RASHTRIYA VIDYA SAMIKSHA KENDRA (RVSK)

The “Force Multiplier” for the
education ecosystem in India

The NEP 2020 encourages the use of
technology platforms and data
analytics to enhance the governance
and management of educational
institutions. This includes
data-driven decision making in areas
such as resource allocation, teaching
& learning outcomes, assessment
processes etc.

RVSK will play the role of a “force
multiplier” which would enable
continuous monitoring, analysis and
grading on key education parameters.
