown in the figures, in Andaman and Nicobar Islands, 162 eContent contributed to the existing 1368 video programmes thus constituting it as 1530 eContent for telecast on DDPM eVIDYA AN 28 channel. In terms of duration of eContent, the UT has eContent of 538 hrs 49 minutes and 49 seconds.

Table 11: eContent Contributed by Andaman and Nicobar Islands

1.	Andaman and Nicobar Islands	DD PM eVIDYA AN 28	No. of Videos	1368	120	34	8	0	1530
			Duration (in hrs)	531:35:18	4:00:50	0:15:00	2:58:41	0:00:00	538:49:49

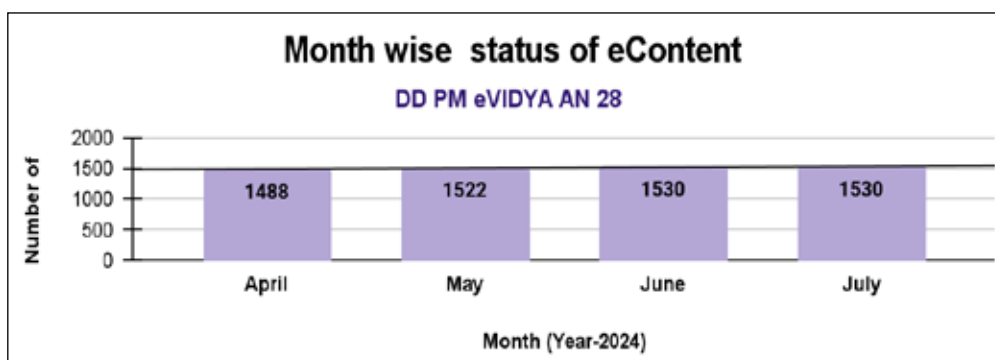

Fig.30 : Month wise Status of eContent for Channel- DD PM eVIDYA AN 28

2. Chandigarh

There was an improvement in the eContent procured by Chandigarh. There were 413 videos contributed to the existing list till March 2024, thus making it to 3143 video programmes for telecast on DD PM eVIDYA CH 29. The total duration of eContent with Chandigarh for telecast on the allocated PM eVidya DTH channel is 2790 hours 59 minutes and 39 seconds.

Table 12: eContent Contributed by Chandigarh

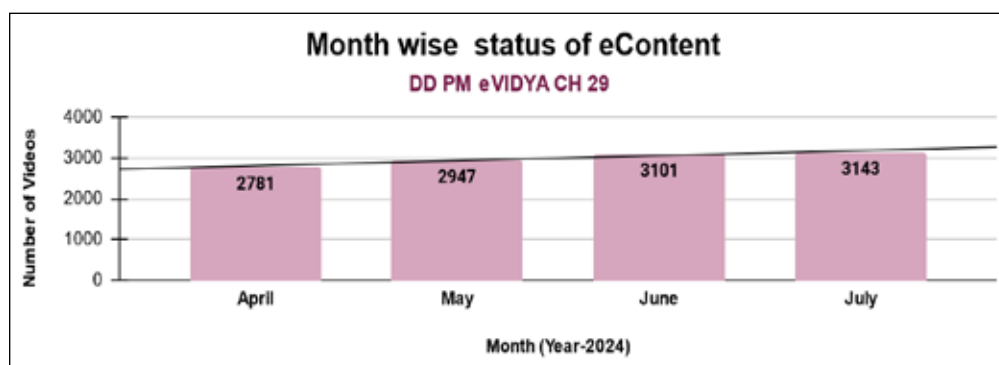

Fig.31 : Month wise Status of eContent for Channel- DD PM eVIDYA CH 29

3. Dadra and Nagar Haveli and Daman and Diu

It was observed that there was no further contribution in terms of eContent for PM eVIDYA channel in the four months, from April till July 2024. The number of eContent remains stagnant at 149 with the union territory.

Table 13: eContent Contributed by Dadra and Nagar Haveli and Daman and Diu

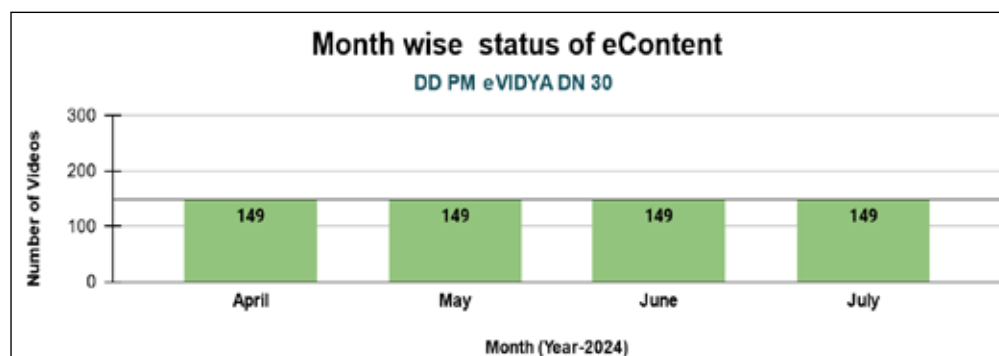

Fig.32 : Month wise Status of eContent for Channel- DD PM eVIDYA DN 30

4. Jammu and Kashmir

It is observed that despite being a Union Territory, Jammu & Kashmir has five PM eVidya DTH channels (DDPM eVIDYA JK 36 to DDPM eVIDYA 40) allocated for telecast of eContent. But no change in terms of increase in eContent was observed except on DD PM eVIDYA JK 37 channel. There were mere three videos added to the existing list of 69 video programmes (till the end of March 2024) on DD PM eVIDYA JK 37 and making it to 72 video programmes by the end of July 2024. The UT has eContent of duration 219 hrs 44 minutes 19 seconds by the end of July 2024.

Table 14: eContent Contributed by Jammu and Kashmir

6.1.2.3 State-wise Contribution of eContent

As mentioned above the states were allocated five channels each except Manipur and Mizoram, which were given as per the requirement made by the states, i.e., 10 PM eVidya DTH channels to Manipur and 2 PM eVidya DTH channels to Mizoram. The subsequent section will present a state wise description of the status of eContent with the Indian states.

1. Andhra Pradesh

The State is allocated five PM eVidya DTH channels and had 499 eContent towards the end of March 2024 that increased to 501, by addition of two video programmes in DD PM eVIDYA AP52 channels by the end of July 2024. The duration of Content thus increased from 206 hours 25 minutes 39 seconds to 207 minutes 41 minutes till July 2024.

Table 18: eContent Contributed by Andhra Pradesh

5. Chhattisgarh

Chhattisgarh is allotted five PM eVidya DTH channels. Amongst all, the eContent is available with three channels- DD PM eVIDYA CG68, DD PM eVIDYA CG69 and DD PM eVIDYA 69. The increase in the number of content in the months of April, May, June and July is observed in these channels only. DD PM eVIDYA CG 68 had 734 eContent which increased to 739 by the end of July 2024. Similarly, DD PM eVIDYA 69 had 618 video programmes in March 2024 but increased to 698 eContent by the end of July 2024. DD PM eVIDYA 70 had 320 eContent for telecast in March 2024 which increased to 404 video programmes by the end of July 2024. The state had total eContent 1672 which increased to 1841 video programmes with duration increased from 1648 hours 52 minutes and 6 seconds to 1801 hours 44 minutes and 37 seconds.

8. Haryana

The state is given five PM eVIDYA DTH channels - DD PM eVIDYA 83 to DD PM eVIDYA 87. According to Table 25, the total eContent available with the state till March 2024 was 1529 which increased to 1577 by the end of July 2024. The total duration of eContent thus increased from five hours 47 seconds to 788 hours 3 minutes and 36 seconds. It was observed that the increase in the number of eContent is observed in all five channels. According to the data, one video programme was contributed to DDPM eVIDYA HR 83, thus the number of eContent increased from 197 to 198, while no eContent was contributed to DDPM eVIDYA HR 84 and DD PM eVIDYA 87. For DD PM eVIDYA 85, 44 videos were contributed in four months- April, May, June and July 2024, thus raising the number of eContent from 408 to 452. Three video programmes were added to DD PM eVIDYA 86, thus increasing from 553 video programmes to 556 video programmes. The total raise in the duration of eContent since April 2024 till July 2024 has been from 761 hours 27 minutes 46 seconds to 788 hours 3 minutes and 36 seconds._

9. Himachal Pradesh

The state is allocated five PM eVidya DTH channels- DD PM eVIDYA HP88 to DD PM eVIDYA HP92. Since the state is telecasting CIET, NCERT content only, the contribution in adding up to the existing list of eContent was not observed in the months under observation- April, May, June and July 2024. Thus, according to Table 26, the total eContent available with the state on school education (I-XII) remains same (in July 2024) as it was towards the end of March 2024, i.e., 3683. The total duration of eContent has been 638 hours 12 minutes 13 seconds.

10. Jharkhand

The state of Jharkhand is allocated five PM eVIDYA DTH channels, i.e. DDPM eVIDYA JH 93 to DDPM eVIDYA JH97. According to Table 27, the state has actively contributed to the first PM eVidya DTH channel- DDPM eVIDYA JH 93, i.e., 150 video programmes were added to the existing list of video programmes available for telecast on the channel. Thus the increase in the number of eContent with DD PM eVIDYA JH increased from 4573, towards the end of March 2024 to 4723 by the end of July 2024. The duration of eContent thus increased from 1321 hours 19 minutes to 30 seconds to 1367 hours 38 minutes 03 seconds.

12. Kerala

Kerala has five PM eVidya DTH channels, i.e., DD PM eVIDYA KL103 to DD PM eVIDYA KL107. As observed in Table 29, there is some addition of eContent on three DTH channels- DD PM eVIDYA DTH 103, DD PM eVIDYA DTH 103, DD PM eVIDYA DTH 106 & DD PM eVIDYA DTH 107 channels. Ten video programmes were added to DD PM eVIDYA DTH 103 in the duration of four months- April- July 2024, thus raising eContent from 1125 to 1135 video programmes. Similarly, 1385 video contents were added to DD PM eVIDYA KL 106, thus raising the number of eContent from 1270 towards the end of March 2024 to 2655 at the end of July 2024. In DD PM eVIDYA KL 107, 411 video programmes were added thus raising eContent from 1716 towards the end of March 2024 to 2127 eContent by the end of July 2024. The total duration of eContent increased from 430 hours 12 minutes 29 seconds to 517 hours 34 minutes and 59 seconds in the duration under the study.

13. Madhya Pradesh

The state is allocated five PM eVidya DTH channels- DD PM eVIDYA MP 108 to DD PMeVIDYA MP 112. According to the data received, it is observed that the state is telecasting mainly CIET, NCERT eContent and thus has not added on to the existing list of video programmes in all the five DTH channels. Table 30 projects that the total number of eContent is 1409 which is of 423 hours and 54 seconds duration.

14. Maharashtra

According to Table 31, there are five PM eVIDYA DTH Channels allocated to Maharashtra- DD PM eVIDYA DTH MH113 to DD PM eVIDYA MH 117. The state coordinators of PM eVidya in Maharashtra has contributed to the list of video programmes available on DD PM eVIDYA MH 113 worked on all the five PM eVIDYA DTH channels. To DD PM eVIDYA MH 113, 192 videos were added to the existing list of 354 video programmes (till March, 2024) and thus raising the number to 546 video programmes by the end of July 2024. There were 74 videos added to DD PM eVIDYA MH 114 and thus the number of video programmes increased to 248 video programmes. Similarly, to DD PM eVIDYA MH 115, there were 79 video programmes added to the channel and raising the number of eContent from 150 (till March '24) to 229 video programmes towards the end of July 2024. In DD PM eVIDYA MH 116, there was no addition of eContent in the last four months under the observation- April, May, June and July 2024, thus keeping the number of programmes the same as 135 by the end of July 2024. The total duration of eContent is raised from 550 hours 50 minutes 12 seconds to 739 hours 31 minutes 29 seconds by the end of July 2024.

Table 31: eContent Contributed by Maharashtra

15. Manipur

Unlike other stakeholders, Manipur was allocated ten PM eVidya DTH channels- DD PM eVIDYA MN 118 to DD PM eVIDYA MN 122, DD PM eVIDYA MN188 to DD PM eVIDYA MN 192. According to Table 32, the state has 1398 as the total number of eContent of duration 379 hours 17 minutes and 57 seconds. There is no addition to the existing list of contributed eContent since April and thus the total number of video programmes remain the same till July 2024.

Table 32 : eContent Contributed by Manipur

25. Tripura

Tripura is allocated five PM eVIDYA DTH channels- DD PM eVIDYA TR 168 to DD PM eVIDYA TR172. Data (Table 41) shows that the state has contributed eContent to all five PM eVIDYA DTH channels, 7 video programmes were added to DD PM eVIDYA TR 168 and 12 programmes were added to DD PM eVIDYA TR 169. The contribution of the eContent to DD PM eVIDYA TR 170 is 25 and 21 eContent is added to DD PM eVIDYA TR 171 while 7 videos were added to DD PM eVIDYA TR 172 . Thus, the raise in the total number of eContent has been from 310 eContent (till March 2024) to 382 eContent (till July 2024) with the total duration of eContent increasing from 94 hours 42 minutes 06 seconds to 120 hours 15 minutes 21 seconds by the end of July 2024.

26. Uttar Pradesh

Uttar Pradesh is allocated five PM eVIDYA DTH channels- DD PM eVIDYA UP 173 to DD PM eVIDYA UP 177. The state has contributed 23 video programmes to PM eVIDYA UP 173 only with no addition to other four channels by July 2024. Thus, the raise in the total number of eContent has been from 469 eContent (till March 2024) to 492 eContent (till July 2024) with the total duration of eContent increasing from 408 hours 37 minutes 30 seconds to 409 hours 58 minutes 54 seconds by the end of July 2024.

27. Uttarakhand

Uttarakhand is allocated five PM eVIDYA DTH channels- DD PM eVIDYA UK 178 to DD PM eVIDYA UK 182. According to Table 43, the state has contributed eContent to all five PM eVIDYA DTH channels, 67 video programmes were added to DD PM eVIDYA UP 178 and 96 programmes were added to DD PM eVIDYA UK 179. The contribution of the eContent to DD PM eVIDYA UK 180 is 88 and 80 eContent is added to DD PM eVIDYA UK 181 while 66 videos were added to DD PM eVIDYA UK 182 . Thus, the raise in the total number of eContent has been from 1973 eContent (till March 2024) to 2370 eContent (till July 2024) with the total duration of eContent increasing from 640 hours 35 minutes 30 seconds to 716 hours 08 minutes 14 seconds by the end of July 2024.

28. West Bengal

West Bengal is allocated five PM eVIDYA DTH channels- DD PM eVIDYA WB 183 to DD PM eVIDYA WB 187. According to Table 44, the state has contributed eContent to two of its PM eVIDYA DTH channels, as 10 video programmes were added to DD PM eVIDYA WB 185 and 34 programmes were added to DD PM eVIDYA WB 186. Thus, the raise in the total number of eContent has been from 22 eContent (till March 2024) to 66 eContent (till July 2024) with the total duration of eContent increasing from 08 hours 18 minutes 47 seconds to 35 hours 44 minutes 04 seconds by the end of July 2024.

6.1.3 On the basis of the sources of eContent

Under PM eVidya digital initiative of running 200 DTH channels across the country, there have been 42 stakeholders on which the PM eVidya DTH TV Channels' eContent is telecasted. The sources of eContent were categorized under six broad categories- Only NCERT, Only State/UT/AB, NCERT & State/UT/AB, NCERT & Others, State/UT/AB & Others and NCERT, State & Others. It was observed that the majority of the stakeholders, i.e., 12 stakeholders constituting 7 states, 4 ABs and 1 UT are telecasting eContent developed within the same state/AB/UT. It is followed by 11 stakeholders (10 States and 1 UT) telecasting eContent with sources under 'NCERT, State & others' category. There are nine stakeholders (4 States, 4 UTs and 1 AB) which are telecasting eContent with sources under 'NCERT & State/UT/AB' Category. Further, there are six stakeholders which are telecasting NCERT eContent only, among them there are five states and one UT. There are two stakeholders each under the rest of the two categories, i.e., 'NCERT & Others', 'State/UT/AB & Others'

Table 45 : Overview of Sources of eContent Telecast on PM eVIDYA DTH Channels

Source of eContent	AB	UT	State	Total No. Stakeholders
Only NCERT		Dadra & Nagar Haveli & Daman & Diu (1)	Karnataka, Nagaland, Odisha, Tamil Nadu*, Telangana (5)	6
Only State/UT/AB	CBSE, NIOS, NVS, MoSDE (4)	Lakshadweep (1)	Chhattisgarh, Gujarat, Haryana, Kerala, Maharashtra, Manipur, West Bengal (7)	12
NCERT & State/UT/AB	CICT (1)	Andaman and Nicobar Islands, J&K, Ladakh, Puducherry (4)	Andhra Pradesh, Bihar, Sikkim, Tripura (4)	9
NCERT & Others	NCERT (1)		Jharkhand (1)	2
State/UT/AB & Others	KVS (1)		Punjab (1)	2
NCERT, State & Others		Chandigarh (1)	Assam, Goa, Himachal Pradesh, Madhya Pradesh, Meghalaya, Mizoram, Rajasthan, Uttar Pradesh, Uttarakhand, Arunachal Pradesh (10)	11
Total Number of Stakeholders	7	7	28	42

Note: Tamil Nadu has been allotted five channels on which CIET (NCERT) content is being telecast. Since the MoU with the state is pending, the related data is not mentioned above.

The data reflects a positive scenario in terms of state/UT/ AB's efforts in producing eContent as shown in the majority of stakeholders telecasting content developed within the same state/AB/UT.

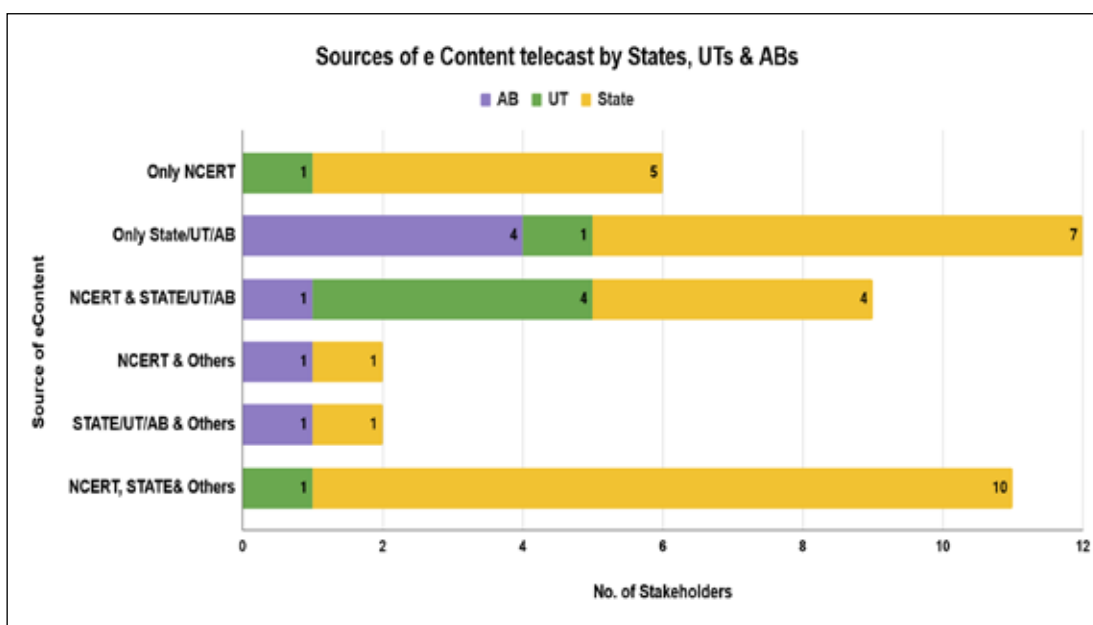

Fig.175 : Sources of eContent telecast by States, UTs & ABs

6.1.4 On the basis of the language as the Medium of Instruction

According to the data, at present there are 29 languages in which eContent is being developed under PM eVIDYA DTH Channels. It is observed that among all stakeholders the majority of the states are using English as the medium of instruction, i.e., 36 of them are using English as the medium of instruction (7 ABs and 7UTs and 22 states). It is followed by Hindi as the medium of instruction followed by 18 states, 6 ABs and 6 UTs, so in total 30 stakeholders are using Hindi as the medium of instruction. Sanskrit is the third language being used as the medium of instruction after English and Hindi. According to Table 46, 5 states and 2 ABs are using Sanskrit as the medium of instruction, thus constituting 7 stakeholders which are using it as medium of instruction. There are five stakeholders- 3 ABs and 2 states, which are using ISL as the medium of instruction for preparing eContent for CWSN. It is praiseworthy to note that as shown in the table below, in all the Indian regions, other Indian languages are also being used as medium of instruction. DD PM eVIDYA CICT 34 is a recently launched channel for the promotion of Indian languages with Central Institute of Classical Learning (CICT-an autonomous body) which has initiated with the telecasting eContent for the promotion of Tamil language.

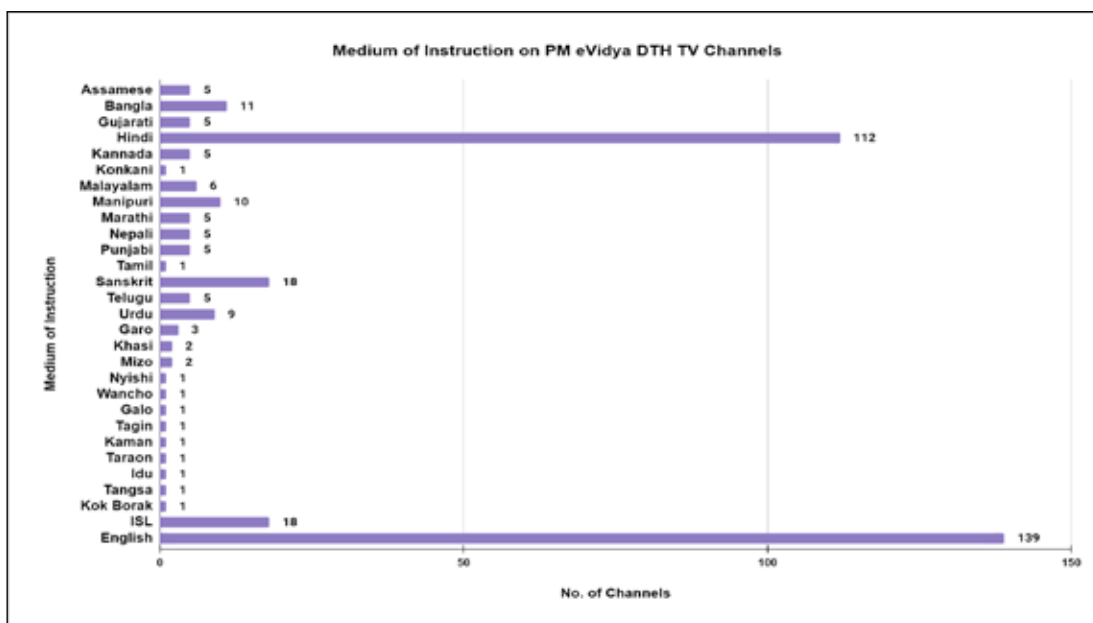

Fig.176 : Status of languages as Medium of Instruction in PM eVidya Channels

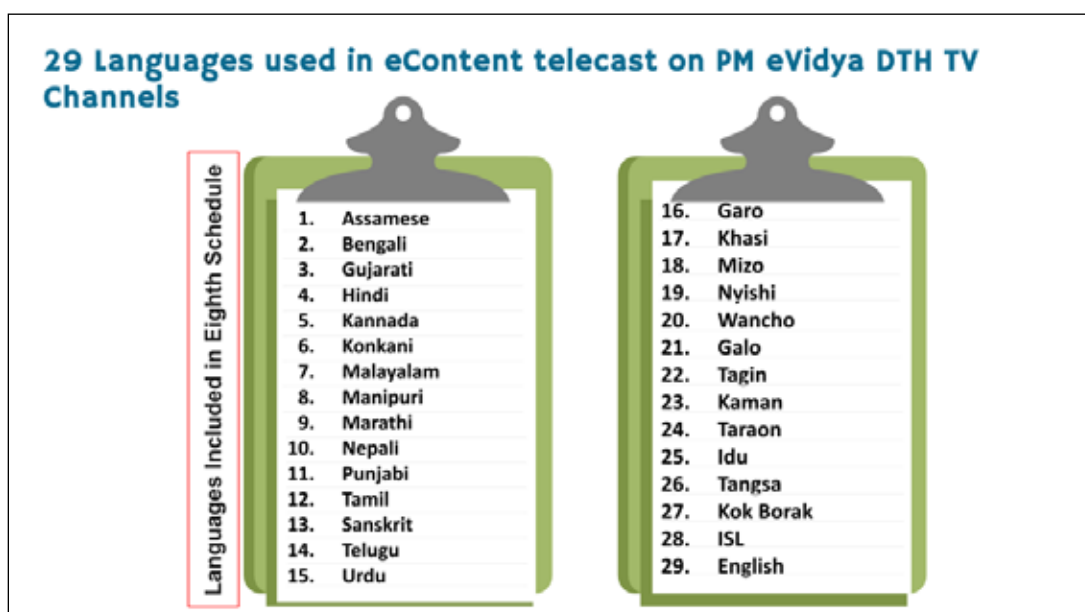

Image 2 : Languages used in eContent Telecast on PM eVidya DTH TV Channels

Image 2 shows the list of 29 languages which are being used in the eContent telecast on PM eVidya DTH Channels. The efforts are to promote all Indian languages in the teaching-learning process and simultaneously promote indigenous culture and knowledge associated and mediated through the language. The initiative also promotes the idea of using mother tongue as the medium of instruction for inclusion via better comprehension and learning for all learners.

6.1.5 On the basis of the Transmission Schedule Management

According to Table 47, Stakeholders have been managing transmission schedules via regularly updating transmission schedules, preparation of transmission schedules on daily/weekly/fortnightly/monthly basis and sharing on social media and official platforms. In this regard, it was observed that among the responding stakeholders, all ABs with

some channel specific exceptions with MoSDE, 4 UTs and 19 states have been regularly updating transmission schedules. It was found that MoSDE needed to update the status of the allocated four channels - DD PM eVIDYA MSDE 23-24 & 26-27 for which the VIS and transmission schedules have not been updated for a long time. Among UTs, Ladakh and Puducherry have been irregular in updating transmission schedules while Lakshadweep has not updated as per SOP guidelines. Similarly among States- eight states- Gujarat, Karnataka, Meghalaya, Nagaland, Odisha, Sikkim, Telangana, West Bengal* have been irregular in updating transmission schedules while Himachal Pradesh and Kerala need to regularly update the status of VIS as per the SOP guidelines shared by NCERT.

Table 47: Transmission Schedule Management by Stakeholders

S.No.	Parameter		AB	UT	State
1.	Transmission Schedule Updation	Regular	NCERT, CBSE, KVS, NIOS, NVS, MoSDE (Ch- 22,25), CICT (7)	Andaman and Nicobar Islands, Chandigarh , Dadra and Nagar Haveli and Daman and Diu , Jammu and Kashmir (4)	Andhra Pradesh, Arunachal Pradesh, Assam, Bihar, Chhattisgarh, Goa, Haryana, Jharkhand, Madhya Pradesh, Maharashtra, Manipur, Mizoram, Punjab, Rajasthan, Tripura, Uttar Pradesh, Uttarakhand, West Bengal (Ch. no. 184-187)* (18)
		Irregular		Ladakh, Puducherry (2)	Gujarat, Karnataka, Meghalaya, Nagaland, Odisha, Sikkim, Telangana, West Bengal (Ch. no. 183)* (8)
		Not updated as per SOP	MoSDE (Ch- 23,24,26,27) -(1)	Lakshadweep (1)	Himachal Pradesh, Kerala (2)
2.	Preparation of Transmission Schedule	Weekly	KVS, CICT (2)	Andaman and Nicobar Islands, Chandigarh (2)	Assam, Goa, Gujarat (3)
		Fortnightly	-	-	Uttarakhand (1)
		Monthly	NCERT, CBSE, NIOS, NVS, MoSDE (5)	Dadra and Nagar Haveli and Daman and Diu ,Jammu and Kashmir, Ladakh (3)	Andhra Pradesh, Arunachal Pradesh, Bihar, Chhattisgarh, Haryana, Himachal Pradesh, Jharkhand, Kerala, Madhya Pradesh, Maharashtra, Manipur, Meghalaya, Mizoram, Nagaland, Punjab, Rajasthan, Tripura, Uttar Pradesh, West Bengal (Ch. no. 184-187) (19)
		Not Prepared Regularly		Lakshadweep, Puducherry (2)	Karnataka Odisha Sikkim Telangana West Bengal (Ch 183) -(5)

3	Transmission Schedule Sharing with CIET-NCERT	Regular	CBSE(1)	Andaman and Nicobar Islands, Chandigarh, Dadra and Nagar Haveli and Daman and Diu, Jammu and Kashmir (4)	Andhra Pradesh, Assam, Bihar, Goa, Haryana, Manipur, Meghalaya, Punjab, Rajasthan, Tripura, Uttar Pradesh, Uttarakhand (12)
		Irregular	KVS MSDE NVS (3)	Ladakh, Lakshadweep, Puducherry (3)	Arunachal Pradesh, Chhattisgarh, Gujarat, Himachal Pradesh, Jharkhand, Karnataka, Kerala, Madhya Pradesh, Maharashtra, Mizoram, Nagaland, Odisha, Sikkim, Telangana, West Bengal (15)
Note: 1. MoSDE is updating the telecast schedule of 2 channels (Ch. no. 22 & 25) out of 6 allotted channels 2. West Bengal is updating the telecast schedule of 4 channels (Ch. no. 184-187) out of 5 allotted channels 3. Tamil Nadu is yet to sign MoU and so has not maintained any Video Information Sheet.					

The data in Table 47 further shows the frequency of preparing transmission schedules is weekly in case of ABs like KVS and CIET, Andaman & Nicobar Islands & Chandigarh, among UTs, while states like Assam, Goa and Gujarat too are preparing schedules on a weekly basis. Uttarakhand prepares transmission schedules fortnightly, as reported by the state. The stakeholders who prepare transmission schedule on monthly basis include 5 ABs - NCERT, CBSE, NVS, NIOS and MoSDE, 3 UTs -Dadra and Nagar Haveli and Daman and Diu ,Jammu and Kashmir, Ladakh and 19 States- Andhra Pradesh, Arunachal Pradesh, Bihar, Chhattisgarh, Haryana, Himachal Pradesh, Jharkhand, Kerala, Madhya Pradesh, Maharashtra, Manipur, Meghalaya, Mizoram, Nagaland, Punjab, Rajasthan, Tripura, Uttar Pradesh, West Bengal(except one channel). Among the stakeholders who are not updating transmission schedules for telecast include Lakshadweep and Puducherry among UTs and Karnataka, Odisha, Sikkim, Telangana and West Bengal (Ch 183) among states. The subsequent category in management of Transmission schedule include the pattern of sharing with CIET include stakeholders like CBSE among ABs are regularly sharing transmission schedule while Andaman and Nicobar Islands, Chandigarh, Dadra and Nagar Haveli and Daman and Diu and Jammu and Kashmir, are the four UTs regularly sharing transmission schedule. Table 47 further projects that 12 states- Andhra Pradesh, Assam, Bihar, Goa, Haryana, Manipur, Meghalaya, Punjab, Rajasthan, Tripura, Uttar Pradesh and Uttarakhand too are regularly sharing transmission schedules with CIET, NCERT.

Table 48: PM eVIDYA DTH Channel wise telecast duration of a Capsule in AB/UT/State

S.No.	Duration of Capsule	AB	UT	State	Channel no.
1.	Less than or equal to 1 hr (repeated approx. 23 times)		-	Assam (1), Madhya Pradesh (2), Rajasthan (2)	STATES (3): DD PM eVIDYA AS 62 (1); DD PM eVIDYA MP 108-109 (2); DD PM eVIDYA RJ 148-149 (2)

2.	Between 1-2 hrs (repeated approx. 11 times)	NCERT (2), CBSE(1) , CICT(1)	-	Andhra Pradesh (2), Arunachal Pradesh (4), Assam (4), Bihar (5), Goa (1), Gujarat (1), Jharkhand (1), Madhya Pradesh (2) , Meghalaya (1), Mizoram (2), Nagaland (1), Punjab (4), Rajasthan (2), Uttar Pradesh (4), Uttarakhand (5), West Bengal (1)	ABs (3): DD PM eVIDYA NCERT 13-14 (2); DD PM eVIDYA CBSE 15 (1); DD PM eVIDYA CICT 34 (1); STATES (16): DD PM eVIDYA AP 50-51 (2); DD PM eVIDYA AR 54-57 (4); DD PM eVIDYA AS 58-61 (4); DD PM eVIDYA BR 63-67 (5); DD PM eVIDYA GA 74 (1); DD PM eVIDYA GJ 80 (1); DD PM eVIDYA JH 94 (1); DD PM eVIDYA MP 110 & 112 (2); DD PM eVIDYA ML127 (1); DD PM eVIDYA MZ 128-129 (2); DD PM eVIDYA NL 137 (1); DD PM eVIDYA PB 143-144;146-147 (4) DD PM eVIDYA RJ 150-151 (2); DD PM eVIDYA UP 174-177 (4); DD PM eVIDYA UK 178-182 (5) DD PM eVIDYA WB 187 (1)
3.	Between 2-3 hrs (repeated approx. 7 times)	NCERT (12), KVS (1)	Andaman and Nicobar Islands (1), Jammu & Kashmir (5)	Andhra Pradesh (2), Arunachal Pradesh (1), Goa (3), Jharkhand (3), Madhya Pradesh (1), Maharashtra (1), Manipur (6), Nagaland (4), Punjab(1), Rajasthan (1), Tripura (4), Uttar Pradesh(1)	ABs (2): DD PM eVIDYA NCERT 1-12 (12); DD PM eVIDYA KVS 16 (1) UTs (2): DD PM eVIDYA AN 28 (1) ; DD PM eVIDYA JK 36-40 (5) ; STATES (12): DD PM eVIDYA AP 49 & 52 (2); DD PM eVIDYA AR 53 (1); DD PM eVIDYA GA 75-77 (3) ; DD PM eVIDYA JH 95-97(3); DD PM eVIDYA MP 111 (1); DD PM eVIDYA MH 114 (1); DD PM eVIDYA MN 118-122 & 188 (6); DD PM eVIDYA NL 133-136 (4); DD PM eVIDYA PB 145 (1); DD PM eVIDYA RJ 152 (1); DD PM eVIDYA TR 168-170 & 172 (4); DD PM eVIDYA UP 173 (1)
4.	Between 3-4 hrs (repeated approx. 5 times)	NIOS (4), MSDE (2)	Dadra and Nagar Haveli and Daman and Diu (1)	Andhra Pradesh (1), Haryana (3), Maharashtra (3), Manipur (3), Meghalaya (3), Tripura (1), West Bengal (1)	ABs (2): DD PM eVIDYA NIOS 17-20 (4); DD PM eVIDYA MSDE 22-25 (2). UTs (1): DD PM eVIDYA DN 30 (1) STATES (7): DD PM eVIDYA AP 48 (1) DD PM eVIDYA HR 83-85 (3); DD PM eVIDYA MH 113, 115-116 (3); DD PM eVIDYA MN 189-191 (3); DD PM eVIDYA ML 123-124 & 126 (3); DD PM eVIDYA TR 171 (1); DD PM eVIDYA WB 184(1)
5.	Between 4-5 hrs	-	-	Gujarat (1), Haryana (2), Jharkhand (1)	STATES (3): DD PM eVIDYA GJ 81 (1); DD PM eVIDYA HR 86-87 (2); DD PM eVIDYA JH 93 (1)

6.	Between 5-6 hrs	-	Chandigarh (1)	Chhattisgarh (5), Maharashtra (1), Manipur(1), Meghalaya(1)	UTs (1): DD PM eVIDYA CH 29 (1) STATES(4): DD PM eVIDYA CG 68-72 (5); DD PM eVIDYA MH 117 (1) DD PM eVIDYA MN 192 (1); DD PM eVIDYA ML 125 (1)
7.	More than 6 hrs			West Bengal (2)	STATES (1): DD PM eVIDYA WB 185-186(2)
8.	Not Prepared/ Updated as per SOP	NVS (1), MSDE(4)	Ladakh (5), Lakshadweep (1) Puducherry (1)	Goa (1), Gujarat (3), Himachal Pradesh (5), Karnataka(5), Kerala(5),Odisha(5), Sikkim(5), Telangana (5), West Bengal (1)	AB (2): DD PM eVIDYA NVS 21 (1) ; DD PM eVIDYA MSDE 23-24 & 26-27 (4) UTs (3): DD PM eVIDYA LA 41-45 (5); DD PM eVIDYA LD 46 (1) DD PM eVIDYA PY 47 (1) STATES (9): DD PM eVIDYA GA 73 (1); DD PM eVIDYA GJ 78-79 & 82 (3); DD PM eVIDYA HP 88-92 (5); DD PM eVIDYA KA 98-102 (5); DD PM eVIDYA KL 103-107 (5); DD PM eVIDYA OD 138-142 (5); DD PM eVIDYA SK 153-157 (5); DD PM eVIDYA TG 163-167 (5); DD PM eVIDYA WB 183(1)

According to Table 48, in the process of transmission of schedule management, the duration of a capsule of programmes for telecast was also considered as one of the categories mentioned above. It was observed that for maximum number of PM eVidya DTH channels, the duration of capsule has been 1-2 hrs, which is then repeated 24*7. This is followed by the channels telecasting programmes for 2-3 hrs. The data also reflected varied formats followed by irregularity in maintaining transmission schedules and thus suggest stakeholders to follow SOP to update the transmission schedule for the allotted PM eVidya DTH TV Channels.

6.2 Objective 2: To gauge the actions taken by stakeholders to maintain the quality parameters of PM eVidya 200 DTH TV channels

In order to achieve this objective, an action taken report (ATR) submitted by the stakeholders was used, which in turn was developed in response to the report of the first phase of the monitoring process conducted by CIET, NCERT in the months of March, April and May, 2024. Since MoTA is the newly added Autonomous body, data for the same is not included in the report. The ATRs submitted by the stakeholders were reviewed in the light of the quality parameters like- enhancement of quality eContent for the allocated channels. There were eleven categories under which the progress or action taken were reviewed. In this regard, given below is the status of stakeholders.

1. Development of new eContent as per SOP & Guidelines

According to the data obtained from the stakeholders, among seven ABs, all ABs except MoSDE are working on developing new eContent as per SOP & guidelines. MoSDE is developing and telecasting eContent for two channels only. CICT is the newly added

Autonomous Body to the list of ABs running PM eVidya DTH channels. Among UTs, none except Dadra and Nagar Haveli & Daman & Diu and J&K for one of the channels stated 'in process and initiated for one channel'. Except ten states- Telangana, Odisha, Tamil Nadu, Nagaland, Madhya Pradesh, Karnataka, Jharkhand, Himachal Pradesh, Gujarat, Arunachal Pradesh, rest of the states are in the process of developing new eContent.

2. Development of Review Mechanism for factual accuracy, technical glitches, etc. before transmission

All ABs have developed a review mechanism as reported in their ATRs. Except Andaman & Nicobar Islands, Lakshadweep and Puducherry, other UTs have developed a review mechanism for the eContent for telecast on the allocated PM eVidya DTH channels. Among states, however most of the states have worked on developing review mechanism but 8 states like Arunachal Pradesh (review mechanism is there only for one channel's eContent), Karnataka, Madhya Pradesh, Nagaland, Odisha, Sikkim, Telangana, West Bengal (need to develop for one channel only) need to work on developing review mechanism to produce quality educational eContent without any technical glitches before transmission.

3. Removing the problematic or videos with error from the telecasting content

In this direction, as reported in the ATRs, Autonomous bodies having such errors during the time of first phase of monitoring have removed the problematic eContent from the telecast. Among 7 UTs, Ladakh and Puducherry are yet to remove the problematic eContent while rest five UTs have stated that the eContent with mistakes or technical faults are removed from the list of telecasting content. Similarly, among the states, except six states- Arunachal Pradesh (in four channels), Himachal Pradesh, Karnataka, Madhya Pradesh, Odisha and Punjab, other states have removed the problematic eContent from their respective PM eVidya DTH channels.

4. Embedding QR Code

In this direction, no AB, UT and State, other than Haryana, Madhya Pradesh, Sikkim and Bihar, reported to have embedded QR Code in the eContent telecasted on allocated PM eVidya DTH Channels.

5. Display of Class & Subject in Ticker details

As reported by the stakeholders, among ABs, only NIOS confirmed the status of inclusion of class & subject in ticker details. Further, except Chandigarh, Dadra & Nagar Haveli and Daman & Diu and Puducherry, other four UTs- Andaman & Nicobar Islands, Jammu & Kashmir, Ladakh and Lakshadweep are displaying Class & Subject in ticker details. Ticker details need to be updated as per the suggestions in 11 states like- Arunachal Pradesh, Karnataka, Gujarat, Meghalaya, Mizoram, Nagaland, Odisha, Rajasthan, Sikkim, Telangana and Uttar Pradesh.

6. Regular VIS updation (including Channel details, Weekly Timetable and Monthly Transmission schedule) as per the suggested format

As reported by the stakeholders, VIS is being updated regularly by 6 ABs- NCERT, CBSE, KVS, NVS, NIOS & MoSDE. Ladakh and Puducherry are the two UTs, who still need to work on regular updation of VIS, while other five UTs are regularly updating the same. Among the states, there are seven states who need to work on regular updation of VIS, these are- Himachal Pradesh, Karnataka, Nagaland, Odisha, Sikkim, Telangana and West Bengal (for two Channels).

7. Preparation & dissemination of transmission Schedule for advocacy among the target audience

It is observed that all ABs prepare and disseminate transmission schedules for advocacy among the target audience. Among UTs, however, except Puducherry other six ABs too prepare and disseminate transmission schedules regularly. Among states, there are 10 states- Andhra Pradesh, Gujarat, Himachal Pradesh, Karnataka, Madhya Pradesh, Nagaland, Odisha, Sikkim, Telangana and West Bengal, which need to work on regularly preparing and disseminating transmission schedule for advocacy among the target audience.

8. Display of on screen text in the safe area as per Screen aspect ratio

All ABs have been displaying screen text/content in the prescribed safe area as per Screen aspect ratio. Among 7 UTs, Ladakh and Puducherry are the two UTs which still need to work on this aspect. Chhattisgarh, Karnataka, Meghalaya, Nagaland, Odisha, Punjab, Rajasthan and Sikkim are the eight states which need to work on displaying screen text in the safe area as per screen aspect ratio.

9. Development of Feedback Mechanism (IVRS / Email/ Feedback form or any other)

All ABs have developed a feedback mechanism largely email based. Among UTs, Andaman & Nicobar Islands, Ladakh, Lakshadweep and Puducherry still need to work on developing a feedback mechanism for the functional PM eVidya DTH channels. There are 17 states - Andhra Pradesh, Assam, Bihar, Chhattisgarh, Goa, Himachal Pradesh, Jharkhand, Karnataka, Madhya Pradesh, Meghalaya, Nagaland, Odisha, Punjab, Sikkim, Telangana, Tripura and West Bengal, which still need to work on developing feedback mechanisms.

10. Logos other than PM eVidya in the Credit plate of the Video

All ABs except CBSE are showing their institutional logo on the credit plate of the video. Among UTs, no UT is showing any logo other than PM eVidya in the credit plate of the videos. There are 10 states, which show the logo other than PM eVidya in the Credit plate of the videos.

6.3 Objective 3: To identify the issues and challenges faced by the stakeholders in utilizing these channels

Aligning with MoE's suggestion on identifying the issues and challenges being faced by States/UTs/ABs, data was gathered on the same from the entities. The entities filled a questionnaire/performa shared by CIET, NCERT in relation to issues and challenges. A discussion meeting was organized with entities in which states/UTs/ABs presented and discussed their concerns. Some of the major issues faced by the stakeholders are related to:

1. Infrastructure : Availability of Studio & encoder
2. Human Resource: Technical and Academic Resource
3. Feedback Mechanism
4. Advocacy
5. Any other

Table 49 : Status of Infrastructure, Human Resource, Feedback mechanism, advocacy and other issue

S.No.	Areas	Parameter/ Status		Stakeholders			No. of Stake- holders
				ABs	UTs	States	
1.	Studio	Fully equipped		NCERT, CBSE, NIOS, MoSDE, CICT (5)	Andaman and Nicobar Islands, Puducherry(2)	Bihar, Chhattisgarh, Haryana, Telangana, Tripura, West Bengal(6)	13
		Needs updation			Dadra and Nagar Haveli and Daman and Diu (1)	Assam, Goa, Gujarat, Karnataka, Kerala, Meghalaya, Mizoram, Punjab, Rajasthan, Uttar Pradesh (10)	11
		Not Available		KVS*, NVS *(2)	Chandigarh, Jammu and Kashmir, Ladakh, Lakshadweep (4)	Andhra Pradesh, Arunachal Pradesh, Himachal Pradesh, Jharkhand*, Madhya Pradesh, Maharashtra*, Manipur, Nagaland, Sikkim, Uttarakhand *(10)	16
2.	Encoder	Received	Yes	(4)	Andhra Pradesh, Arunachal Pradesh, Himachal Pradesh, Jharkhand*, Madhya Pradesh, Maharashtra*, Manipur, Nagaland, Sikkim, Uttarakhand *(10)	16	29
			No	MoSDE, CICT (2)	Jammu and Kashmir, Lakshadweep (2)	Gujarat, Nagaland, Sikkim, Tripura (4)	8
		Installed	Yes			Haryana, Kerala, Manipur, Mizoram, West Bengal (5)	5
			No	CBSE, KVS, NIOS , NVS (4)	Chandigarh, Dadra and Nagar Haveli and Daman and Diu, Ladakh, Puducherry (4)	Andhra Pradesh, Arunachal Pradesh, Assam, Bihar, Chhattisgarh, Himachal Pradesh, Jharkhand, Karnataka, Maharashtra, Punjab, Rajasthan, Telangana, Uttar Pradesh, Uttarakhand (14)	22

3.	Human Resource	Academic	Sufficiently Available	NCERT, CBSE, NIOS, MSDE (4)	Andaman and Nicobar Islands, Chandigarh, Dadra and Nagar Haveli and Daman and Diu, Jammu and Kashmir, Ladakh, Lakshadweep (6)	Haryana, Jharkhand, Karnataka, Tripura (4)	14
			Insufficient	KVS, NVS (2)	Puducherry (1)	Andhra Pradesh, Arunachal Pradesh, Assam, Bihar, Chhattisgarh, Gujarat, Himachal Pradesh, Kerala, Maharashtra, Manipur, Mizoram, Nagaland, Punjab, Rajasthan, Sikkim, Telangana, Uttar Pradesh, Uttarakhand, West Bengal (19)	22
		Technical	Sufficiently Available	NCERT, NIOS, MSDE (3)		Haryana (1)	4
			Insufficient	CBSE, KVS, NVS (3)	Andaman and Nicobar Islands, Chandigarh, Dadra and Nagar Haveli and Daman and Diu, Jammu and Kashmir, Ladakh, Lakshadweep, Puducherry (7)	Andhra Pradesh, Arunachal Pradesh, Assam, Bihar, Chhattisgarh, Gujarat, Himachal Pradesh, Jharkhand, Karnataka, Kerala, Maharashtra, Manipur, Mizoram, Nagaland, Punjab, Rajasthan, Sikkim, Telangana, Tripura, Uttar Pradesh, Uttarakhand, West Bengal (22)	32
4.	Funds	Developing quality eContent	Sufficiently Available	NCERT, CBSE, NIOS, MSDE, (4)		Rajasthan (1)	5
			Insufficient	KVS, NVS, CICT (3)	Andaman and Nicobar Islands, Chandigarh, Dadra and Nagar Haveli and Daman and Diu, Jammu and Kashmir, Ladakh, Lakshadweep, Puducherry (7)	Andhra Pradesh, Arunachal Pradesh, Assam, Bihar, Chhattisgarh, Haryana, Gujarat, Himachal Pradesh, Jharkhand, Karnataka, Kerala, Maharashtra, Manipur, Mizoram, Nagaland, Punjab, Sikkim, Telangana, Tripura, Uttar Pradesh, Uttarakhand, West Bengal (22)	32

5.	Advocacy	Yes	NCERT,CBSE, KVS,NIOS, NVS, MSDE (6)	Andaman and Nicobar Islands, Chandigarh, Dadra and Nagar Haveli and Daman and Diu, Jammu and Kashmir, Ladakh (6)	Andhra Pradesh, Bihar, Chhattisgarh, Gujarat, Himachal Pradesh, Jharkhand, Karnataka, Kerala, Maharashtra, Manipur, Mizoram, Punjab, Rajasthan, Sikkim, Telangana, Tripura, Uttar Pradesh, Uttarakhand, West Bengal (19)	31
		No		Lakshadweep, Puducherry (2)	Arunachal Pradesh, Assam, Nagaland (3)	5
6.	Feedback Mechanism	Yes	NCERT, CBSE, KVS, NIOS, NVS, MSDE (6)	Chandigarh, Dadra and Nagar Haveli and Daman and Diu, Jammu and Kashmir , Puducherry (4)	Arunachal Pradesh, Assam, Kerala, Maharashtra, Manipur, Mizoram, Punjab, Rajasthan, Tripura, Uttarakhand, West Bengal (11)	21
		No		Andaman and Nicobar Islands, Ladakh, Lakshadweep (3)	Andhra Pradesh, Bihar, Chhattisgarh, Gujarat, Himachal Pradesh, Jharkhand, Karnataka, Nagaland, Sikkim, Telangana, Uttar Pradesh (11)	14
7.	Any other	Shadow Zone Area		Andaman and Nicobar Islands, Lakshadweep (2)		2
		Free Dish Set Top box & dish installation in Schools or telecast through other cable operators		Lakshadweep (1)	Jharkhand, Nagaland (2)	3
		Release of funds to non-Govt Nodal organisation			Haryana (1)	1
Note : 1. Goa, Meghalaya, Madhya Pradesh, Orissa have not yet provided any information regarding issues & challenges. 2. KVS, NVS, Jharkhand, Maharashtra and Uttarakhand develop eContent by hiring/sharing the studio. 3. Tamil Nadu is yet to sign the MoU. 4. NIOS has installed 3 encoders out of 4 received.						

1. Infrastructure:Availability of Studio & encoder

(a) Availability of Studio & encoder : Availability of Studio- Among 7 respondent ABs, 5 ABs-NCERT, CBSE, MoSDE, NIOS and CICT have studios. Among UTs, Andaman and Nicobar Islands (UT), and Puducherry have fully equipped studios while KVS and NVS do not have studios. Dadra and Nagar Haveli Daman and Diu (UT) need to update their studio. Studios are not avail-

able in Chandigarh, Jammu and Kashmir, Ladakh and Lakshadweep. There are 6 states - Bihar, Chhattisgarh, Haryana, Telangana, Tripura and West Bengal, which have studios to produce eContent for the allocated PM eVidya Channels. Eight states - Assam, Gujarat, Karnataka, Kerala, Mizoram, Punjab, Rajasthan and Uttar Pradesh, need updation of their studios to produce quality eContent. There are nine states which need funds to construct studios, these include - Andhra Pradesh, Arunachal Pradesh, Himachal Pradesh, Jharkhand, Maharashtra, Manipur, Nagaland, Sikkim and Uttarakhand. Altogether, 5 ABs, 2 UTs and 6 states have their own studios to produce eContent for PM eVidya channels. 1 UT and 8 States need to update their existing studios while 2 ABs, 4 UTs, 9 States do not have studios to produce eContent for PM eVidya DTH channels.

- (b) Receipt & Installation of Encoder-** Among ABs, 5 ABs -one encoder for one channel in NCERT, CBSE, KVS, NIOS(4 encoders) and NVS are allotted but are installed in CBSE, KVS, NIOS(3 encoders) and NVS only. Among UTs, only Jammu & Kashmir and Lakshadweep have not received encoders while other UTs have received encoders. Despite delivery, encoders are not installed in Chandigarh, Dadra and Nagar Haveli and Daman and Diu, Ladakh and Puducherry. Among states, except Gujarat, Nagaland, Sikkim and Tripura, rest of the states have received encoders but installation of encoders is done only in Haryana, Kerala, Manipur, Mizoram and West Bengal (2 encoders). Therefore, 5 ABs, 5 UTs, 19 States have received encoders while 2 ABs, 2 UTs, 4 States are still left to receive encoders and similarly 4 ABs, 4 UTs and 14 states are left to get their encoders installed.

2. Academic and Technical Resources

According to the data (Table 26), among ABs, NCERT, CBSE, NIOS and MoSDE have sufficient academic resources while CBSE shared the requirement of technical resources. KVS & NVS stated that they neither have sufficient academic or technical resources to produce eContent for PM eVidya DTH channels. Among UTs, except Puducherry all UTs have sufficient academic resources while all UTs shared the insufficient status against the technical resources column. Among states, Haryana, Jharkhand, Karnataka and Tripura have sufficient access to academic resources however only Haryana expressed the satisfactory status of technical resources. Rest of the responding states are lacking in academic as well as technical resources. So, altogether, there were 4 ABs, 6 UTs and 4 States which have sufficient provision of academic resources while 2 ABs, 1 UT and 19 states still show insufficient status of academic resources. Regarding the status of technical resources, only 3 ABs and one state have no issue of technical resources, however remaining stakeholders stated insufficient status for the same.

3. Funds

According to Table 26, ABs like NCERT, CBSE, NIOS and MoSDE stated no issue of funds, whereas 3ABs- CICT, KVS & NVS stated insufficient funds for developing quality eContent. All UTs shared that they do not have sufficient funds to develop quality eContent. Similarly, all states except Rajasthan, shared that they do not have sufficient funds to produce quality eContent. Thus, altogether, 3 ABs, 7 UTs and 22 states require funds. As mentioned in the table, data was not received from five states- Goa Meghalaya, Madhya Pradesh, Orissa and Tamil Nadu (may be because of the pending MoU with Tamil Nadu).

4. Advocacy

According to the shared data, all the ABs advocate PM eVidya DTH channels through different platforms like social media, displaying on institutional websites, sharing monthly transmission schedule with schools and other organizations, via official letters and so on. Among UTs, except Lakshadweep and Puducherry, other UTs are making efforts for the advocacy of PM eVidya DTH channels. Among the responding states, except Arunachal Pradesh, Assam and Nagaland, other respondent states stated that the efforts are being made in this direction. Thus, altogether, 7 ABs, 6 UTs and 19 States are advocating digital initiative of PM eVidya DTH channels to widen the reach of quality education for the learners.

On analyzing the mediums of advocacy, it was observed that NCERT, the nodal agency uses multiple mediums like- Continuous Professional Development (CPD) programmes, Websites, Circulars, Social media/WhatsApp Groups/YouTube to advocate PM eVidya DTH channels. In addition, CBSE, Rajasthan and Uttarakhand use CPD programmes to promote usage of PM eVidya DTH Channels. CBSE, NIOS, Jammu and Kashmir, Rajasthan, Uttarakhand and West Bengal use official websites for advocacy while CBSE, Maharashtra, Punjab and Uttarakhand use circulars/letter/Meetings to promote PM eVidya DTH TV Channels. Chandigarh, Dadra and Nagar Haveli and Daman and Diu, Mizoram, Punjab, Rajasthan, Uttarakhand and West Bengal use social media platforms, WhatsApp groups or YouTube Channels for advocacy of the TV channels. Apart from that, Jammu and Kashmir uses radio to promote PM eVidya DTH TV Channels while Uttarakhand uses brochures to promote the utilization of PM eVidya DTH TV channels.

5. Feedback Mechanism

It was observed that (Table 26), all ABs have developed a feedback mechanism via email, feedback form, IVRS etc. Among UTs,, except Andaman and Nicobar Islands, Ladakh and Lakshadweep, other UTs have feedback mechanisms to constantly update or develop quality eContent for learners. Among respondent states, the response however has been mixed as 11 states have a feedback mechanism while the rest 11 do not have a feedback mechanism. Thus, altogether, 6 ABs, 4 UTs and 11 states have developed feedback mechanisms for PM eVidya DTH channels.

Among the stakeholders, e-mail is the most prominent tool to receive feedback by 11 stakeholders, which include - NCERT, CBSE, KVS, NIOS, Chandigarh, Jammu & Kashmir, Puducherry , Kerala, Maharashtra, Manipur, Mizoram and Rajasthan. IVRS/Telephone is being used by NCERT, NIOS and Kerala while a feedback form is being used by NCERT, MSDE and Uttarakhand. Similarly, Uttarakhand keep a track of YouTube comments to receive the feedback on PM eVidya DTH TV Channels while CBSE and West Bengal shared that they receive inputs directly from the stakeholders like -teachers, students, parents.

6. Any other Issue

Apart from the mentioned categories of issues, stakeholders were also asked to share other issues, if being faced by the stakeholders. In this direction, two UTs- Andaman and Nicobar Islands and Lakshadweep stated that since their area comes under a shadow zone, they are unable to receive DTH channels. Lakshadweep (UT), Jharkhand and Nagaland (states) mentioned that there is a need to install free dish set top box and dish installation in schools or other cable operators should be approached to allow telecast of PM eVidya

DTH Channels. Another issue which was raised by the stakeholder from Haryana, the representative- Utkarsh society stated that due to the non receipt of funds released by the central government for any government scheme, they may face fund crunch in case the central government releases funds for PM eVidya DTH Channels.

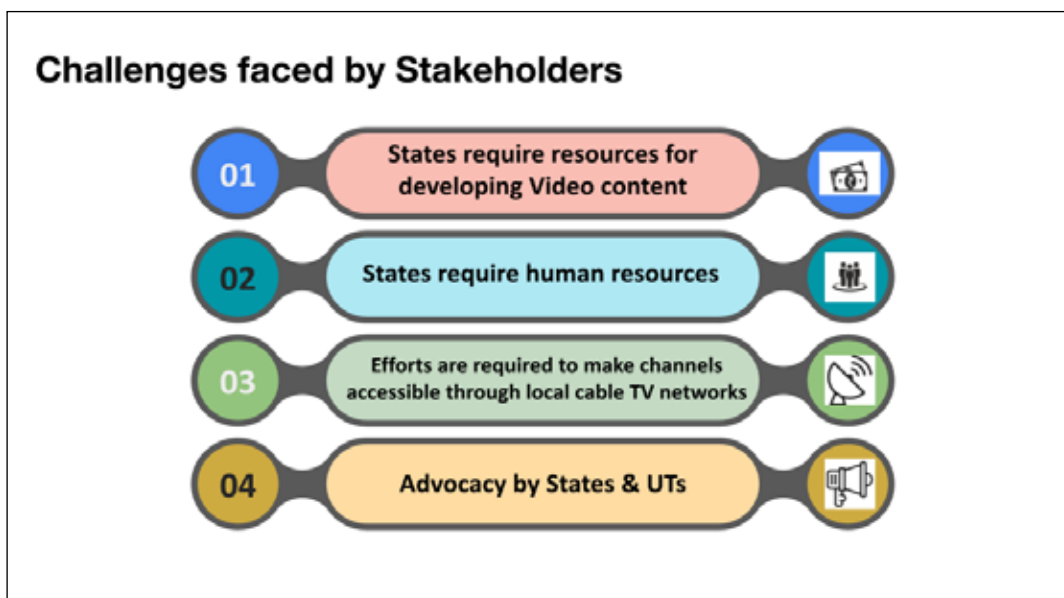

Image 3 : Challenges being faced by Stakeholders in implementation of PM eVidya digital initiative

It was observed that the above mentioned issues were related to the two overlapping heads: Paucity of Funds & Management Issues, which further include- Funds, human resource, improving the accessibility by activating local cable TV networks and advocacy efforts (as shown in Image above).

Under paucity of funds, some of the stakeholders need funds to set up a studio while other stakeholders need to procure funds to upgrade their equipment for HD quality eContent development. In order to develop quality eContent, stakeholders need to give honorarium to subject experts/presenters outside the organizations, for tasks like script writing, presenting the session/class and reviewing the eContent, to name a few. Funds are also required for TV units and DD Free Dish/ local cable network connection for schools located in rural areas. Stakeholders shared their concern related to the dire need to have a dedicated staff for **management of PM eVidya Channels**, which in turn include human resources in terms of recruitment of technical and academic support staff. It was also shared that to upload bulky videos, stakeholders do not have the facility to increase bandwidth to upload bulky videos.

In addition to the above mentioned issues, stakeholders also need to organize capacity building programmes for script writing, video editing, technical issues for camera operation and so on. In order to keep a check on the quality, production of eContent requires regular review and feedback mechanisms, which in turn require funds. Thus, it was observed that despite having a good start with the launch of PM eVidya DTH channels, the issue of funds shortage is hampering the overall implementation and running of PM eVidya DTH channels across the country.

6.4 Objective 4: To study the relationship between eContent development/procurement by stakeholders and availability of funds & resources.

Data received from the stakeholders was also analysed to study the relationship between eContent development and availability of funds & resources. It was found that despite having requirements for funds and resources there are some stakeholders which have developed or procured eContent for telecast on PM eVidya DTH Channels. This reflects the stakeholders' positive outlook towards the telecast of 200 PM eVidya DTH TV Channels across the country. In order to understand the existing scenario related to availability of resources and funds to produce eContent for PM eVidya DTH Channels, data has been segregated in terms of stakeholders' response on availability of studio and analyzing it in the light of funds and status of human resource. The stakeholders' responses are analyzed done under five categories:

1. Status of eContent development for Stakeholders having fully Equipped Studio in relation to Availability of Funds & Resources
2. Status of eContent development for Stakeholders Need Updation of Studio in relation to Availability of Funds & Resources
3. Status of eContent development for Stakeholders Hiring Studio in relation to Availability of Funds & Resources
4. Status of eContent development for Stakeholders Not having Studio in relation to Availability of Funds & Resources
5. Status of eContent development for Stakeholders With No Response in relation to Availability of Funds & Resources

Table 50 shows the response of 13 stakeholders having fully equipped studios (5 ABs, 2 UTs and 6 States), according to the data, NCERT and Ministry of Skill Development and Entrepreneurship (MSDE) are the only two ABs who are self-sufficient in all ways and thus are producing eContent regularly. CBSE needs to work on increasing the pace of producing fresh eContent. NIOS is the organization which has sufficient funds and academic resources but has not produced any fresh eContent in the mentioned period (April 2024 to July 2024) Central Institute of Classical Tamil (CICT) is the newly added stakeholder as AB which needs support in terms of funds and Human resources and Funds to produce eContent. Among 2 UTS, Andaman & Nicobar Islands and Puducherry, both have fully equipped studios but the former has produced fresh eContent while Puducherry has not produced any fresh eContent during the period. All six states- Bihar, Chhattisgarh, Haryana, Telangana, Tripura and West Bengal shared that they have insufficient funds but despite that four states- Bihar, Chhattisgarh, Haryana and Tripura have produced fresh eContent. Telangana has not produced any eContent while West Bengal has produced limited eContent during the period under the study.

Table 50: Status of eContent development for Stakeholders having fully Equipped Studio in relation to Availability of Funds & Resources

Sr. No.	Stakeholder	Funds	Human Resource		eContent contribution (Development/Procurement) from April'24-July'24		
			Academic	Technical	Status	No. of Videos	No. of hours
1.	NCERT	Sufficient	Sufficient	Sufficient	Yes	1057	79:24:01
2.	Central Board of Secondary Education (CBSE)	Sufficient	Insufficient	Sufficient	Limited	6	2:50:44
3.	National Institute of Open Schooling (NIOS)	Sufficient	Sufficient	Insufficient	No	0	0:00:00
4.	Ministry of Skill Development and Entrepreneurship (MSDE)	Sufficient	Sufficient	Sufficient	Yes	1755	79:42:44
5.	Central Institute for Classical Tamil (CICT)	Insufficient	Insufficient	Insufficient	Limited	18	19:15:44
6.	Andaman and Nicobar Islands (UT)	Insufficient	Insufficient	Sufficient	Yes	162	7:14:31
7.	Puducherry (UT)	Insufficient	Insufficient	Insufficient	No	0	0:00:00
8.	Bihar	Insufficient	Insufficient	Insufficient	Yes	598	286:04:45
9.	Chhattisgarh	Insufficient	Insufficient	Insufficient	Yes	169	152:52:31
10.	Haryana	Insufficient	Sufficient	Sufficient	Yes	48	26:35:50
11.	Telangana	Insufficient	Insufficient	Insufficient	No	0	0:00:00
12.	Tripura	Insufficient	Insufficient	Sufficient	Yes	72	25:33:15
13.	West Bengal	Insufficient	Insufficient	Insufficient	Limited	44	27:25:17

According to Table 51, there have been eleven stakeholders (One UT and ten States) who cited 'studio not updated' as hindrance in producing fresh eContent during the period under the study. Data show that among states, Kerala has produced a significant number of eContent despite sharing the status of insufficient funds and resources. Except Rajasthan, nine stakeholders stated insufficient funds but despite the issue six states had produced fresh eContent. Mizoram and Uttar Pradesh have insufficient funds and resources (academic and technical) but have produced/procured some fresh eContent. Gujarat and Karnataka are two states who have not produced/procured any eContent during the period, April 2024 to July 2024. Thus, all with few exceptions cited insufficiency in funds or resources as the reason behind not producing any fresh eContent.

Table 51: Status of eContent development for Stakeholders Need Updation of Studio in relation to Availability of Funds & Resources

Sr. No.	Stakeholder	Funds	Human Resource		eContent contribution (Development/Procurement) from April'24-July'24		
			Academic	Technical	Status	No. of Videos	No. of hours
1.	Dadra and Nagar Haveli and Daman and Diu(UT)	Insufficient	Insufficient	Sufficient	No	0	0:00:00
2.	Assam	Insufficient	Insufficient	Insufficient	Yes	572	118:31:43
3.	Goa	Insufficient	Insufficient	Insufficient	Yes	57	14:24:08
4.	Gujarat	Insufficient	Insufficient	Insufficient	No	0	0:00:00
5.	Karnataka	Insufficient	Insufficient	Sufficient	No	0	0:00:00
6.	Kerala	Insufficient	Insufficient	Insufficient	Yes	1806	378:00:05
7.	Meghalaya	Insufficient	Insufficient	Insufficient	Limited	26	1:34:32
8.	Mizoram	Insufficient	Insufficient	Insufficient	Limited	49	19:21:12
9.	Punjab	Insufficient	Insufficient	Insufficient	Yes	183	75:27:17
10.	Rajasthan	Sufficient	Insufficient	Insufficient	Yes	109	22:11:00
11.	Uttar Pradesh	Insufficient	Insufficient	Insufficient	Limited	23	1:21:24

According to Table 52, there are some stakeholders which due to the unavailability of studio and necessary resources, hire studio to produce eContent, under this category, there are four stakeholders- 2 Autonomous Bodies (KVS and NVS) and two states- Maharashtra and Uttarakhand, which largely have insufficient funds and resources and so have hired studio to produce eContent for telecast on the allotted PM eVidya DTH TV Channels.

Table 52: Status of eContent development for Stakeholders Hiring Studio in relation to Availability of Funds & Resources

Sr. No.	Stakeholder	Funds	Human Resource		eContent contribution (Development/Procurement) from April'24-July'24		
			Academic	Technical	Status	No. of Videos	No. of hours
1.	Kendriya Vidyalaya Sangathan (KVS)	Insufficient	Insufficient	Sufficient	Yes	116	15:16:24
2.	Navodaya Vidyalaya Samiti (NVS)	Insufficient	Insufficient	Insufficient	Yes	57	17:28:02
3.	Jharkhand	Insufficient	Insufficient	Sufficient	Yes	150	46:18:33
4.	Maharashtra	Insufficient	Insufficient	Insufficient	Yes	451	188:41:17

According to Table 53, there are eleven stakeholders (4 UTs- Chandigarh, Jammu & Kashmir, Ladakh and Lakshadweep, 7 States- Andhra Pradesh, Arunachal Pradesh, Himachal Pradesh, Jharkhand, Manipur, Nagaland and Sikkim) which do not have studio and so are facing difficulty in producing eContent. It was observed that among UTs, Chandigarh has procured eContent while Jammu & Kashmir has produced few eContent for telecast on PM eVidya DTH Channels. Among states too, Jharkhand reflected production or procurement of eContent and Andhra Pradesh too produced fresh eContent but in limited numbers, rest of the states did not add any fresh eContent during the period under the study.

Table 53: Status of eContent development for Stakeholders Not having Studio in relation to Availability of Funds & Resources

Sr. No.	Stakeholder	Funds	Human Resource		eContent contribution (Development/Procurement) from April' 24-July'24		
			Academic	Technical	Status	No. of Videos	No. of hours
1.	Chandigarh (UT)	Insufficient	Insufficient	Sufficient	Yes	413	54:09:05
2.	Jammu and Kashmir(UT)	Insufficient	Insufficient	Sufficient	Limited	3	0:58:43
3.	Ladakh(UT)	Insufficient	Insufficient	Sufficient	No	0	0:00:00
4.	Lakshadweep (UT)	Insufficient	Insufficient	Sufficient	No	0	0:00:00
5.	Andhra Pradesh	Insufficient	Insufficient	Insufficient	Limited	2	1:15:21
6.	Arunachal Pradesh	Insufficient	Insufficient	Insufficient	No	0	0:00:00
7.	Himachal Pradesh	Insufficient	Insufficient	Insufficient	No	0	0:00:00
8.	Madhya Pradesh	Insufficient	Insufficient	Insufficient	No	0	0:00:00
9.	Manipur	Insufficient	Insufficient	Insufficient	No	0	0:00:00
10.	Nagaland	Insufficient	Insufficient	Insufficient	No	0	0:00:00
11.	Sikkim	Insufficient	Insufficient	Insufficient	No	0	0:00:00

Table 54 projects the status of stakeholders who have been proactive in producing eContent for PM eVidya DTH channels in relation to the available funds and resources available with the stakeholders. It was observed that among ABs, NCERT and MoSDE are producing a good number of eContent for PM eVidya DTH Channels. Further, among states, Assam, Bihar and Kerala are producing eContent in good number and of greater duration. It was found that Kerala despite having insufficient funds and human resources (academic and technical) is producing the maximum number of eContent, i.e., 1806, amongst all the stakeholders. It is followed by the Ministry of Skill Development and Entrepreneurship which produced 1755 eContent, however they have sufficient funds and resources.

Table 54 : Good performers among Stakeholders producing eContent for PMeVidya DTH Channels in relation to available funds & resources

Sr. No.	Stakeholder	Funds Funds	Human Resource		Studio	eContent contribution (Development/ Procurement) from April'24-July'24		
			Academic	Technical		Status	No. of Videos	No. of hours
1.	NCERT	Sufficient	Sufficient	Sufficient	Fully Equipped	Yes	1057	79:24:01
2.	Ministry of Skill Development and Entrepreneurship	Sufficient	Sufficient	Sufficient	Fully Equipped	Yes	1755	79:42:44
3.	Assam	Insufficient	Insufficient	Insufficient	Needs Updation	Yes	572	118:31:43
4.	Bihar	Insufficient	Insufficient	Insufficient	Fully Equipped	Yes	598	286:04:45
5.	Kerala	Insufficient	Insufficient	Insufficient	Needs Updation	Yes	1806	378:00:05

Table 55 shows data related to stakeholders producing no eContent in relation to availability of studio, funds and human resources. It was found that NIOS, Puducherry and Telangana are the stakeholders having fully equipped studios but did not produce any eContent during the period under the study. Further, Dadra and Nagar Haveli and Daman and Diu and Ladakh are the two UTs having sufficient technical resources with the former having studio and later having technical support but did not produce or procure any fresh eContent during the period between April 2024 to July 2024.

Table 55 : Stakeholders producing No eContent in relation to Availability of Resources (Studio, Funds and Human Resource)

Sr. No.	Stakeholder	Funds	Human Resource		Studio
			Academic	Technical	
1.	National Institute of Open Schooling (NIOS)	Sufficient	Sufficient	Insufficient	Fully Equipped
2.	Puducherry (UT)	Insufficient	Insufficient	Insufficient	Fully Equipped
3.	Telangana	Insufficient	Insufficient	Insufficient	Fully Equipped
4.	Dadra and Nagar Haveli and Daman and Diu(UT)	Insufficient	Insufficient	Sufficient	Needs Updation
5.	Ladakh(UT)	Insufficient	Insufficient	Sufficient	Not Available

7. KEY FINDINGS

- 12.20 per cent of Stakeholders including- 4 ABs (NCERT, CBSE, NIOS & MSDE), 1 State (Rajasthan) have sufficient funds to manage and run PM eVidya DTH Channels.
- 9.76 per cent stakeholders including- 3 ABs (NCERT, NIOS & MSDE) and 1 State (Haryana) have sufficient academic resources.

3. 34.15 per cent stakeholders including- 6 UTs (NCERT, CBSE, MSDE and KVS), 6 UTs (Andaman & Nicobar Islands, Puducherry, Dadra & Nagar Haveli and Daman & Diu, Chandigarh, Jammu and Kashmir, Ladakh and Lakshadweep) and 4 states (Karnataka, Haryana, Jharkhand and Tripura) have sufficient technical resources to manage and run PM eVidya DTH TV Channels.
4. 28.57 per cent of stakeholders are telecasting eContent produced by the State/UT/AB (stakeholders' own eContent). 26.19 percent of the stakeholders are showing eContent produced by 'NCERT, State & Others'. However, 21.43 per cent stakeholders telecast eContent produced by 'NCERT & State/UT/AB' whereas 14.29 per cent (mostly UTs) show eContent produced by CIET, NCERT only. There are 4.76 per cent stakeholders in each case showing eContent produced by 'NCERT & Others' and 'State/UT/AB & others' categories.
5. 68.33 per cent of the stakeholders regularly update their transmission schedule.
6. 73.89 per cent of the stakeholders prepare a monthly transmission schedule while 12.78 per cent do not prepare a transmission schedule on a regular basis. 10.56 per cent 10.56 per cent stakeholders prepare weekly transmission schedule while mere 2.78 per cent of stakeholders prepare transmission schedule fortnightly.
7. 43.59 per cent of the stakeholders share their transmission schedule with CIET-NCERT.
8. 87.80 per cent of the stakeholders are making advocacy efforts to promote usage of PM eVidya DTH TV Channels.
9. 61.90 per cent of the stakeholders produced/procured fresh eContent during the period of April 2024 to July 2024.
10. NCERT, MoSDE, Assam, Bihar and Kerala are the active stakeholders producing a good number of eContent with longer duration. NIOS, Puducherry, Dadra and Nagar Haveli and Daman and Diu and Telangana are the stakeholders which did not produce any eContent despite having or not having studios, funds and resources.
11. To receive feedback, NCERT is using multiple mediums including email, IVRS and feedback form while other stakeholders use 'e mail' as the most prominent medium followed by feedback form, IVRS and verbal communication.
12. For advocacy, NCERT, being the nodal agency, uses multiple mediums for advocacy of PM eVidya DTH TV Channels, including Continuous Professional Development Programmes (CPD), official website, social media platforms, circulars and brochures to name a few. Among other stakeholders, social media and official website are being mostly used for promotion of PM eVidya DTH TV Channels.

As emerged from the above analysis, dedicated funding and management for running PM eVidya Channels across the Indian states/UTs/ABs is necessary for better utilization of the channels by the targeted beneficiaries, i.e., learners. NCERT, being the nodal agency, has been very proactively engaging with the stakeholders and so regularly coordinates with stakeholders to facilitate in the smoother implementation of PM eVidya digital initiative across the country. Since the last two years (since the year 2022) have been spent in orienting, training and capacity building of the stakeholders from Autonomous organizations, Union Territories and States, the journey has been progressing forward as

reflected in the successful telecast of 200 PM eVidya DTH channels along with simulcast on youtube channels.

However, a regular coordination and gathering of data on the status of usage of allocated PM eVidya DTH channels by the stakeholders followed by review meetings, have revealed various challenges and issues which have direct repercussions on the progress & success of PM eVidya DTH Channels.

There have been three prominent suggestions shared by the stakeholders in reference to issues like- Provision of funding, deployment of dedicated human resources (academic and technical) and technical support like training & capacity building of the staff. As it was also reported that stakeholders like Andhra Pradesh, Puducherry, Punjab, CBSE and Uttarakhand have urgent requirements of training on technical aspects to smoothly run the allocated PM eVidya DTH Channels.

- The data has revealed that in addition to designated funding to Stakeholders, they have specific concerns related to two UTs being under shadow zones (satellite not covering the regions for PM eVidya DTH Channels telecast) like Andaman and Nicobar Islands and Lakshadweep, which require attention of the State as well as Central government attention.
- It was also suggested to engage with the local cable networks to facilitate the provision of PM eVidya DTH Channels.
- Equipping Schools with Set top box & television under PM eVidya DTH initiative: Installation of set top box and television, exclusively for the telecast of PM eVidya DTH channels on specific days/timings in school.
- The department of education under the state government needs to ensure dedicated time slots in the school time table, so that learners get access to grade and subject specific quality eContent.

From the above suggestions, policy implications can be drawn in reference to the allocation of dedicated funds and necessary resources for the successful implementation of PM eVIDYA programme. Thus, the implementation of the PM eVidya program reveals a complex landscape with varying degrees of readiness, resource availability, and challenges across different stakeholders. While some entities have made significant progress in areas like infrastructure development and content creation, others lag behind due to financial constraints, lack of technical expertise, or infrastructural limitations. The disparities observed suggest a need for a more standardized approach to implementation, increased funding, and targeted support to lagging stakeholders to ensure equitable access to quality digital education across the country. Future efforts should focus on addressing these gaps and challenges to fully realize the potential of the PM eVidya program in revolutionizing India's educational landscape.

Annexure-1

List of You Tube Channels for Simulcast

PM eVIDYA 200 YouTube Channels
