About Make It...

- 'Make It' is a **game and quiz-based learning platform**.
- It is **easy** to create educational games and quizzes in **just a few minutes**.
- Games/ Quizzes can be **shared with students** and results can be checked **instantly**.
- It is available as a **mobile app** version as well as a **portal**.
- It is available for iOS (Apple Store), Android (Google Play Store), Mac OS and Windows.

Steps for Downloading **Make It for Windows**

Step 1

The image shows a Google search interface. The search bar contains the text "make it games". Below the search bar, there are navigation options: "All", "Videos", "Images", "Shopping", "News", "More", and "Tools". The search results show "About 6,58,00,00,000 results (0.34 seconds)". The first result is for "Make It" with the URL "https://www.makeit.app". The result title is "Make It - Create learning games and quizzes!" with a green checkmark icon. The description says "Make It is the perfect platform for teachers and schools: create learning games and quizzes, share your projects, check the results and manage classrooms." Below the description are links for "Download", "Mobile logo", "Login", and "Tips & FAQ".

Step 2

The image shows a browser window at the URL `makeit.app`. The website has a red background with a navigation menu at the top containing: Home, Make It, FAQ, Subscribe, Download, Contact Us, Login, and English. A central graphic features a tablet displaying a word game. The game screen shows a koala image with a word puzzle below it. The letters 'K O A L A' are visible in orange boxes, with five question marks below them. The game interface includes options to 'Add false letter' or 'Delete false letter' and a 'Top to add image' prompt. To the right of the tablet, the text reads 'Create learning games & quizzes' followed by 'With multiple activities to design your projects in just a few minutes!'. A white 'DOWNLOAD' button is highlighted with a black box and an arrow pointing to it from the right. The background also features decorative elements like a blue paperclip, a pencil, and a white paperclip.

Step 3

The screenshot shows a web browser at the URL `makeit.app/download`. The navigation menu includes Home, Make It, FAQ, Subscribe, Download, Contact Us, Login, and English. The main content area features a large image of people using devices with the word "Download" overlaid. Below this, the text reads "Available to everyone!" and "Make It is available for iOS systems, in the App Store, and Android, on Google Play, as well as for Mac and Windows. Download the app now on your mobile and desktop devices and start enjoying the experience." At the bottom, there are four download buttons: "Available on the App Store" (Apple Store), "Download on the Mac App Store" (Mac App Store), "GET IT ON Google Play" (Google Play), and "Windows" (Windows). A red box highlights the Windows button, and a red arrow points to it. A "Help" button is also visible on the right.
