From the Joint Director's Desk

CIET has been a premier institution working for the technological interventions in education for school and teacher education. Being the last quarter of the financial year, January-March witnessed important events at CIET related to the different projects that have been undertaken for betterment of school education.

The 40th meeting of Institutional Advisory Board (IAB) of CIET was held on 23 January, 2024 wherein the proposals of both current financial year and those of the upcoming one (2024-2025) were discussed and deliberated upon by members.

The launch of PM eVidya 200 DTH TV channels, one of our flagship initiatives, was done on 9th March 2024 by the Honorable Education Minister of India.

The flagship All India Children's Educational eContent Competition (AICEeCC 2023-24) was held on 15-16 March, 2024 at North East Regional Institute of Education (NERIE) Shillong. Professor P.S.Shukla, the Vice Chancellor of North Eastern Hill University (NEHU), Shillong inaugurated the event which also saw Shri Rakkam A. Sangma, Minister of Education, Government of Meghalaya as the chief guest for the valedictory ceremony on 16.03.2024.

To strengthen educational technology and ICT in education for school systems, webinars and online training sessions were organized. CIET continued promotion of cyber safety and security among teachers and teacher educators by organizing webinars in the aforementioned quarter. Various audio video programmes were also produced for dissemination among schools, teachers and adults. The January, 2024 issue of the Indian Journal of Educational Technology was also published. CIET continued its focus on the development of Digital textbooks based on Universal Design of Learning (UDL) during this quarter. A workshop was organized in offline mode for the Accessible Feature Mapping of Mathematics book of class I in Hindi and English medium by experts.

It is our endeavor to keep our stakeholders updated about the diverse activities for educational technology that are being undertaken by our organization.

(Amarendra P. Behera)

Under the **study of Feedback towards PM e-Vidya Program of Teachers and Students across the country**, data for feedback was collected from Assam, Odisha, Jammu and Kashmir from over 60 schools and is now under process.

In the project on **Effectiveness of Techno-Pedagogy Content Integration (TPCI) package on development of Digital Competencies of Inservice teachers at secondary level**, online workshops for the revision of the TPCI 01 Module, development of the TPCI 02 module and its subsequent review were organized. Also, training sessions on Techno-Pedagogy Content Integration on ICT- Basic and ICT-Pedagogy Integration were conducted in face to face and online mode.

Under the Study of the Awareness on Cyber safety and Security Among Secondary Students (Class IX to XII), Cyber Safety and Security Students' handbook was reviewed by resource persons. Besides, Cyber Safety and Security Awareness Scale (CSSAS) for Secondary Students was translated in Hindi. In addition to this, a workshop was organized wherein a cyber safety and security intervention package containing students' modules and activities for secondary students were developed by experts.

Under **Development of Educational Audio/Video Programme Scripts for classes 1 & 2**, workshops were organized wherein scripts in both Hindi and English were developed.

Under the **collaborative efforts of CIET-NCERT and MoEF&CC**, The **“Wetlands: Our Amrit Dharohar”** video series, produced by CIET under NCERT and DOSEL, Ministry of Education, in collaboration with MoEFCC, was launched on **World Wetlands Day 2024** at Sirpur Lake, Indore, Madhya Pradesh. The event featured **Dr. Mohan Yadav**, Hon'ble Chief Minister of Madhya Pradesh, **Shri Ashwini Kumar Choubey**, Hon'ble Minister of State for Environment, Forest & Climate Change, and **Dr. Musonda Mumba**, Secretary General of the Ramsar Convention on Wetlands. This series aims to raise awareness among school students about the importance of wetlands, their ecosystem services, and sustainable use. Wetlands are vital for global economies, freshwater provision, biodiversity enrichment, and climate adaptation and mitigation. The series encourages students to feel connected to nature and view wetlands as essential to their lives. Designed for different educational stages—Preparatory, Middle, and Secondary—the videos are accessible on **DIKSHA** (diksha.gov.in), the NCERT OFFICIAL YouTube channel, and **PM eVidya DTH TV channels**. Knowledge partners like GIZ, Wetlands International South Asia, WWF India, and SES, JNU have significantly contributed to the educational initiative's depth and impact.

Under the **study of quality of eContent on DIKSHA and usage patterns and user behaviours**, questionnaires in both English and Hindi were developed which were then used to collect data. The data collected was also under process of being analyzed.

Under **Development and Implementation of Curricula for ICT in Education for School systems based on NEP 2020**, 13 webinars for developing capacity on ET & ICT were organized and 7 online trainings were organized. More details of activities undertaken in it are presented in Table 3.
