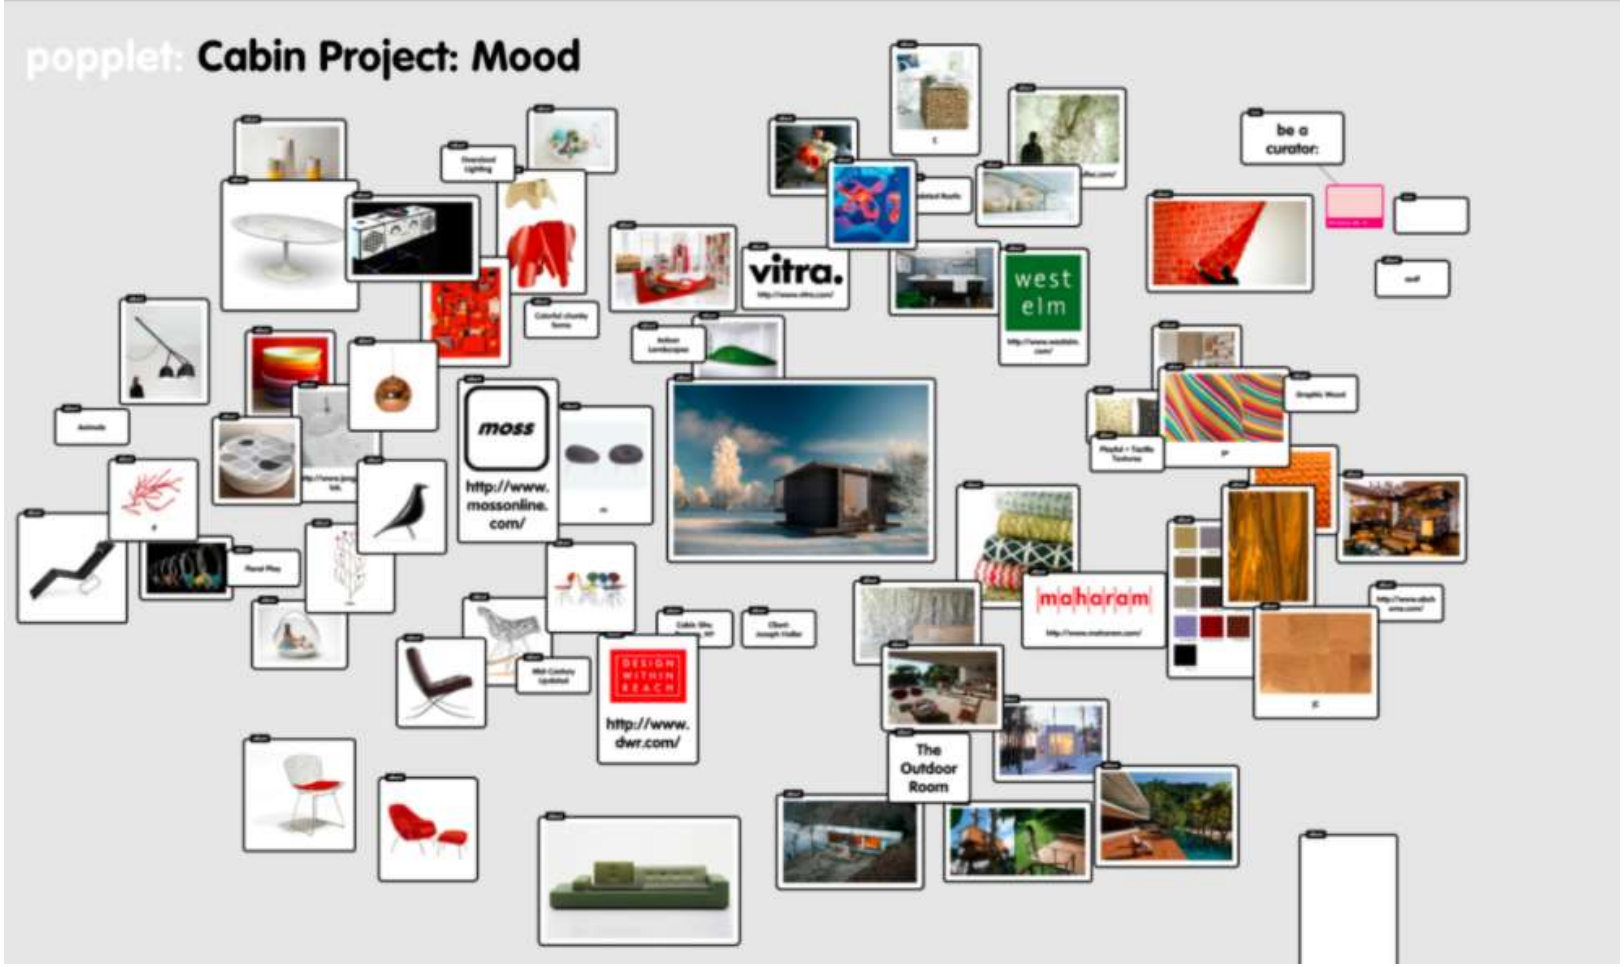
WHAT IS POPPLET?

Popplet is a mindmapping tool which helps to do the following:

- ❑ **Capture, Visualize, Organize and Share ideas**
- ❑ **Use it to build everything from simple lists to timelines**
- ❑ **Map visual diagrams of ideas and concepts**
- ❑ **Build a family tree**



WHY MINDMAPS?

It Enables Meaningful **Learning**. ...

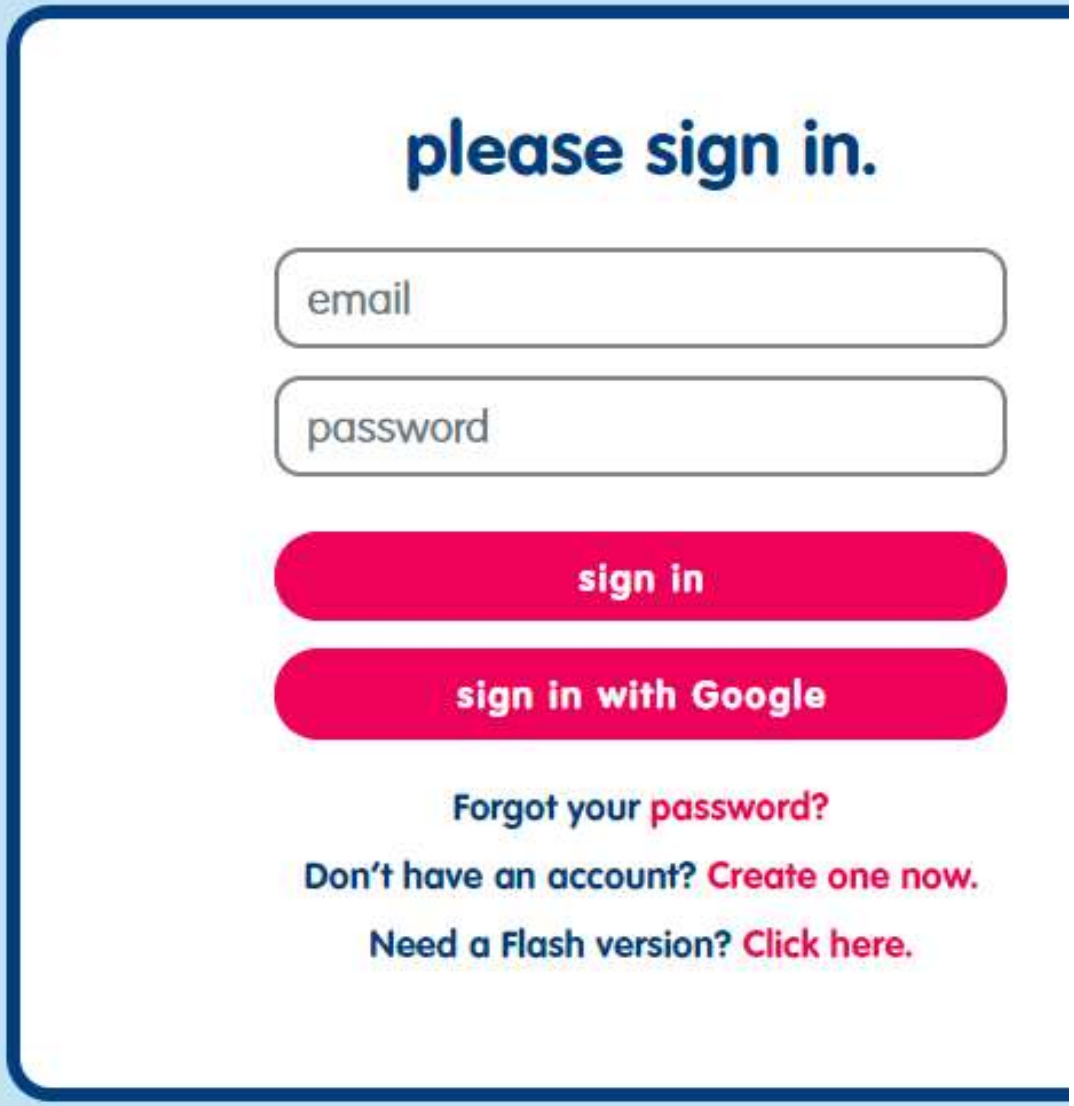
It Helps with Memorization and Retention. ...

It's a More Engaging Form of **Learning**. ...

It Makes Complex Issues Easier to Understand.

Moreover it improves writing skills also

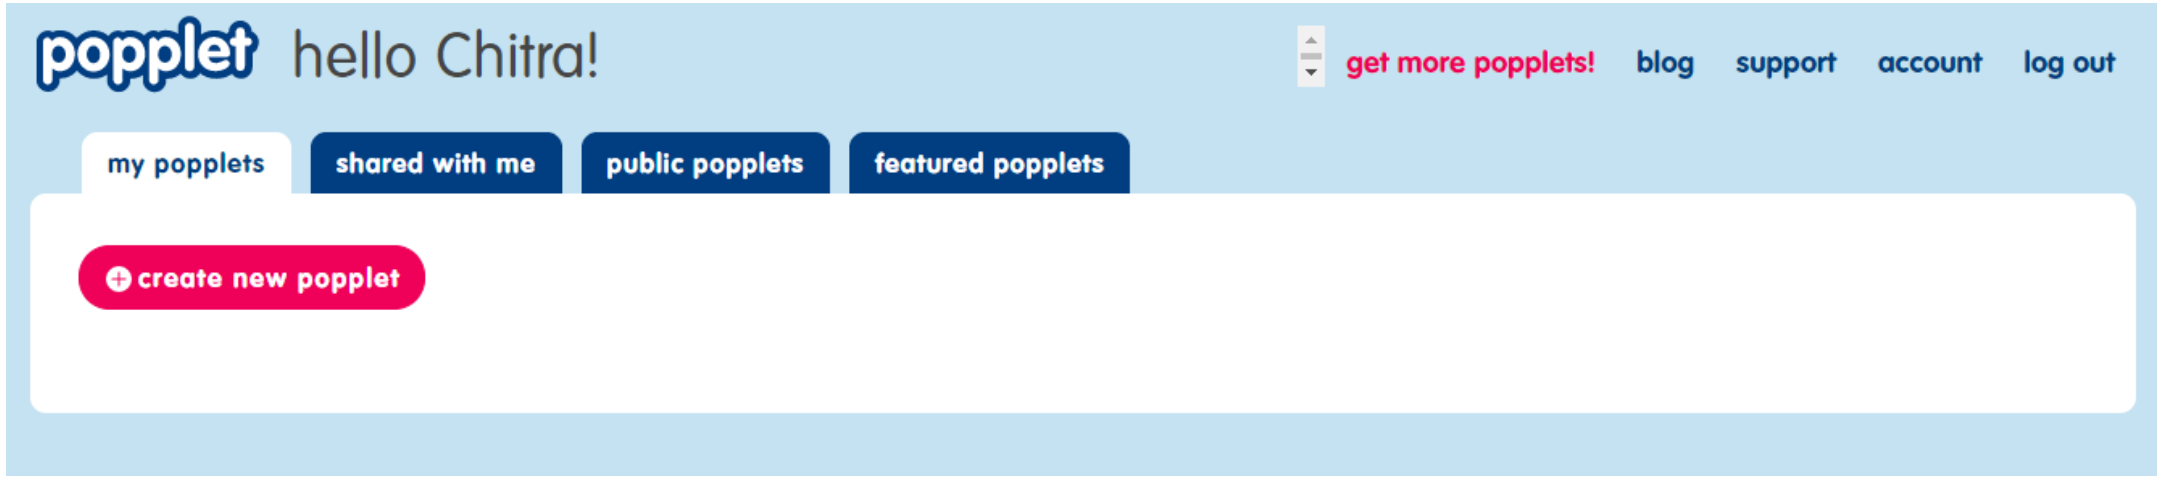
let



CREATING AN ACCOUNT ON POPPLET

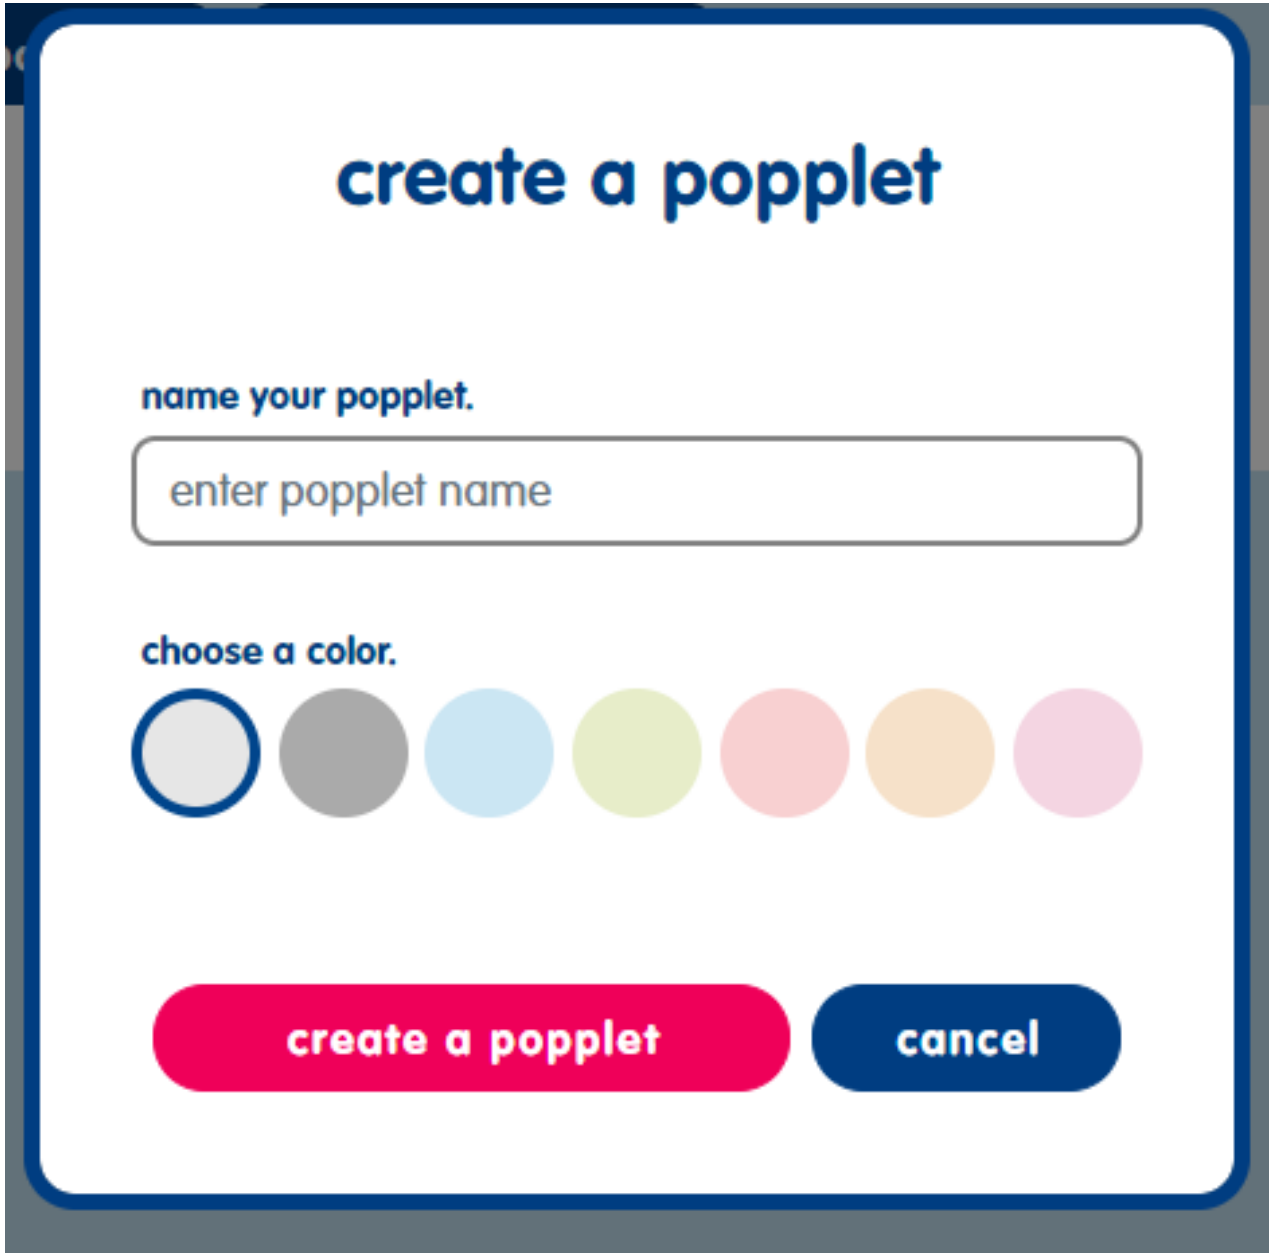
CREATING AN ACCOUNT WILL HELP TO SHARE THE POPPLETS CREATED AND MAKES IT EASY TO SHARE IT WITH OTHER PEOPLE

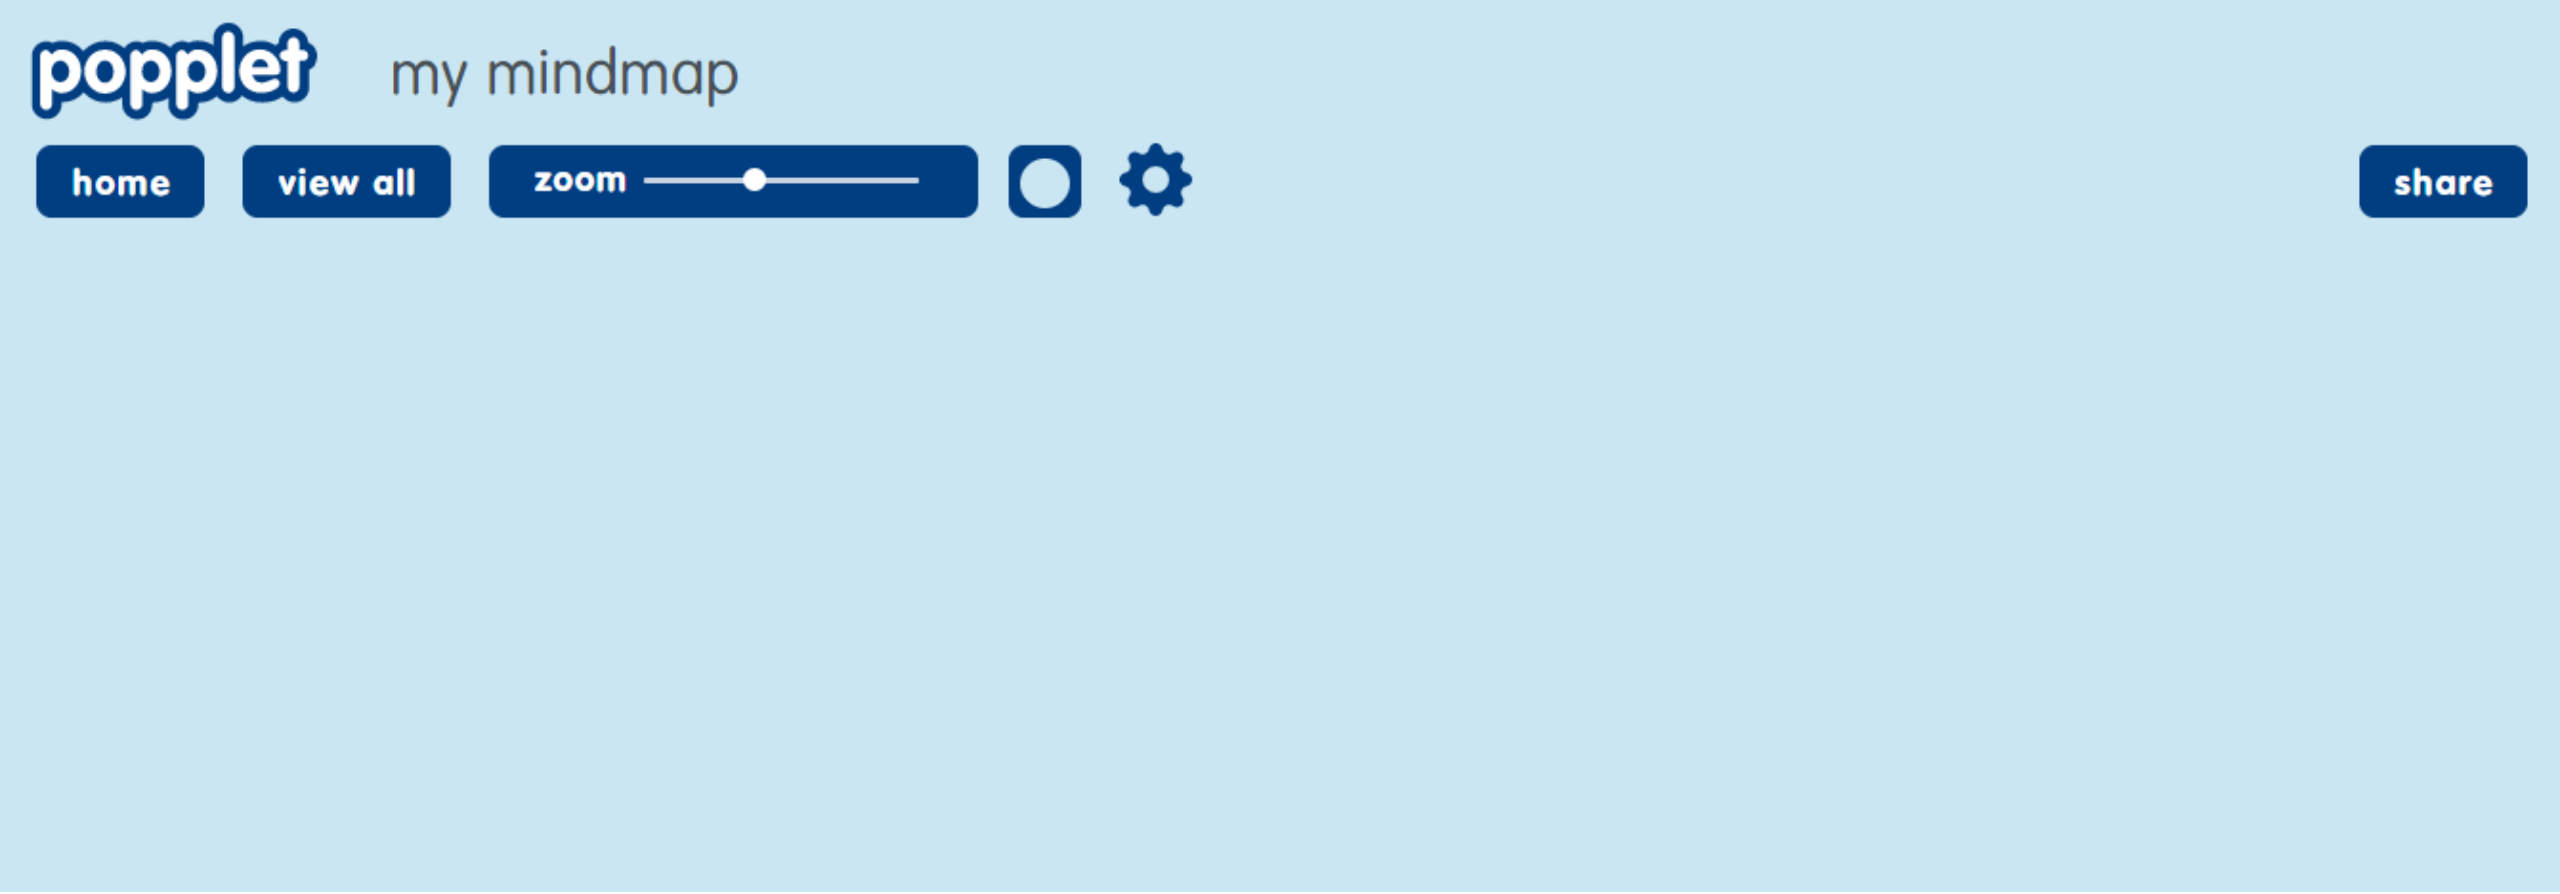
CREATING POPPLET



After logging in, once you have created your account, you will reach to a page with the options above.
Click on "create new popplet' (Pink colour) button you see in the picture above to get started with creating a popplet

STARTING NEW POPPLET

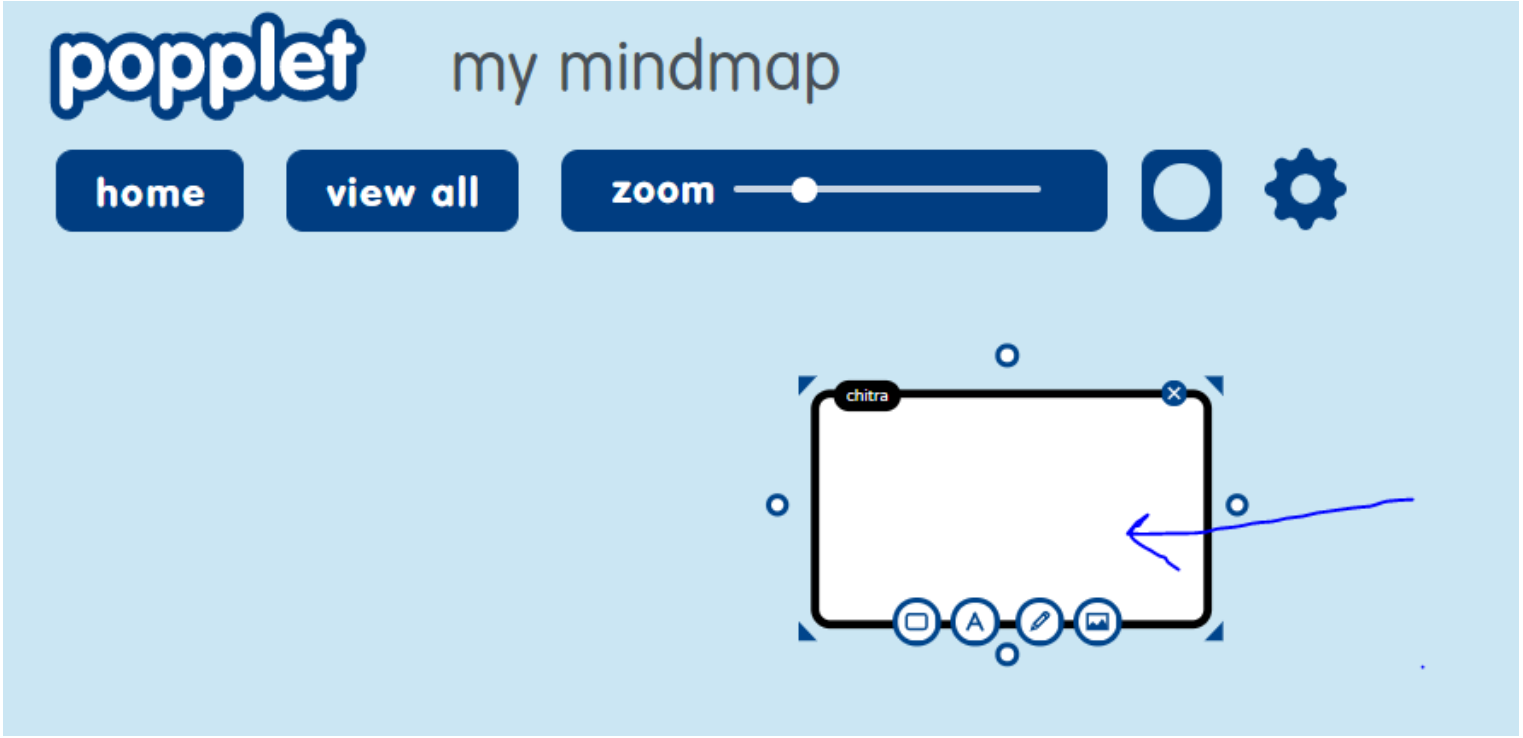




ONCE YOU HAVE STARTED THE NEW POPPLET, THIS SCREEN COMES

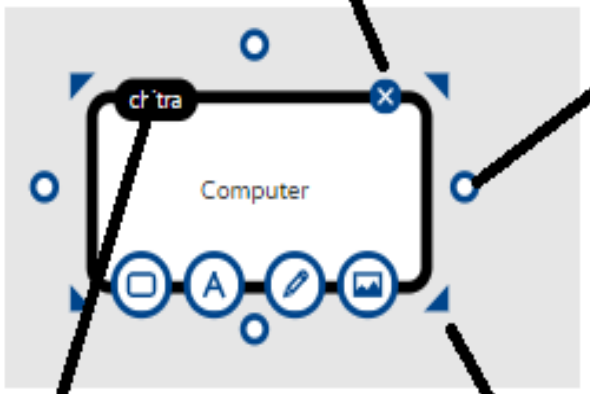
This is your workspace where you will do your mindmapping. You can double click anywhere on blue space to start creating mindmap

ADDING A 'POPPLE'



Indicated in the above arrow with blue colour is a 'Popple'

OPTIONS AROUND THE 'POPPLE'



Clicking here deletes this popple

All four dots around popple to add a new popple

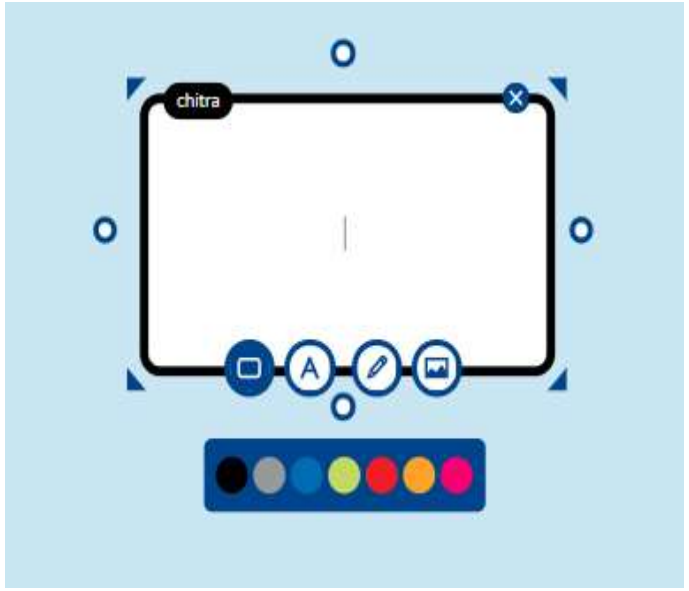
Clicking on this small dot will get you another popple

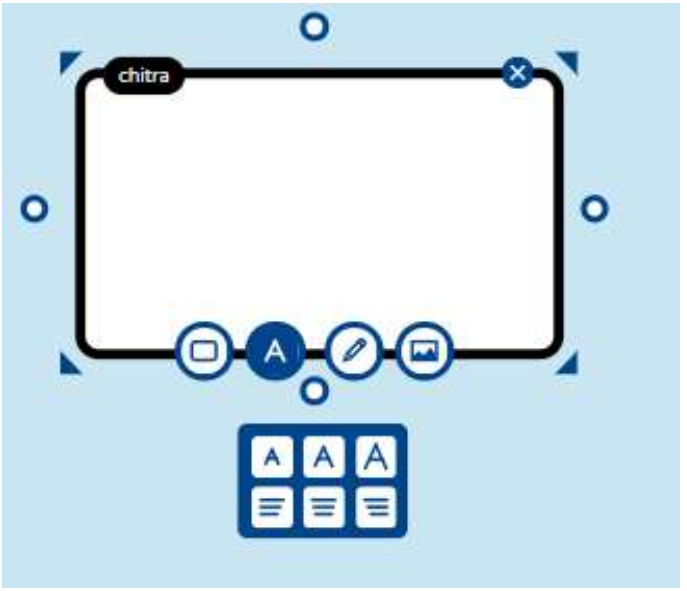
Four arrows around the popple to resize it.

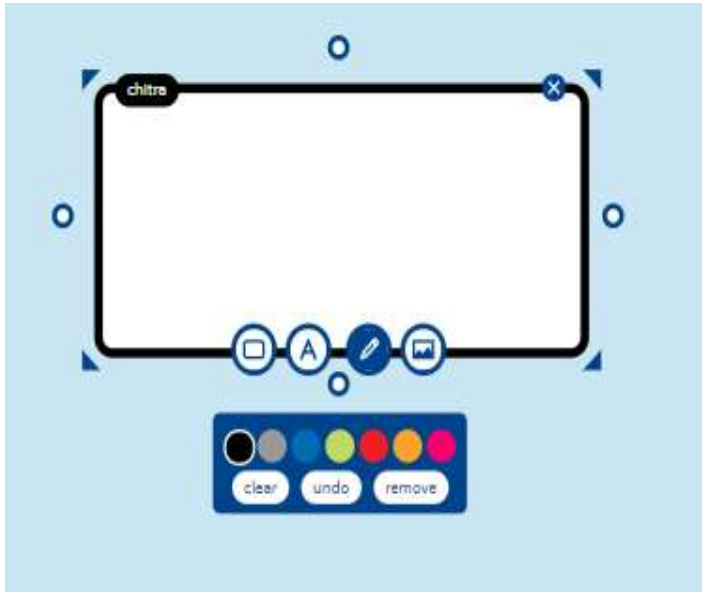
This is called name badge to identify who made this popple when multiple people collaborate on a popplet

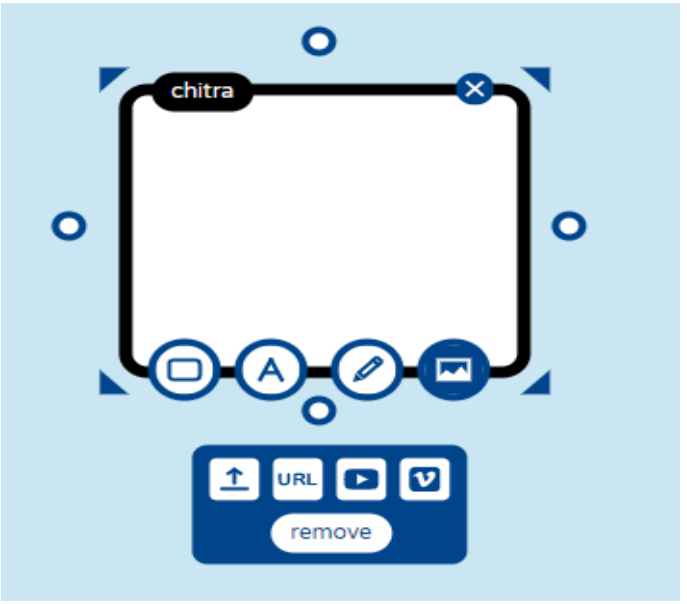
These small arrows on all sides help to increase / decrease the size of popple

OPTIONS AVAILABLE FOR ANY 'POPPLE'

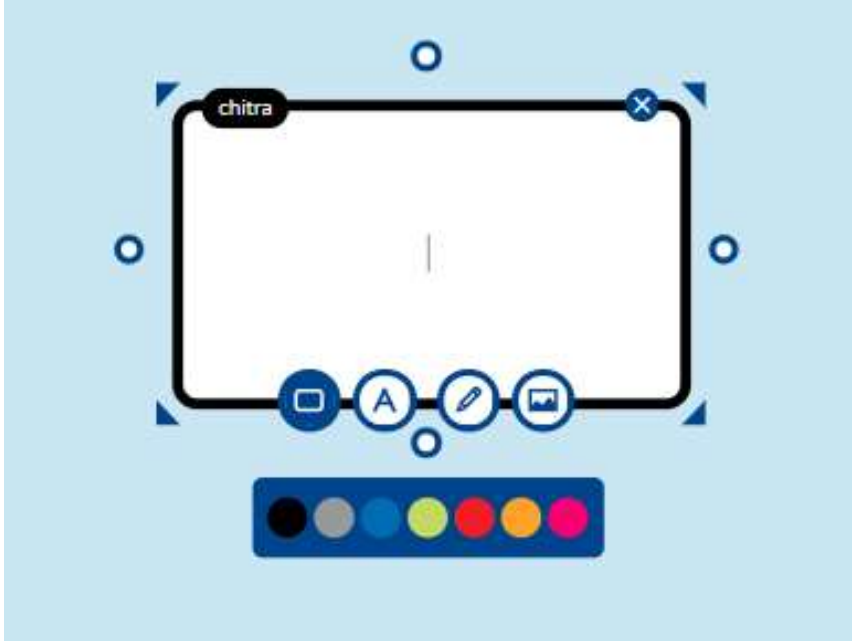








CHOOSING THE COLOUR OF THE 'POPPLE'



You can choose different colour for a popple

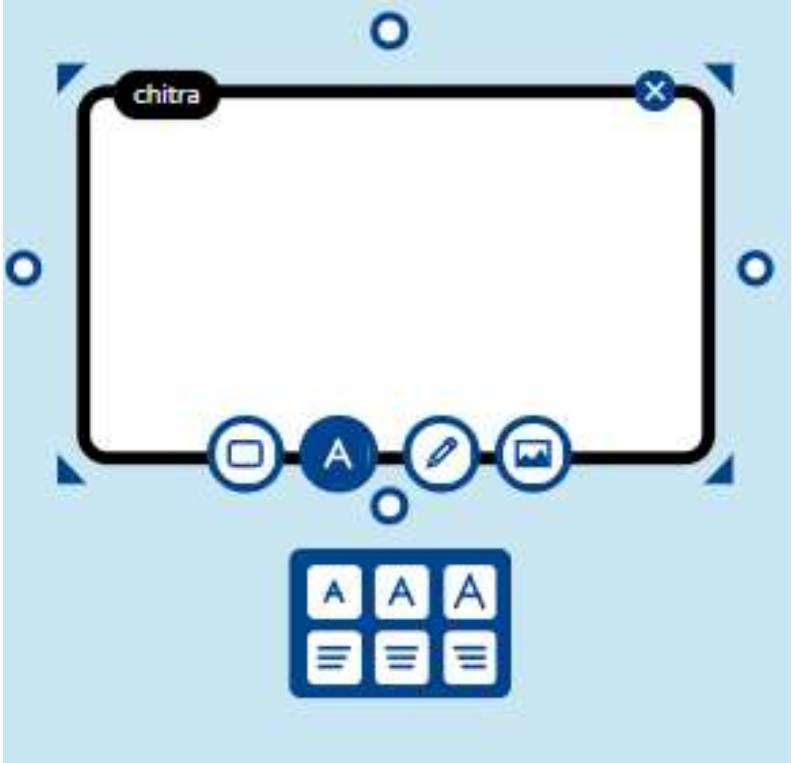
By clicking on first option on the menu that you see

On the border of the popple, you can choose the

Colour of each box (Popple) in a mindmap.

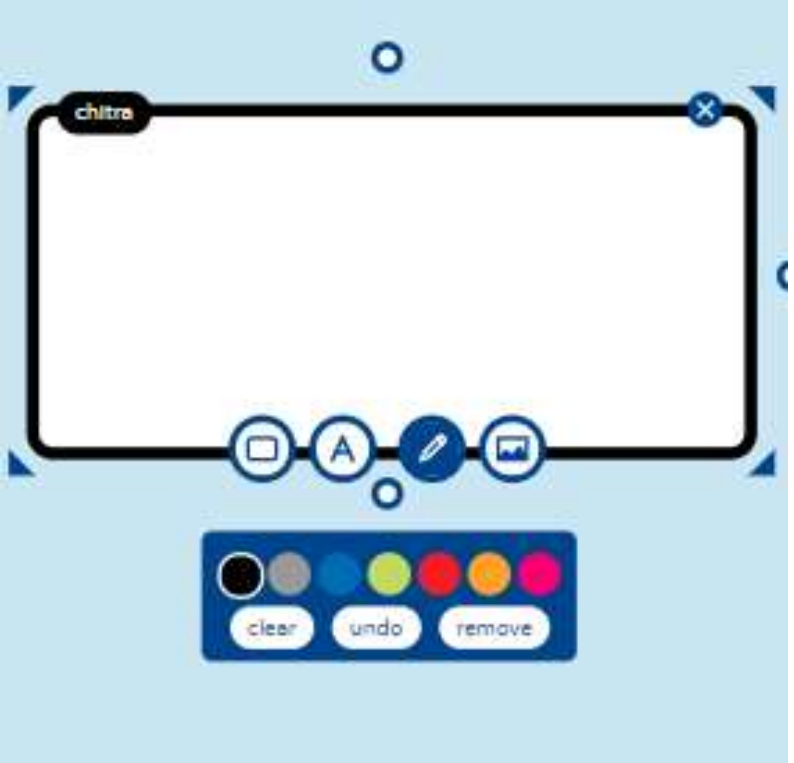
CHOOSING THE TEXT SIZE AND ALIGNMENT

- **By clicking on the second button, labelled 'A', you can choose different text sizes and align the text on left, right or centre of the popple.**



USING THE DRAW FEATURE TO DRAW USING PENCIL (FREEHAND)

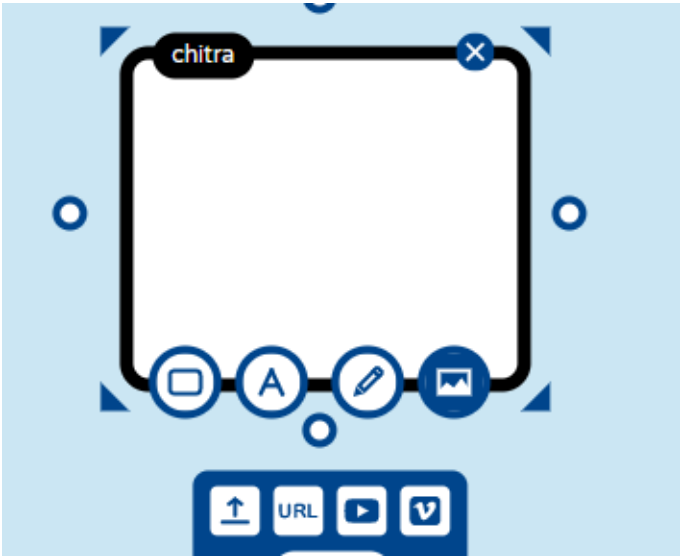
- **The third option on this floating menu is 'draw' option, which can help you to draw and illustrate, you may choose the colour to draw with.**

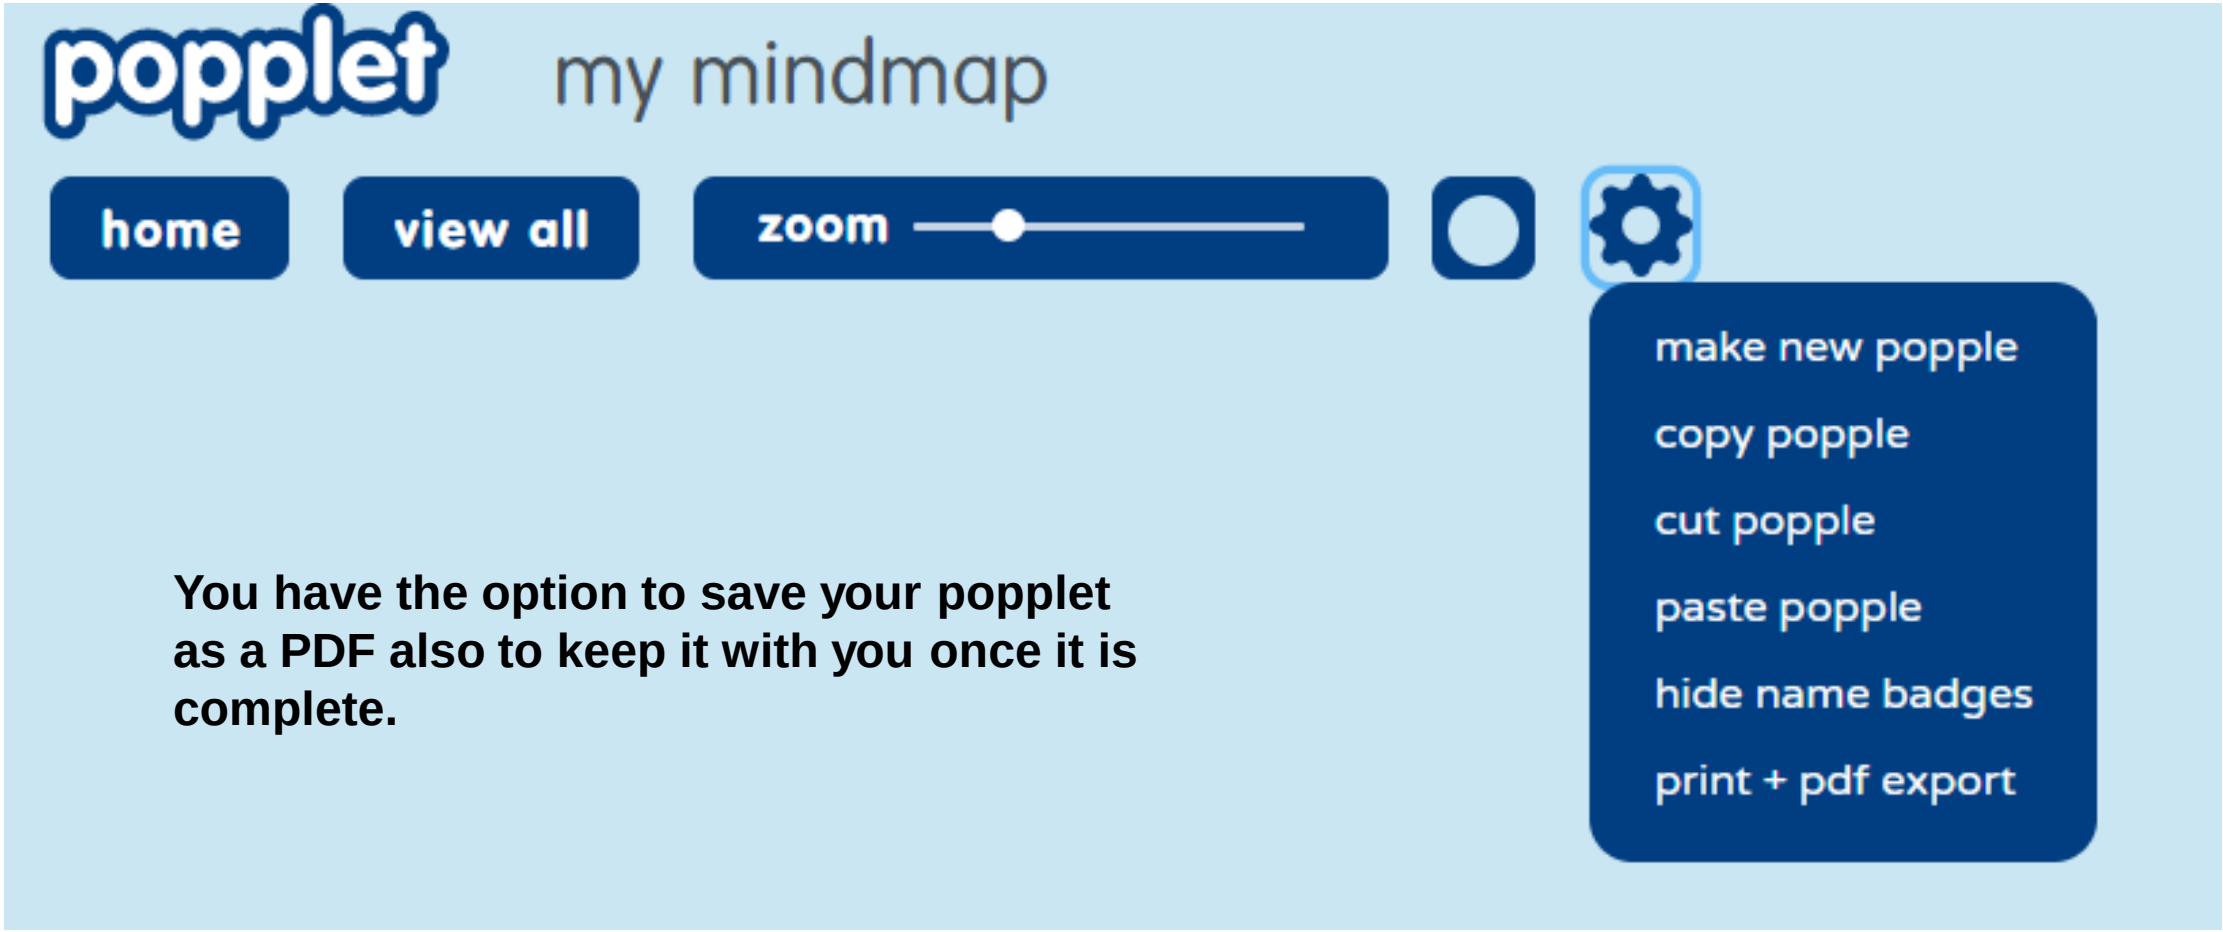


CHOOSING TO UPLOAD AN IMAGE / VIDEO LINK TO ANY POPPLE

You can choose from four options here as you can see the picture at the bottom:

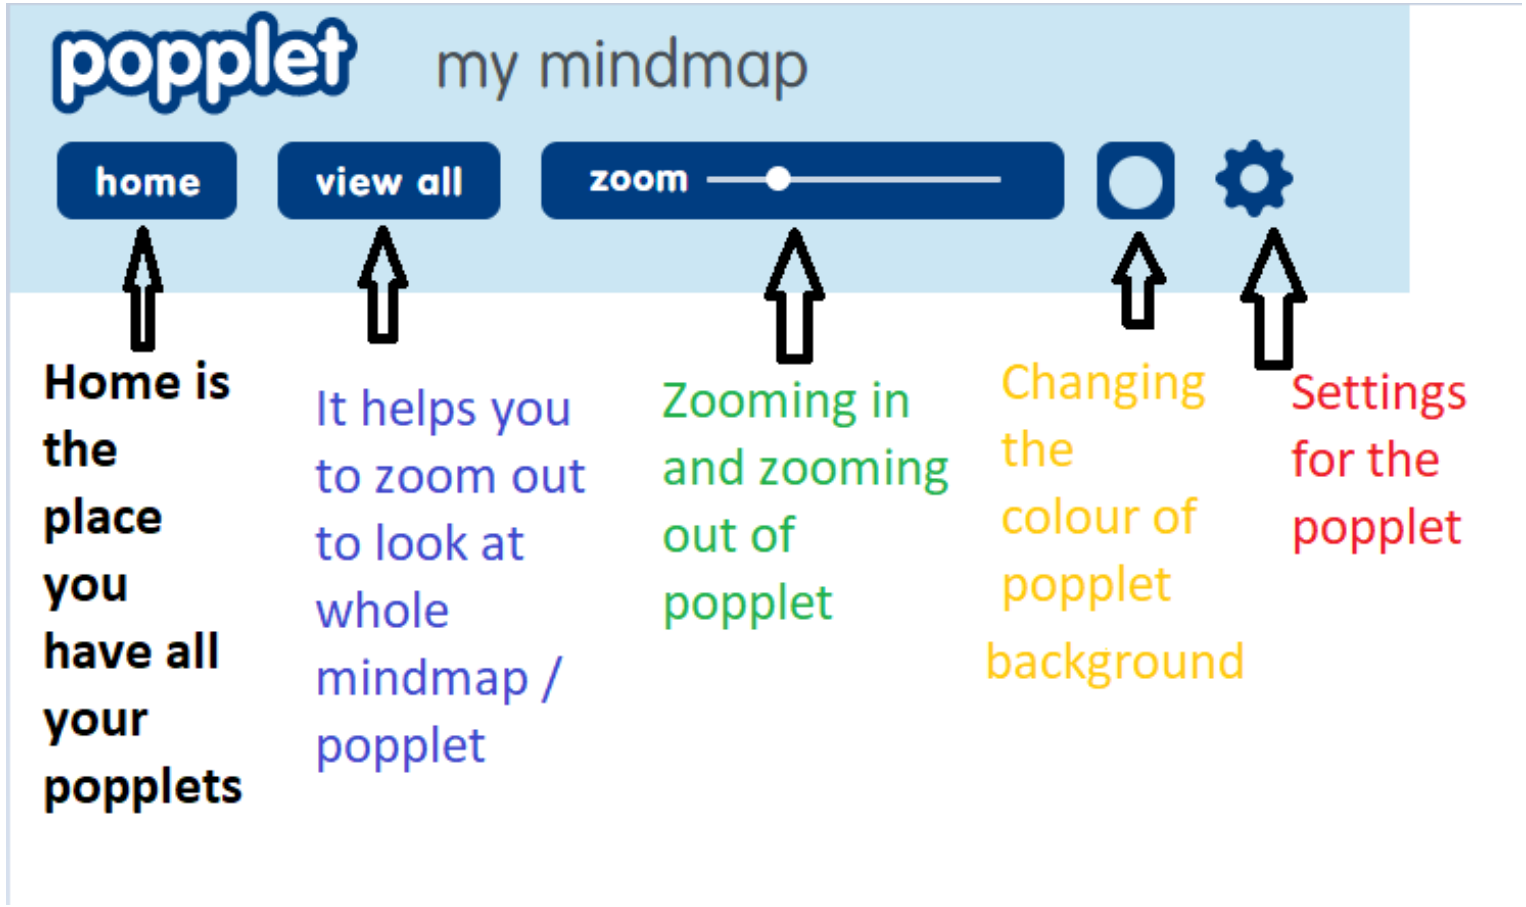
1. **Upload a picture that is saved on your computer / device**
2. **You can choose a link of the picture to add**
3. **You can choose the link of a youtube video**
4. **You can choose a video from 'vimeo'**

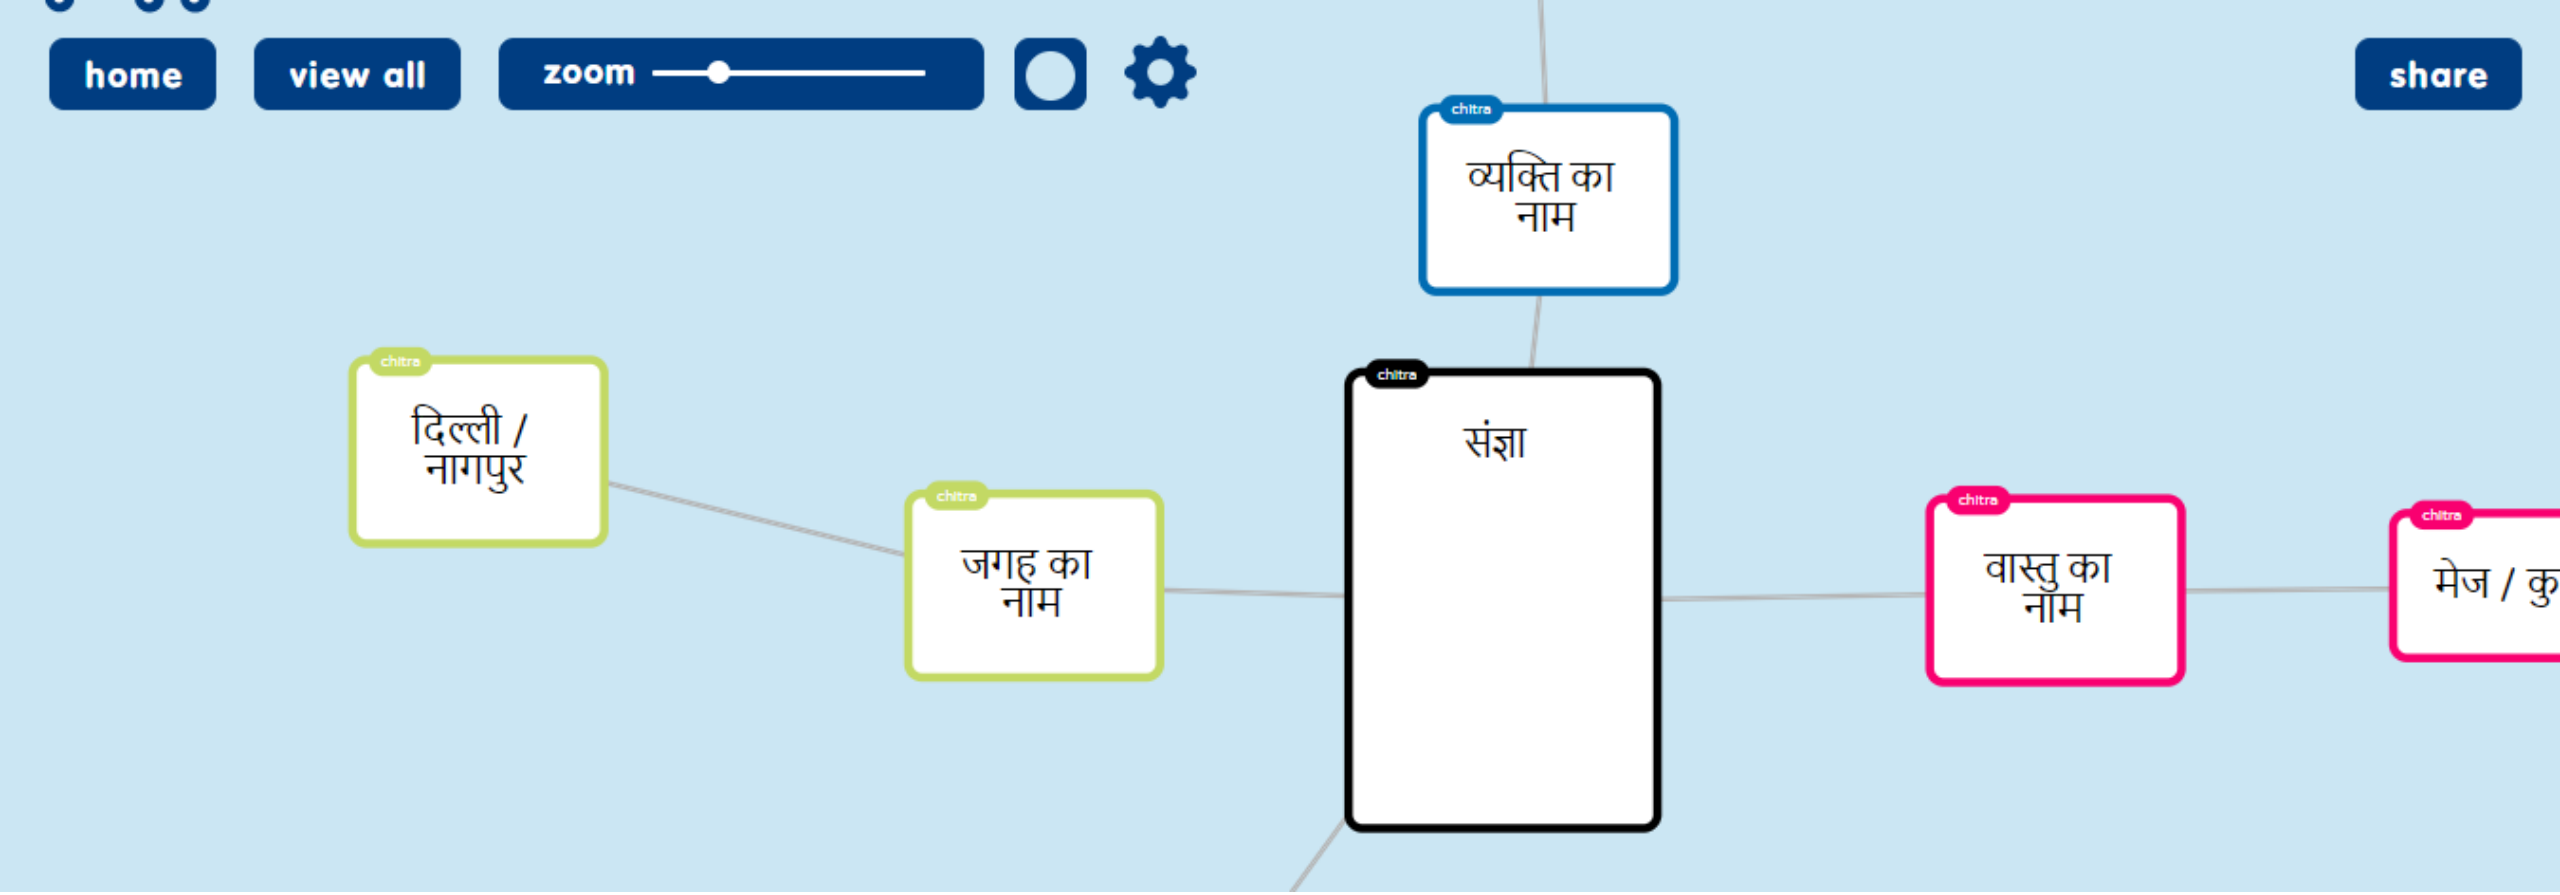




VARIOUS OPTIONS AVAILABLE FOR POPPLET- CLICKING ON SETTINGS

OPTIONS ON THE TOP OF POPPLET SCREEN





P O P P L E T S U P P O R T S H I N D I A S W E L L

- **Teachers can use hindi typing or can use the copy paste feature to add hindi to a mindmap**

SHARING THE POPPLET

THANKYOU!!!
