A digital portfolio?

A digital portfolio is an online collection of work that represents our abilities and skills as a professional in our field.

And can be made by educators, professionals as well as students.

I knew growing up that going to college was in my future- I didn't know where, but knew I wanted to be my family's first generation to obtain a college degree. After four short years at the [University of Colorado Denver](#), I have officially graduated college!! Fall 2019, I received my BSBA with a double major in Business Management and Human Resources Management and

3. **Privacy** can be set for individual pages, making it easy to decide who sees what, and pages can be **republished** and updated at any time.

Features on Bulbapp

The screenshot displays the Bulbapp interface. At the top, the 'bulb' logo is visible. Below it, there's a header area with 'USE TEMPLATE' and a three-dot menu. The main content area shows a group photo of five people, with the text 'Arizona 2020 - Copy' and a user profile 'Jainus Jacob'. A blue menu is open on the right side, listing various actions: PREVIEW/LIVE VIEW, ASSIGN, TEMPLATE (highlighted with a blue circle and an arrow), PAGE HISTORY, HIDE TITLE, COMMENTS, LIKE, PAGE INFORMATION, PRESENT, GET HELP, and DELETE PAGE. At the bottom, there's a rich text editor with various formatting options and a text area containing the word 'Lockdown' and a paragraph of text.

4. Template features helps students to copy their teachers work to work on further.
